Lake Cascade State Park  
Marina Operation Concession

Issue Date: June 27, 2019

Idaho Department of Parks and Recreation  
Lake Cascade State Park  
Marina Facilities

**REQUEST FOR PROPOSAL**

**INTRODUCTION**

The Idaho Department of Parks and Recreation (IDPR) desires to pursue a public/private agreement for the development of a marina facility, located on Lake Cascade State Park in Central Idaho. IDPR seeks proposals from private entities interested in entering a business relationship for the development, maintenance and operation of a marina facility providing a retail store, long and short-term slip rental, marine fuel sales and powered and non-powered watercraft rentals. A variety of options regarding the rental and operation will be considered as proposed by the respondents to this Request for Proposal (RFP).

**NOTE: This Request for Proposal is not intended to be an offer to enter into a contract and is not governed by the State of Idaho purchasing statutes, Idaho Code §§ 67-5714 through 67-5737, nor the Rules of the Division of Purchasing, IDAPA 38.05.01. Upon selection of a suitable proposal, IDPR shall enter into negotiations with the selected Offeror to determine the terms and conditions for a possible concession contract based on, but not limited to, the attached Large Concession Agreement, the special terms and conditions identified herein, the Offeror's proposal, and such other terms and conditions that IDPR, in its discretion, deems necessary. If IDPR and the Offeror are unable to reach agreement on terms and conditions, nothing herein shall be deemed to obligate IDPR to enter into agreement with the selected Offeror or to award the concession contract to any other Offeror. The only right granted to selected Offeror is the right to enter into negotiations with IDPR for possible award of the anticipated concession contract described herein.**

**IDPR OBJECTIVES**

IDPR hopes to provide an identified and desired service for the recreationists of Lake Cascade and Lake Cascade State Park, by seeking a willing and capable private partner.

In responding to this RFP, the respondent must address all proposal requirements identified in the RFP. The Proposal Format/Requirements Section provides a format to fully describe the opportunities and amenities to be developed and provided, the respective roles of IDPR and the private partner in accomplishing such development, compensation to be made to IDPR, and the qualifications of the firm(s) for the project.

Received proposals will be evaluated by IDPR and if, in the opinion of IDPR, an acceptable proposal is received, IDPR may then choose to negotiate a lease agreement for the operation and development of the area.

**ABOUT THE PARK**

The operation of Lake Cascade State Park provides a year-round, exciting variety of day use and overnight experiences. This park is popular with many visitors, of somewhat diverse recreational interests. The activities that are frequently pursued include: fishing, sailing, water-skiing, sport boating, swimming, snowmobiling, cross country skiing, hiking, mountain biking, picnicking, and camping.

Significant operational challenges are inherent in the management of the park’s multiple, dispersed units. Multiple campgrounds, entrances, and facilities require more staff time to patrol, collect, and maintain compared to other traditional park settings. A total of 26 park entrances, 12 Campgrounds comprised of 333 campsites, two group areas, and several day use areas prove to be a challenge, yet the park maintains a high level of customer satisfaction and repeat customer use.

### **DESCRIPTION OF CONCESSION AREA**

Two sites have been identified as potential locations for marina facilities by IDPR. This potential was determined by existing use patterns, currently available facility and expressed public desire. It is the responsibility of the respondent to determine the suitability for marina development of any site proposed. IDPR makes no claims as to the appropriateness or suitability of any potential or proposed location. Having adequate knowledge of the advantages and disadvantages of any proposed site is the sole responsibility of the respondent.

IDPR will entertain proposals which identify other locations as suitable, if the respondent presents a compelling case for the alternative locations and the location is compatible with the park's existing operation.

Poison Creek – Serves as one of Lake Cascade State Park's most popular use areas and is the most utilized park site on the west side of Lake Cascade. Full service campsites, showers and boat ramp provide a high level of occupancy during the boating season.

Van Wyck – Van Wyck is located on the east side of Lake Cascade and is adjacent to the city of Cascade. A boat ramp, limited camping opportunity and easy access to services in Cascade bring consistent and significant use at the location.

## **MINIMUM SERVICES REQUIRED**

Bidders must be prepared to provide the following minimum levels of service/operation:

- At the offeror's sole expense, provide a temporary building/structure suitable for the business need of the proposed operation. Type, size, and final location to be negotiated and approved by IDPR.
- Establish a resale/merchandise program which provides park visitors recreational gear, personal items and other items required or desired by outdoor recreationists.
- Provide and operate, at offerors sole expense, a fuel sales station to serve local boaters and recreationists
- Provide long and short-term slip rentals for boaters of Lake Cascade
- Provide marine pump out facilities for boaters of Lake Cascade
- Provide a parking plan, designed to accommodate the anticipated additional users to the park to prevent over-use of existing parking facilities

Bidders may propose recreational services that exceed the minimums listed above. The furnishing of additional services will be a consideration in the evaluation of proposals.

