Idaho Department of Parks and Recreation

Filming Permit Application

General Conditions of Commercial Filming in Idaho State Parks

The Idaho Department of Parks and Recreation (IDPR) considers the recording of moving images for revenue generation, and the recording of moving images *or* still images which makes the use of sets, props or models, or that requires on-site management by park staff to be Commercial Filming, which requires a Filming Permit.

Please complete the information below and submit to the park in which the filming is to take place, along with a \$100 nonrefundable application fee. Additional fees may be assessed if determined necessary to cover facility use, park staff time or impacts to the park's operation. Fees may be waived for non-profit groups.
