Total Out of State Campers	186426
Total Day Use	3827336
Total Campers	420937
Total Visitation	4248273

* Due to reservation system vendor change, January and February 2006 camper numbers were unavailable and are not included. 2006 day use numbers are not offered for comparison because counting methodology has changed, making 2007 IDPR's baseline year for day use numbers. Year-to-year comparisons for day use will begin again in 2008.