A bidder may submit more than one proposal, each with differing opportunities and options.

## **MINIMUM QUALIFICATIONS**

All parties submitting proposals must demonstrate the following minimum qualifications for their proposal to be considered:

1. A verifiable work history of no less than five (5) years in business activities that involve providing products or services to the public.
2. A verifiable work history of no less than two (2) years in overseeing or directing, at the general manager or owner level, a business which provides products or services to the public.
3. A verifiable work history of no less than five (5) years of providing outdoor recreation associated services.

## **TERMS AND CONDITIONS OF CONTRACT**

Please reference the attached State of Idaho, Department of Parks and Recreation Large Concession Agreement, which contains the standard terms and conditions of the agreement.

Bidders may form partnerships and offer joint proposals, but the concession contract must be with one entity that takes overall responsibility for the venture. All partnerships and cooperative agreements must be stated as such in the proposal. Additionally, if the partnership or cooperative agreement intends to create a new business entity with overall responsibility for the venture, the proposal must designate the "primary" partnership entity to be evaluated for meeting the minimum qualifications, and for providing the financial and credit reporting requested on page 10.

In addition to the standard terms and conditions, the following terms will also be incorporated into the IDPR Large Concession Agreement. Any proposed deviations from the standard terms and conditions or the terms listed below must be stated in the proposal and may require additional review and approval.

- All buildings, facilities, lands, utilities, equipment provided to the concessionaire are provided in “as is” condition.
- Concessionaire must assume all utility and day-to-day maintenance costs including solid waste (garbage) removal associated with operation of the concession area.
- The bidder must also propose a system of financial compensation to IDPR that includes, a percentage of retail and fuel sales, a percentage of all recreation equipment rentals, and any other compensation deemed appropriate. It is the responsibility of the bidder to make this proposal. The bidder may, at his/her discretion, suggest that a portion of this compensation take the form of major maintenance work, new development, or services to the Park/Department to offset Park/Department budget costs. Proposals which do not include a realistic plan for compensation to IDPR will not be considered.
- If the bidder proposes to sell alcohol on the premises this must be stated in the proposal – types of alcohol and manner of sale, i.e. with food, or retail sale.
- Industrial and manufacturing enterprises are prohibited. Storage of solid waste, toxic or hazardous materials is prohibited on the premises except as needed for the operation of the facilities.
- All proposed activities must be compliant with The Bureau of Reclamation’s Directive and Standards for Concession Contracts.

IDPR reserves the right to amend the standard terms and conditions, or to require additional special terms and conditions, as necessary to address needs identified in negotiation of the concession agreement with the selected Offeror.

## 1. Definitions.

**1.1 Agreement.** This written agreement, including the Agreement Data Page, the Signature page, Attachment A, *General Terms and Conditions*, Attachment B, *Concession Premises*, and Attachment C, *Special Terms and Conditions*.

**1.1.1 Incorporation of Plans and Agreements.** The term "Agreement" incorporates by reference any concession plan, park master plan, lease with the United States or other Park landowner, and/or management agreement for the Park, as each is amended from time to time, and each of which is incorporated by reference into this Agreement.

**1.2 Concession.** The grant of the right by IDPR to use the Premises to undertake and profit by a specified activity, and any and all business activities and commercial transactions undertaken by Concessionaire on the Premises..

**1.3 Concessionaire.** The person or entity to which concession rights are granted by this agreement.

**1.4 Improvements.** Buildings, structures, fixtures, appliances, sidewalks, landscaping, docks, pilings, or other additions to the Premises, whether permanent, semi-permanent, or short-term. For the purposes of this agreement, fixtures shall include all windows, doors, awnings and all apparatus, equipment, or articles used to supply heat, gas, air conditioning, water, light, power, refrigeration, cooking, and ventilation that is physically attached to and an integral part of building or improvements existing upon the Premises.

**1.5 IDPR.** The Idaho Department of Recreation, a department of IDPR of Idaho, overseen and administered by the Idaho Park and Recreation Board.

**1.6 Premises.** The real property described in Attachment "B" upon which the rights granted by this Agreement may be exercised.

