

INSTRUCTIONS FOR RENTING OF PERSONAL WATERCRAFT (PWC)

IN THE STATE OF IDAHO

According to Idaho Boating Laws and Rules, persons who offer PWCs for rent must provide education to the renter before they are allowed to operate the vessel. Here is a brief description of the program:

- Provide a Coast Guard approved Type I, II, III, or V Personal Flotation Device (PFD) for each individual riding or operating the PWC. **Each person riding a PWC must wear their life jacket AT ALL TIMES!**
- Display on each PWC the “Personal Watercraft Laws for Idaho” decal in a location easily visible from the operator’s position.
- Provide instruction for each individual who will operate the PWC on Idaho Boating Laws and Rules, as well as safe operation of the vessel. This is accomplished by showing the “Play It Safe” video produced by the *Personal Watercraft Industry Association*, going over the “Personal Watercraft Laws and Safe Operation” (IDPR Form 50.13) with the renter, and having them sign and carry with them at all times the “Renters Acknowledgement of Education” card.
