Termination date: December 31, 2023

Cost: \$20.00

This permit authorizes the permittee to cut and remove up to **five cords of firewood** entirely for **personal use** from within the boundaries of McCroskey State Park. The permittee is responsible to know where the boundaries of the State Park and are to keep this permit with them while gathering firewood. Please follow additional rules below and reference map on back of permit for boundary information.

1. Firewood gathering is prohibited within timber sale unit boundaries or signed otherwise. No gathering within 200 feet of established campground, picnic area, active stream, or seasonally wet area.
2. Felling of trees is prohibited, only naturally downed trees shall be cut and gathered. Evidence of downed trees are exposed root balls or broken tops.
3. Firewood can only be gathered within 200 feet of an established road and all debris must be removed from roadway upon completion of gathering.
4. The use of a motorized vehicle for driving off established road is not permitted. The use of vehicle to skid within 200 feet of established is permissible.

## FIREWOOD QUANTITY REMOVAL RECORD

Record the following before removal a load from park lands, even a partial load. Failure to fill out this portion of your permit is a breach of contract and can result in the forfeiture of all firewood collected and the entire permit being revoked.