**2. Authority.** IDPR is authorized by Idaho Code § 67-4204 to grant concessions to proper and desirable parties to provide places of refreshment or to provide recreational facilities within state parks. IDAPA 26.01.20.650 provides that no "person, firm, or corporation may operate any concession, business, or enterprise within lands administered by the department without written permission or permit from the [Idaho Park and Recreation Board]."

**3. Operations.** Concessionaire shall provide the required facilities and services each year of the agreement during dates specified on the data page.

**3.1** Concessionaire is encouraged to be open for service before and after the above dates to better service park visitors, provided, that concession operations occurring outside the dates

specified on the data page require approval of the Park Manager. IDPR reserves the right to require changes in the dates and times of required and optional services to ensure adequate service to the public and avoid conflict with other authorized uses occurring within the Park. Concessionaire shall provide IDPR with an operation schedule indicating times of operation.

- 3.2** In the event of adverse weather, or other adverse operating conditions, the Park Manager may permit or require the Concessionaire to close the facilities and services at any time during the term of this agreement. However, nothing herein shall excuse Concessionaire from payment of the annual rental.
- 3.3** Concessionaire, its employees and representatives shall conduct themselves in such a manner as to promote a positive image for the concession business, the Park and IDPR.
- 3.4** Concessionaire shall keep the Premises in a clean and sanitary condition at all times.
- 3.5** IDPR may require the temporary cessation or other changes in Concessionaire's operations when, in IDPR's discretion, such changes are necessary to protect Park resources, to protect the health, safety, and welfare of Park visitors, or to avoid conflict with other authorized uses occurring with the Park.

**4. Premises.** Concessionaire's operations shall be limited to the Premises identified in Attachment B. Within the designated Premises Concessionaire shall have the exclusive privilege of providing the specified concession services and facilities.

- 4.1 Concessions Outside Premises.** Nothing herein shall be construed as granting to Concessionaire the privilege of providing concession services and facilities on any state park lands outside the Premises, and IDPR reserves the right to grant concession privileges to other persons on those portions of the subject state park that are outside the Premises; whether or not those concession services and facilities are similar to those operated by Concessionaire, provided, that in the event IDPR determines to grant concession privileges in those portions of the subject state park that are outside the Premises and similar to those required services and facilities identified in Exhibit B, then Concessionaire shall have the right of first refusal for any such concession agreement offered by IDPR under such terms and conditions as IDPR may then prescribe.
- 4.2 No Right of Exclusion.** Concessionaire acknowledges that the Concession Premises are State Park lands open to public use and that IDPR reserves the right to authorize others to use the Concession Premises so long as such uses do not unreasonably interfere with Concessionaire's business operations.
- 4.3 As-Is.** Concessionaire accepts the Premises in its present condition with all faults or hazards, whether patent or latent, and without warranties or covenants, express or implied, regarding

the suitability of the Premises for operating purposes. Concessionaire acknowledges that IDPR shall have no duty to maintain, repair, or improve the Premises or otherwise make them suitable for Concessionaire's use. If any portion of the Premises is destroyed, IDPR shall have no obligation to replace or restore such portion of the Premises.

**5. Term.** The term of this agreement shall be specified on the Data Page.

**5.1 Renewal.** IDPR does not grant Concessionaire the right to automatically renew this agreement for an additional period of time. However, if IDPR, at the expiration of this agreement, desires to lease the Premises again, and if IDPR, in its sole discretion, concludes that Concessionaire's performance of this Agreement has been satisfactory, and Concessionaire is not in default or breach as set forth in Section 14 of this agreement, then IDPR may, but is not required to, grant Concessionaire the first right to accept a new agreement under such terms and conditions as IDPR may then prescribe and under the following conditions.

**5.1.1** Concessionaire shall first notify IDPR in writing of its desire to renew the agreement sixty (60) days prior to its expiration. If IDPR desires to renew this agreement, it shall notify the Concessionaire in writing of the terms and conditions that IDPR may then desire to prescribe. Mailing to the last known address of Concessionaire shall complete notification to Concessionaire. Concessionaire shall then have thirty (30) days from the date of that mailing to notify IDPR of its acceptance of the terms and conditions prescribed by IDPR. Acceptance shall be complete only if received by IDPR in writing and within the time prescribed.

**5.1.2** Section 4.1 shall not apply in the event IDPR terminates this Agreement for cause or in the event of early termination of this Agreement by Concessionaire.

**5.1.3** Section 4.1 shall not apply to any concession agreement offered by IDPR more than twelve (12) months after the expiration of this Agreement.

