## SCAVENGER HUNT BY NATURE

Flora  
Fauna

Explore Ponderosa  
State Park  
with Scout the Fox!

In the park, please do not pick-up any living things, especially flowers. Please only take photos or draw pictures. You are welcome to pick-up cones or old plant materials found on the ground.

Please pick up man-made objects such as litter if you can do so safely and don't leave any litter of your own that could harm animals or make the park unnatural. Please read through the Scavenger hunt before you start, so you know what to look for on a park trail.

**1. Find something natural or made by nature and take or draw a picture of it.**

**2. Find something man-made that should be in the park, name it.**

**3. Find something man-made that should NOT be in the park, name it.**

## SCAVENGER HUNT BY NATURE

Flora  
Fauna

4. Find a tree with needles. Are they single needles or in bundles? If in bundles, how many are together? This can help you identify the tree.

5. Find a tree with leaves. Draw the shape of the leaf:

A large, empty rectangular box with a black border, intended for drawing the shape of a leaf.

6. Find a cone. What tree did it come from?

7. Find an animal that lives in a tree. What is it?

8. Find another animal that lives in a tree. What is it?

Fauna

9. Find a flower. What color is it? Write down its name if you know it or draw it.

10. Find a different flower. What color is it? Write down its name if you know it or draw it.

11. Find a tree with "puzzle" bark. What is its name?

12. Find an animal that lives underground. Who is it?
