

How to create maps for your Smart phone or Tablet

1. Go to <http://www.avenza.com/pdf-maps>. This link will either direct you to the Apple Apps Store or the Google Play Store.
2. Once at the Store, download and install the application on your phone. Your phone is now ready to accept Idaho Trails Map information. A tutorial on using the PDF Maps Application is located at <https://www.youtube.com/watch?v=93-2BZxKHlg>.
3. Go to www.trails.idaho.gov on your smart phone or tablet
4. Zoom into your area of interest on the map
5. Click the print icon to open the Print widget.

6. In the map Title Box, type a name you want for the map. The default is Idaho Trails Map.
7. Click **Print** to create a pdf map. A progress bar displays next to the executing task.

8. Click on the created pdf map to open the file with the PDF Maps App on your smartphone or tablet.