**5.2 Holdover.** If Concessionaire holds over after the expiration of the term of this agreement with the express or implied consent of IDPR, such holding over shall be deemed to be a month- to-month tenancy of the Premises otherwise subject to the terms of this Agreement. During such month-to-month tenancy, Concessionaire shall pay monthly rental in the amount of one-twelfth (1/12) the prior year's annual rental, as calculated pursuant to Section 6 herein, or fifteen percent (15%) of that month's gross receipts, whichever is greater.

**6. Going Concern. Blue Sky, Business Values of Concession Operations.** Concessionaire's rights and privileges are limited to those rights and privileges specifically granted in this Agreement and Concessionaire's business operations upon the Premises shall not, as between IDPR and

Concessionaire, accrue any value for going concern, good will, blue sky, business values, trade name, or other intangible property.

- 7. Rental.** Concessionaire shall pay to IDPR each year during the term of this agreement that percentage (%) of gross receipts as specified on the Data Page. Payment for each year shall be made on or before the date specified on the Data Page. Payment shall be made to the order of the Idaho Department of Parks and Recreation, P.O. Box 83720, Boise, Idaho 83720-0065.

  - 7.1 Late payments.** Late Payments shall accrue interest at the legal rate of interest as set by the State Treasurer for the accrual of interest on judgments until paid. Payments that are more than thirty (30) days late will constitute a breach of this agreement absent a written addendum to this agreement signed by both parties.
  - 7.2 Reporting of Gross Receipts.** Gross Receipts shall be reported to IDPR on the attached *IDPR Concessionaire Gross Receipts Reporting Form* (Attachment D). The Form shall be submitted to IDPR at the time of each payment. The Form shall be accompanied by an appropriate certification that all gross receipts during the yearly accounting period have been duly and properly reported to IDPR
  - 7.3 Definition of Gross Receipts.** Gross receipts, as used in this agreement, shall include all monies and anything else of value received by Concessionaire from the sale, rental, or provision of goods, services, or facilities, or from any other business whatsoever conducted by Lessee on the Premises, whether such goods, services and activities are required by this Agreement or optional, excepting an allowance of deductions for sales or excise taxes imposed by any governmental entity and collected by Concessionaire.
- 8. Record-Keeping.** Concessionaire shall keep true and accurate books and records showing all of its business transactions in separate records of account for the concession in a manner acceptable to IDPR. IDPR shall have the right to examine daily sales records kept on the Premises during regular business hours of Concessionaire; provided that such examination does not unreasonably interfere with Concessionaire's operation of the concession. IDPR shall have the right to examine all other books and records, including but not limited to inventory records and certified State of Idaho Sales Tax Return Records, provided that IDPR shall treat such records as confidential and not divulge them to third parties except in the event of litigation. IDPR shall examine books and records only upon reasonable notice and only at such times as will not unreasonably interfere with Concessionaire's operation of the concession. IDPR further shall have the right to examine all such books and records at any time within two (2) years of termination or expiration of this agreement,

or until such time that a final audit is concluded as to Concessionaire's business under this agreement, whichever event occurs first.

**8.1** Concessionaire shall install and maintain inventory, bookkeeping and accounting methods, and methods of collection of monies, which shall permit IDPR to accurately compute the gross revenue of Concessionaire.

**8.2** Concessionaire shall, at its own expense, install and maintain such cash register equipment as will provide a continuous registering tape and show sales breakdown as to major categories of items sold. Concessionaire shall also maintain at its own expense a sales journal, cash disbursement journal and general ledger.

**9. Quality of Goods and Services.** Concessionaire shall engage in best business practices and strive to provide high-quality goods and services. All food items and food service, if any, provided by Concessionaire shall comply with the Rules of the Idaho Department of Health and Welfare governing Food Safety and Sanitation Standards for Food Establishments as enforced by the applicable municipal government or District Health Department. Copies of all permit-licenses and inspection reports issued by a municipal government or District Health Department shall be made available to the Park Manager. IDPR shall have the right to prohibit the sale of any item or to order the improvement of any service or equipment not satisfying the above requirements. IDPR reserves the right to impose reasonable park regulations on the sale or consumption of alcohol not in conflict with the rules administered by the Alcohol Control Division of Idaho State Police.

**9.1** The Concessionaire shall serve the public courteously and efficiently. All services should serve to enhance IDPR's mission of improving the quality of life through outdoor recreation and resource stewardship. The Concessionaire shall cooperate with Park staff in providing interpretative service to the public and in promoting the Park and its programs. The Concessionaire shall present a positive image of the Park and provide accurate information of the Park and its programs. These requirements also apply to any employee, agent or representative of the Concessionaire.

