

## Blacktail Park

This park was improved through two phases of grant funding. The first phase began in 2015 with a grant of \$278,200 to expand and improve the park's parking area, add in a new day use area with a picnic area, parking lot, restrooms, and a new three lane boat ramp. In the second phase of this project Bonneville County Parks and Recreation was awarded \$130,733 to expand and finish this project. This phase took place in 2016 expanding the day use area by adding shelter areas, solar lighting, and landscaping.
