# Rules

- Be courteous to all park users, as well as wildlife. This is the animals' home.
- All dogs must be on a leash at all times. Clean up after your pets.
- Do not move baskets without permission.
- Do not climb on buildings to retrieve discs. Ask park staff for assistance
- Allow faster groups to play through.
- Do not break tree limbs to make your shot easier.
- Turn in found discs to park staff or at the Visitor Center.

# How to play

- Disc Golf is played like ball golf except with flying discs. One stroke is counted each time the disc is thrown and when a penalty takes place. The winner is the golfer with the lowest score.
- Tee throws must be completed within the designated tee area.
- The player with the fewest strokes on the previous hole is the first to tee off. After teeing off, the player whose disc is the farthest from the hole always throws first.
- A run-up and normal follow-through are allowed more than 10 meters from the hole. Inside 10 meters, a player may not step past his/her lie.
- A disc that comes to rest inside the basket or chains constitutes successful completion of that hole. A disc that comes to rest on top of the basket does NOT constitute a successful completion of that hole.
- A disc that comes to rest more than 2 meters off the ground is considered unplayable. The disc must be thrown from the ground directly below the disc. Add a 1 stroke penalty.
- Never throw until the players ahead of you are out of range and until the fairway is completely clear of spectators or anyone else.