**9.2** The Concessionaire shall not employ or retain in its services, or permit to remain upon the Concession Premises, any person declared by IDPR to be unfit for such employment or otherwise objectionable. The Concessionaire and its employees are expected to maintain high standards of grooming and cleanliness, to the satisfaction of IDPR.

**10. Control of Rates and Charges.** Concessionaire agrees that any fees and all rates and prices charged by Concessionaire for goods, beverages, food and services furnished or sold to the public may be subject to review and approval by IDPR. Concessionaire shall, by May 1 of each year, submit to IDPR for approval a list of the fees, rates and prices proposed for the following operating

season. Such submission shall also include, but is not limited to, ounces per serving, fat content of meat, and any other information necessary to determine the quality and quantity of goods, beverages, food and services furnished or sold to the public. Prices charged by Concessionaire shall be reasonably related to the quality and quantity of the items sold. If IDPR determines that any price is not so related, IDPR may order that the price be modified. IDPR may not require a modification in price that would prevent Concessionaire from realizing a reasonable profit on items sold. Concessionaire shall keep a schedule for such fees, rates or prices posted at all times in a conspicuous place on the Premises.

**11, Improvements.** Those improvements, if any, included with the Premises are identified in Attachment B, *Description of Premises*. Concessionaire shall, at its own expense, maintain the Premises and all improvements thereon in clean, healthful and safe condition, in accordance with applicable state, county and federal laws and regulations and in a condition comparable to other improvements within the Park. If, after reasonable notice, Concessionaire fails to undertake repairs necessary to maintain such conditions, IDPR shall have the right to perform such maintenance or repairs and Concessionaire shall promptly reimburse IDPR for the cost thereof, provided that IDPR shall first give Concessionaire fifteen (15) days written notice of its intention to perform such maintenance or repairs to enable Concessionaire to perform such maintenance or repairs at its own expense.

**11.1 Construction and Modification of Improvements.** If the Concessionaire should undertake at its own expense any construction, alterations, or modification of the Premises, the Concessionaire shall submit, for the review and prior written approval of IDPR, all plans, drawings, and specifications. IDPR shall approve, reject, or require modifications of such plans within forty-five (45) days after submission of those plans to IDPR. Unless otherwise agreed to in writing by IDPR prior to construction or modification, Concessionaire shall be responsible for all costs associated with the construction, alteration, or modification of improvements.

**11.2 Emergency Repairs.** In the event of any emergency such as vandalism, fire, wind, flooding, hail or other act of God, which threatens damage to the Premises or harm to the public, IDPR may immediately act to stop such emergencies and mitigate any potential damage to the Premises. IDPR shall notify Concessionaire of any emergency circumstances, action or repair and shall request that Concessionaire make further repairs necessitated by such emergency. Concessionaire shall reimburse IDPR for all reasonable repairs made pursuant to this emergency provision.

**11.3 Liens.** Concessionaire shall not allow or suffer any liens of any kind or nature to be effected on or enforced against the Premises, including, but not limited to, any mechanics' liens or

material suppliers' liens for any work done or materials furnished on the Premises at Concessionaire's instance or request. Concessionaire shall ensure that full payment is made for any and all materials joined or affixed to the Premises pursuant to this Agreement for any and all persons who perform labor on the land.

- 12. Insurance.** Concessionaire shall obtain and maintain insurance at its own expense as required herein for the duration of this Agreement, and comply with all limits, terms and conditions stipulated. Policies shall provide, or be endorsed to provide, all required coverage. Concessionaire shall provide certificates of insurance or certified endorsements as applicable for the insurance required.
- 12.1** All insurance, except for Workers Compensation shall be endorsed to name the State of Idaho and the Idaho Department of Parks and Recreation as Additional Insured.
- 12.2** All insurance shall be with insurers rated A-, VII, or better in the latest Bests Rating Guide, and be in good standing and authorized to transact business in Idaho. The coverage provided by such policies shall be primary. Policies may contain deductibles, but such deductibles shall not be deducted from any damages due the state.
- 12.3** If any of the liability insurance required for this agreement is arranged on a "claims-made" basis, "tail coverage" will be required at the completion or termination of this agreement for a duration of twenty-four (24) months thereafter. Continuous "claims-made" coverage will be acceptable in lieu of "tail-coverage" provided the retroactive date is on or before the effective date of this agreement, or twenty-four-months "prior acts" coverage is provided. Concessionaire will be responsible for furnishing certification of "tail coverage" or continuous "claims-made" coverage.
- 12.4** By requiring insurance herein, IDPR does not represent that coverage and limits will necessarily be adequate to protect the Concessionaire, and such coverage and limits shall not be deemed as a limitation on the Concessionaire's liability under the indemnities granted to the state.
- 12.5** Concessionaire shall maintain insurance in amounts not less than the following:
- 12.5.1** Commercial General Liability (CGL) with a limit of not less than \$1,000,000 each occurrence, and \$1,000,000 annual aggregate, if defense is outside the limits. If defense is inside the limits, the limit must be \$2,000,000 each occurrence, and \$2,000,000 aggregate. If necessary, a commercial umbrella or excess policy may be used to meet the limits required, providing the CGL is listed on the underlying insurance in the umbrella or excess policy, and the umbrella/excess policy meets the requirements above for acceptable carriers.

