No organized group shall exceed the use limits as may be set forth by the Department without qualified representatives of the Group meeting with the Idaho Park and Recreation Board at a regular meeting no less than sixty (60) days prior to the requested date of use to discuss the proposed use and obtain approval.

The Idaho Park and Recreation Board shall have the right to require financing of any required temporary utility and law enforcement facilities and a deposit to cover possible damage to existing facilities.

A Group Use Permit may be denied if it appears to the Director of the Idaho Department of Parks and Recreation that the group use would result in permanent injury to the park facilities or environs, or if the group use would preempt use of the park by the general public during a time period when use of the park area by the general public is projected to be near capacity.
