

Things To Remember:

- A valid Idaho Passport or Day Use Receipt must be displayed on your vehicle or a \$66.50 citation could result.
- Pets must be on leash at all times and are only allowed on the ungroomed winter trails north of Highway 54.
- Do not take pets, snowshoe, use street shoes or bike on the groomed ski trails.
- Snowmobiling and winter ATV use is not allowed anywhere in the park. There is a USFS trailhead on Bunco Road 4 miles south of the park for these activities.
- Please only use Skate Skis on the Skate Ski Loop out of Thimbleberry. Do not Skate Ski on the Classic Track Trails.
- **Bicycles, including fat bikes, are currently only allowed on ungroomed trails north of Highway 54.**

Distance and Trail Marker Color Guide

Orange	1.0 km	0.6 miles
Blue	3.5 km	2.25 miles
Green	5.5 km	3.5 miles
Red	7.5 km	4.8 miles
Brown	10 km	6.25 miles

Cross-Country Ski Trails

Classic Tracked Skiing

Parking and trailhead is located at the park Visitor Center. We groom 5 trails for your enjoyment: 1.0 km, 3.5 km, 5.5 km, 7.5 km and 10 km. The outgoing trail is marked with signs identifying the return route for each distance.

Restrooms are located at the Visitor Center and adjacent to the 3.5 km trail within the Waldron Campground.

Nordic Skate Skiing

New for 2014-2015 Season

Parking and vault toilets are located at the Thimbleberry trailhead on the North side of Highway 54. A one way loop 2km in length around Scott Field with a two way entrance trail .75 km in length from Thimbleberry trailhead is now available.

This is a new venture for us so we encourage your comments at the Visitor Center!

Please do not take your pets or livestock, use street shoes, snowshoe or ride bikes on the groomed ski trails.

Sledding

Take advantage of the large amphitheater used by the Boy Scout Jamborees of the 1960s where Bob Hope performed and the Apollo Astronauts called down from orbit. A vault toilet is located just to the northwest down the trail from the parking area.

The sledding hill is within the park boundaries and a Motorized Vehicle Entry Fee is required to park or drop members of your party off. The Locust Grove Fee Station is located off Highway 54, 1/8 of a mile south of the sledding area.

Winter Camping and Cabin Rentals

Primitive camping is available at Thimbleberry trailhead. Please register at the Visitor Center.

Three camping cabins are available for winter use in the Waldron Campground. Services are limited in winter to a vault toilet only. *Water and trash services are not available; PACK IT IN PACK IT OUT.* Reservations can be made by calling 1.888.922.6743 or for same day stays come into the Visitor Center between 9AM and 4PM.

Snow Shoe Trails

We have designated three snowshoe routes:

1. Thimbleberry Loop begins at the Thimbleberry Trailhead and is 2.5 km long.
2. Visitor Center Trail is a 1 km groomed loop leaving south of the visitor center.
3. Highpoint Trail is an ungroomed extension of the Visitor Center Trail, marked with red reflectors, that goes to a lake viewpoint 2 km further for a 6km route.

- **Snowmobile and ATV use is not permitted anywhere within the park.**
- **Bicycles, including fat bikes, are currently only allowed on ungroomed trails north of Highway 54.**

Welcome to Farragut State Park

We are pleased to offer a variety of winter recreation activities for your enjoyment

Fees: A \$5.00 Motorized Vehicle Entrance Fee (MVEF) or valid Idaho Annual Pass is required for all park use. Please pay at the Visitor Center (either at the self-pay station or at the counter) or at the Locust Grove Fee Station located 1/8 mile south of the sledding area.

Safety:

- If a Ranger is needed call 208.683.2425 ext. 0 or dial 911 in case of emergency.
- Park in a designated area or plowed lot. Do not park on the roadside.
- Always let someone know where you plan to go.
- Bring a change of warm, dry clothes in case of unexpected changes in the weather.

Pets: Our pets love snow but can seriously damage trail surfaces and stress wildlife at a time when they need their reserves. For these reasons, we do not allow pets on any of the ski trails or at the sledding area. You are welcome to walk them (on leash of course) on the Snowshoe Loop at Thimbleberry or any ungroomed area north of Highway 54.

Livestock: We only allow livestock on the ungroomed trails north of Highway 54 not including the Snowshoe Loop. For the brief shared portion of the Skate Ski Loop please stay to the right off of the groomed trail.
