

2019 THR Programs Website/ Facebook Events Calendar

April 20th

Animal Track Bingo & Creating a Track Book – STEM Challenge

Presented by Three Island Crossing State Park

Program funded by the Rural Community STEM Engagement Grant provided through Idaho STEM Action Center

11:00 am- 12:30 pm

Everyone can come join us and have fun learning by constructing an Animal Track book and playing a game of Animal Track Bingo.

Meet in the Conference Room of the Oregon Trail History & Education Center.

Cost is free to attend the program, however a Motor Vehicle Entrance Fee of \$5 per vehicle is required to enter the park unless you have a current Idaho Parks Passport or Annual MVEF sticker.

April 27th

Build a Monocular- STEM Challenge

Presented by Three Island Crossing State Park

Program funded by the Rural Community STEM Engagement Grant provided through Idaho STEM Action Center

11:00 am- 12:30 pm

Everyone can come join us and have fun learning by constructing a Monocular (it's like a spotting scope).

Meet in the Conference Room of the Oregon Trail History & Education Center.

Participants will have the opportunity to explore the properties of light and lenses using their own monocular.

Cost is free to attend the program, however a Motor Vehicle Entrance Fee of \$5 per vehicle is required to enter the park unless you have a current Idaho Parks Passport or Annual MVEF sticker.

May 10th

Night Sky Viewing

Presented by Master Astronomer Chuck Schroll

Hosted by Three Island Crossing State Park

9:00 pm- 10:45 pm

Everyone can come join us and have fun learning about the night sky and stars using binoculars or just your eyes.

Bring binoculars if you have them and dress suitably for spring night time weather.

Meet in the parking lot of the Oregon Trail History & Education Center.

Cost is free to attend the program, however a Motor Vehicle Entrance Fee of \$5 per vehicle is required to enter the park unless you have a current Idaho Parks Passport or Annual MVEF sticker.

May 11th

Program Open House and Build a Pinecone Bird Feeder- Jr. Ranger Program

Presented by Three Island Crossing State Park

11:00 am- 1:00 pm

Come construct a pinecone bird feeder and learn about the programs offered during the 2019 season. Programs scheduled for the season include but are not limited to: Jr. Ranger, STEM Challenges, Evening on the Oregon Trail, Night Sky viewing and Author Susan Butruille. Watch for any unscheduled/improvised programs on the website and Facebook.

Ages 6-12 can come and construct a pinecone bird feeder. Parents are welcome to stay and help their child achieve their Jr. Ranger. If child is ages 6-8 parents are asked to stay and help the child.

Meet in the Conference Room of the Oregon Trail History & Education Center.

Cost is free to attend the program, however a Motor Vehicle Entrance Fee of \$5 per vehicle is required to enter the park unless you have a current Idaho Parks Passport or Annual MVEF sticker.

May 18th

Escape to Camp Happy Trails- STEM Challenge

Presented by Glens Ferry Public Library

Hosted by Three Island Crossing State Park

Program funded through Idaho STEM Action Center

11:00 – 12:00

Everyone can come join us and have fun crossing the lake to dream summer camp.

This is an escape room type activity where “campers” think they are going to a dream summer camp, yet they arrive at a totally run-down camp with little supplies. They can see the dream camp across the lake. Participants will follow some guided cards-suggestions and try to make it across the lake. They will need to look for supplies as well as budget to purchase some items and hopefully celebrate their successful crossing to dream summer camp!

Meet in the Conference Room of the Oregon Trail History & Education Center.

Cost is free to attend the program, however a Motor Vehicle Entrance Fee of \$5 per vehicle is required to enter the park unless you have a current Idaho Parks Passport or Annual MVEF sticker.

May 25th

Family Safety While Hiking- STEM Challenge

Presented by Three Island Crossing State Park

Program funded by the Rural Community STEM Engagement Grant provided through Idaho STEM Action Center

1:00 pm – 3:00 pm

Everyone can come join us in learning what to teach children to do if they get lost while in the forest or hiking and to provide parents with information to help find children lost in the forest or while hiking.

This program was inspired by the “Hug a Tree and Survive” principles. Learning a few helpful tips and planning can make for a safer and enjoyable outing.

Meet in the Conference Room of the Oregon Trail History & Education Center.

Cost is free to attend the program, however a Motor Vehicle Entrance Fee of \$5 per vehicle is required to enter the park unless you have a current Idaho Parks Passport or Annual MVEF sticker.

June 1

Sammy Sage Grouse - Jr. Ranger Program

Presented by Three Island Crossing State Park in partnership with U.S. Department of the Interior Bureau of Land Management

11:00 am- 12:30 pm

Ages 6-12 can come join the quest and be a friend to wildlife in the west. Parents are welcome to stay and help their child achieve their Jr. Ranger. If child is ages 6-8 parents are asked to stay and help the child.

Meet in the Conference Room of the Oregon Trail History & Education Center.

Cost is free to attend the program, however a Motor Vehicle Entrance Fee of \$5 per vehicle is required to enter the park unless you have a current Idaho Parks Passport or Annual MVEF sticker.

June 8

Animal Track Bingo & Creating a Track Book – STEM Challenge

Presented by Three Island Crossing State Park

Program funded by the Rural Community STEM Engagement Grant provided through Idaho STEM Action Center

11:00 am- 12:30 pm

Program funded through Idaho STEM Action Center

11:00 – 12:00 AM

Everyone can come join us and have fun learning how to turn “trash” into “treasures”.

What if you are left with very little and find you need an item not readily available to you? Participants will learn how they can repurpose items to be useful again.

Meet at the Sunrise View Shelter in Trailside campground.

Cost is free to attend the program, however a Motor Vehicle Entrance Fee of \$5 per vehicle is required to enter the park unless you have a current Idaho Parks Passport or Annual MVEF sticker.

****** We will possibly have at least 2 additional night sky programs in Aug. & Oct. (We will verify this with Chuck Schrolls in May when he comes for the first program.)**

It is also possible we will have some other programs over the summer that are presently not planned for, more like roving interpretive programs.