**12.5.2** Automobile Liability including owned, non-owned, and hired liability with a limit of not less than \$1,000,000 each occurrence, and \$1,000,000 aggregate. If necessary, a commercial umbrella or excess policy may be used to meet the limits required, providing the Auto is listed on the underlying insurance in the umbrella or excess policy, and the umbrella/excess policy meets the requirements above for acceptable carriers.

**12.5.3** Workers Compensation Insurance in amounts as required by statute in all states in which the contractor performs work, and Employers' Liability with a limit of \$100,000 Bodily Injury by Accident-each Accident, \$100,000 Bodily Injury by disease-each employee, \$500,000 Bodily Injury by Disease-policy limit.

**12.5.4** Business property insurance covering all improvements, fixtures, and personal property of Concessionaire upon the Concession Premises. Policy limit shall be sufficient to cover the value of all Concessionaire-owned property upon the Concession Premises, and shall cover all risks to such property unless specifically and explicitly excluded.

**13. Hold Harmless Agreement.** Concessionaire shall indemnify, defend and save harmless the State, its officers, agents and employees from and against any and all liability, claims, damages, losses, expenses, actions, attorneys' fees and suits whatsoever caused by or arising out of Concessionaire's negligent or wrongful performance, acts or omissions under this Agreement or Concessionaire's failure to comply with any state or federal statute, law, regulation or rule. Nothing contained herein shall be deemed to constitute a waiver of the State's sovereign immunity, which immunity is hereby expressly reserved.

**14. Assignments or Sale of Interest.** Concessionaire and/or any person or entity that owns a "controlling interest" as herein defined in Concessionaire's ownership (collectively defined as the Concessionaire for the purpose of this section), shall not assign, sublease, or otherwise sell or transfer responsibilities under this agreement or the concession operations authorized hereunder, or sell, or otherwise assign or transfer (including but not limited to mergers, consolidations, reorganizations or other business combinations) a controlling interest in such operations, this agreement, or controlling interest in Concessionaire's ownership as defined herein, without the prior written consent of IDPR. Failure to comply with this provision or the procedures described herein shall constitute a material breach of this Agreement for which the Agreement may be terminated immediately by IDPR without regard to the procedures for termination set forth above, and IDPR shall not be obligated to recognize any right of any person or entity claiming an interest in this Agreement or claiming the right to own or operate the concession operations authorized hereunder.

- 11.1** Concessionaire shall advise the person or entity proposing to enter into a transaction described above that IDPR shall be notified and the proposed transaction is subject to review and approval by IDPR. Concessionaire shall request in writing IDPR's approval of the proposed transaction and shall promptly provide IDPR all relevant documents related to the transaction, including all information necessary for IDPR to evaluate the fitness and ability of the prospective Concessionaire to carry out the terms of this Agreement in a manner satisfactory to IDPR.
- 14.2** IDPR in exercising its discretionary authority herein shall, among other matters, take into consideration the management qualifications of any individual or entity that would obtain an interest in facilities or services authorized hereunder, the experience of any such individual or entity with similar operations, and the ability of any such individual or entity to operate the concession authorized hereunder in the public interest under the regulation of IDPR.
- 14.3** For the purposes of this section, the term "controlling interest" in Concessionaire's ownership shall mean, in the instance where Concessionaire is a corporation or limited liability company, an interest beneficial or otherwise of sufficient outstanding voting securities or capital of Concessionaire so as to permit exercise of substantial managerial influence over the operations of the Concessionaire; and, in the instance of a partnership, limited partnership, joint venture, or individual entrepreneurship, any beneficial ownership of the capital assets of Concessionaire sufficient to permit substantial managerial influence over the operations of Concessionaire shall constitute a controlling interest for purposes of this Agreement.
- 14.4** No mortgage shall be executed and no bonds or other evidence of interest in, or indebtedness upon the assets or proposed assets of Concessionaire, including this agreement, shall be issued except for the purpose of installing, enlarging, or improving facilities and equipment for the accommodation of the public upon the Premises and then only with the prior written consent from IDPR. In the event of default on such mortgage, encumbrance or other indebtedness or of other assignment or transfer, the creditor or any assignee thereof shall succeed to the interest of Concessionaire in such assets, if any, but shall not thereby acquire any operating right or privilege in or to the operation of the concession, or the Premises, pursuant to this Agreement, without the express prior written consent of IDPR.
- 14.5** In the event that approved improvements are financed by any outside investors, Concessionaire shall disclose the identity of said investors to IDPR.
- 14.6** In the event that IDPR shall approve assignment of this Agreement to any other person or entity, Concessionaire shall pay to IDPR an amount equivalent to ten percent (10%) of the assignment price, minus the amount paid by the assignee for any buildings, improvements, appurtenances, and fixtures owned by Concessionaire existing upon the Premises.

