

Vendor Quick Reference

Helpful Hints

- ✓ Please send your transmittal form by the 10th of each month. If there are no sales of any recreation type during the month, send a “NO SALES CARD.” Forward any requests for refunds to IDPR Registration.
- ✓ Whenever possible, use the mail renewal form rather than handwritten triplicate form. If renewal form is not available, remember to write clearly and fill in all spaces on the form.
- ✓ Make sure you get proof of ownership on all vehicles, snowmobiles, and boats.
- ✓ Check your sticker assignment sheet included in your vendor packet. Verify that you received the stickers that were assigned to you. Please note you will be charged for missing stickers at the end of the season.
- ✓ Check your sticker inventory often, especially before holidays, to make sure you do not run out. You may not obtain stickers from another vendor. If you need more stickers please contact IDPR Registration.
- ✓ Are you selling the correct Protection Against Invasive Species Sticker (PAISS)? The “**Non-motorized**” sticker is for kayaks, paddle boards, kiteboards, and rafts—regardless of the customer’s state of residence. Inflatable vessels less than 10 feet in length are exempt. The “**Not registered in Idaho**” sticker is for any motorized or sail-powered vessel that is not registered in the state of Idaho.
- ✓ Please inform owners that if a motorized or sail-powered vessel will principally be used in Idaho waters for more than 60 days, they are required to obtain an Idaho boat registration. The boat fee schedule includes the invasive species fee. No other invasive species fee or sticker is required for vessels registered in Idaho.
