

Attention Idaho City Backcountry Yurt Users

At the Idaho Department of Parks and Recreation, the health and well-being of our customers and employees is our top priority. We understand the concern and uncertainty you may be experiencing surrounding the coronavirus (COVID-19) and are committed to ensuring the safest user experience while visiting the Idaho City Backcountry Yurts.

Because of the remote location of the yurts, daily cleaning by a cleaning service or IDPR personnel is an impossibility. The yurts are cleaned on a rotational bases by IDPR staff every 10 to 14 days. We depend heavily on Yurt users to clean and sanitize the yurts for the guest that follows them. We have had a long-standing pack-in/pack-out procedure for all users, this includes trash, dirt, and germs!

If you have a Yurt trip planned, please **BE ADVISED THAT THE YURT WAS NOT PROFESSIONALLY SANITIZED** before your arrival. In addition, there are several recommendations we have in place for users.

All linen has been removed from the Yurts. Please bring one double bed sheet for the futon and single bed sheets for the number of beds you plan to use.

- If you are sick or have been around someone who is sick, please stay home. You will receive a refund for all cancellations. Please contact Reservation Specialist Roxann Cleverly (below).
- Each of the yurts has been outfitted with bleach, paper towels and spray bottles. We recommend you clean all hard surfaces with the bleach/water mix we have provided on your arrival and departure from the yurt
 - Spray and wipe down the table, counter, chairs, and all other hard surfaces (including beds and futon)
- We will provide hand sanitizer at the yurts, but we recommend bringing extra in case it runs out