**15. Termination for Breach.**

**15.1 Violations.** Each term and condition of this Agreement is material, and default as to, or breach of any, of these terms by Concessionaire shall be grounds for termination of the entire agreement by IDPR. Any material violation by Concessionaire of any rule or regulation now in force or hereafter adopted by the Board, shall be grounds for termination of this Agreement. The determination of whether a violation constitutes a material violation subjecting this Agreement to termination shall rest solely in the discretion of the IDPR.

**15.1.1** A material violation of this Agreement shall be deemed to occur if Concessionaire files a petition in bankruptcy or insolvency or for reorganization under any bankruptcy act or if involuntary proceedings under any bankruptcy act or insolvency act be instituted against Concessionaire or if a trustee or receiver is appointed of any property of Concessionaire.

**15.2 Violation of Land and Water Conservation Fund Act Requirements.** All concession operations must comply with the provisions of the Land and Water Conservation Fund Act (LWCF) and implementing guidelines (36 Code Federal Regulations 59), including, but not limited to, provisions requiring the leased area to be maintained as a public outdoor recreation facility, not as a private area; the provision requiring fees to be competitive with fees for similar private facilities; and compliance with all Civil Rights and accessibility legislation (e.g., Title VI of Civil Rights Act, Section 504 of Rehabilitation Act, and Americans with Disabilities Act), with such compliance indicated by signs posted in visible public areas, statements in public information brochures, etc. Noncompliance with LWCF requirements shall be deemed a material violation of this Agreement and cause for termination.

**15.3 Notice of Violation.** IDPR shall provide written notice to Concessionaire of any Agreement or rule violation and shall allow Concessionaire thirty (30) days from service of the notice to cure the violation.

**15.4 Notice of Termination.** Agreement or rule violations which have not been cured within thirty (30) days of receipt of the notice of violation shall subject the Agreement to termination. Notice of termination shall be in writing and shall be effective upon service.

**15.5 Administrative Fees.** Prior to the termination, Concessionaire may elect to pay the Department's administrative costs associated with enforcing the terms of this Agreement, and the IDPR may agree to accept payment of such costs in lieu of termination for each day that such violation went uncorrected over and beyond the thirty day grace period provided in section 14.3 of this Agreement. IDPR and Concessionaire agree that such administrative

costs are fixed at fifty dollars (\$50) for each day that the violation goes uncorrected, up to a maximum of one thousand, five hundred dollars (\$1,500).

**15.6 Reinstatement.** Not later than thirty (30) days following the termination of this Agreement for cause, the Concessionaire may submit to the IDPR a written request for reinstatement setting forth good cause why the Agreement should be reinstated. At the Director's discretion, the Agreement may be reinstated upon the payment of a reinstatement fee of four hundred dollars (\$400), and upon such other terms and conditions as the Director deems appropriate.

**15.7** Concessionaire may terminate this Agreement at any time by giving one year written notice to IDPR of its intent to terminate.

**16. Concessionaire's Obligations and Rights upon Termination or Expiration.** At the expiration or early termination of this Agreement, Concessionaire shall, within thirty (30) days thereafter, remove from the Premises or otherwise dispose of in a manner satisfactory to IDPR all personal property belonging to Concessionaire, and restore the Premises to as good a condition as the same were in at the date of this agreement. If removal and restoration is not completed within thirty (30) days after termination, IDPR may, at its election, perform the work and bill Concessionaire for the costs thereof. Concessionaire shall pay such bill within thirty (30) days of receipt.

**16.1 Payment of Rent Due.** Upon termination, the annual rent for the year in which termination occurs (i.e., the specified percentage of gross receipts received up to the date of termination), as well as any unpaid annual rent from previous years, shall be considered at once due and payable by Concessionaire without notice by IDPR.

