

# BRUSH LAKE CAMPGROUND IMPROVEMENTS

Recipient: Idaho Panhandle  
National Forest

Grant Awarded: \$66,750

This project in the Idaho Panhandle National Forest built shade shelters, a new group shelter, rebuilt and regraded all living pads, replaced fire rings and picnic tables, repaired the entrance road and replaced the vault toilet. The **project was completed in partnership with the Idaho Youth Conservation Corps** and was part of a larger National Forest Stewardship project.
