Register online at: parksandrecreation.idaho.gov/activities/atv-motorbike and select safety and education

Confirmation e-mail and training materials of date and location will be sent once your registration has been received.

RESPONSIBLE RIDERS

Responsible Riders OHV Education

The Idaho Department of Parks and Recreation (IDPR) Responsible Riders course provides a building block style learning environment. Your learning begins after registering for a specific course date and location. Review this course schedule and visit parksandrecreation.idaho.gov to use our online registration or call (208) 525-7121.

Preregistration is required.

A student reference guide will be mailed once your registration has been received and will provide the necessary information to pass the pre-course 50 question written test. After the test is completed and reviewed the “on-the-range” interactive rider education will begin. These lessons include pre-ride inspection, starting and stopping, quick turns, hill riding, emergency stopping and swerving and riding over obstacles. You’ll also learn about protective gear, Idaho’s laws, rules and regulations, Idaho’s Off-Highway Vehicle clubs, rules of the road, places to ride and environmental concerns. Bring your friends and family, and meet new friends to ride with.

Who Should Attend?

Everyone! The IDPR Responsible Riders course is a great way to get your kids off to a safe start and refresh skills you may have forgotten or were never taught. A parent must be present for riders under 16. IDPR Responsible Riders course offers courses for ages 6 and up.

How Much Does it Cost?

Nothing. Your OHV must display a current OHV registration sticker.

Do I Use My Own ATV, UTV or Motorbike?

Yes.

Can I share an ATV, UTV or Motorbike?

No. The course is fast paced and requires all operators to have an ATV, UTV or Motorbike.

What Do I Bring?

You must wear the proper riding gear at all times during training.

Bring the following:

- DOT approved helmet
- Goggles or face shield
- Over-the-ankle boots
- OHV type riding gloves
- Long pants
- Long sleeve shirt or jacket

What is the Riding Area like?

Riding areas around the state differ somewhat, but they all include necessary facilities to complete all ATV, UTV or Motorbike lessons.

What Are the Benefits to Completing the IDPR Responsible Riders Course?

The IDPR Responsible Riders course completion certificate meets Idaho’s OHV Education requirement outlined in Idaho Code 49-302 and is recognized in all of the Western States.

What is the best way to find riding opportunity in Idaho?

Visit www.trails.idaho.gov and join a local OHV club.

Where can unlicensed kids ride their OHV?

They may legally operate an off-highway vehicle on designated trails, areas open to cross country travel, or state and federal roads open to such use. To operate on roads on state lands and federal lands they must be supervised by a licensed adult operator (18+).

Any person under the age of sixteen (16) years when operating an ATV, UTV, specialty off-highway vehicle or motorbike on roads on federal or state land where the road is not part of the highway system of the state of Idaho or local road management authority and is supervised by a licensed adult operator eighteen (18) years of age or older.

(b) For purposes of this subsection, “supervised” means that the supervising adult must be in a position, on another ATV, UTV, specialty off-highway vehicle or motorbike, or if on the ground, within three hundred (300) feet of the unlicensed operator, to provide close support, assistance or direction to the unlicensed operator.

***Currently IDPR recognizes OHV education certificates issued from IDPR or any “state issued” certification card. The state card must possess the state or state department logo on the certificate.*