**16.2 Improvements and Fixtures.** Unless agreed otherwise in writing prior to construction of improvements by Concessionaire, upon expiration of this agreement or early termination of this agreement for cause, all improvements and fixtures constructed or installed by Concessionaire during the term of this Agreement shall be considered the property of IDPR, with no further compensation due to Concessionaire.

**16.3 Option to Require Removal.** At IDPR's option, Concessionaire shall, upon the expiration or termination of this Agreement, be required to remove from the Premises or otherwise dispose of in a manner satisfactory to IDPR, those improvements and fixtures constructed or installed by Concessionaire that are not acceptable to IDPR. If IDPR elects to require Concessionaire to remove any improvements or fixtures, Concessionaire shall do so and restore the Premises to as good a condition as the same were in at the date of this agreement. If removal and restoration is not completed within thirty (30) days after termination, IDPR

may, at its election, perform the work and bill Concessionaire for the costs thereof.  
Concessionaire shall pay such bill within thirty (30) days of receipt.

**16.4 Bankruptcy.** If, upon bankruptcy or insolvency of Concessionaire, IDPR does not elect to terminate this agreement pursuant to Section 14.1.1, any use, assignment, or disposition of buildings, improvements, appurtenances, and fixtures existing upon the CONCESSION PREMISES by a trustee or receiver shall be subject to the terms of this agreement.

**16.5 Going Concern. Blue Sky, Business Values.** Concessionaire waives any claim that it is entitled to compensation for going concern, good will, blue sky, business values, trade name, or other intangible property upon expiration or termination of this Agreement, regardless of whether IDPR intends to continue similar business operations upon the Premises or offer an opportunity to a successor concessionaire to operate a similar business upon the Premises.

**17. Repair and Maintenance Fund.** Concessionaire shall maintain a repair and maintenance fund into which one percent (1%) of Concessionaire's annual gross revenue shall be deposited. This fund shall remain Concessionaire's property, shall be accounted for separately from Concessionaire's other funds, and may only be spent with the consent and approval of IDPR, and will be accessible to IDPR on demand in the event Concessionaire fails to maintain the Premises as specified in this Agreement.

**18. Equipment.** Except as otherwise specified in the Special Term and Conditions, Concessionaire at its own expense shall provide the Premises with all equipment necessary for the services required under this agreement. The quality and maintenance of such equipment shall comply with all applicable laws and regulations, including but not limited to the rules of the Idaho Department of Health and Welfare governing Food Safety and Sanitation Standards for Food Establishments.

**19. Signs and Advertising.** Concessionaire shall not erect any sign on the Premises or in the vicinity thereof, without obtaining the prior written approval of IDPR. No signs containing brand names or products sold at the concession are to be displayed on the exterior of any building without the prior written approval of IDPR. Concessionaire shall not advertise the sale of alcoholic beverage without the prior written approval of IDPR.

**20. Business Name.** Any assumed or fictional business name used by Concessionaire in conjunction with its concession operations upon the Premises shall be subject to the approval of IDPR.

**21. Licenses and Permits.** Concessionaire shall obtain and pay for all permits or licenses that may be required for the operation of the concession.

**22. Compliance with Applicable Laws.** Concessionaire shall at all times comply with all applicable laws, ordinances, and regulations of IDPR, the State of Idaho, the United States, as well as any

applicable county or city ordinances. Violation of such laws, ordinances, or regulations may be considered as cause for termination of this agreement.

- 23. Utilities.** Concessionaire shall at its own expense be responsible for the extension, hookup, and metering of all utilities used in connection with the Premises where separate metering is available. All new utilities, including electrical wiring, shall be installed underground. Concessionaire shall be responsible for the accrual and payment of all utility charges or fees, commencing seven days prior to the first open business day. The termination of this responsibility will occur seven (7) days after the close of the last business day.

**23.1 IDPR-Supplied Water.** If IDPR supplies water to the Premises, it will do so without charge, provided that such supply shall be for the term of this agreement only. IDPR shall not be responsible for improvement of the water supply beyond that quantity and quality existing as of the date of this agreement, and IDPR shall not be liable for any damages due to the failure in the supply of water. IDPR shall give reasonable notice to Concessionaire of any temporary discontinuance of the water supply due to repair or maintenance.

**23.2 Trash Service.** IDPR will haul normal concession-generated garbage during regularly scheduled maintenance runs if it is properly bagged and placed in trash collector.

- 24. Right to Access.** IDPR shall have access to the Premises and to each part thereof during the regular business hours of Concessionaire for the purpose of inspecting the Premises and daily sales records.
