#### Welcome and Introductions / Vice Chairman Roady and Director Buxton

Vice Chairman Roady welcomed everyone to the meeting.

#### Additions and Changes to the Agenda

Director Buxton amended the agenda to have the Forest Service go after IDL D&M Plan.

#### Consent Agenda – Action Item

**Approval of Minutes** 

March 26, 2025

Ms. Manning motioned that the Board approve the March 26, 2025 minutes. Mr. Cooke seconded the motion. The Vice Chairman asked for further discussion, hearing none, the Vice Chairman called for a vote. The motion carried unanimously.

#### **Grant Approvals – Action Item**

Kathy Muir explained the IDPR grant cycle and funding sources. Chairman Beckley asked what the total amount in the Recreation Vehicle (RV) fund is currently to which Steve Martin answered the about \$11 million a year comes to the RV fund from registration fees and between 5 to 6 million is spent on RV grants. Mr. Martin stated COVID had an impact on these funds as well as an increase in RV market prices. Ms. Muir explained that there has been a decrease in RV applications, lower dollar projects, and projects that do not meet the advisory committee and eligibility standards. Director Buxton stated there will be a budget proposal to address the surplus RV funds to promote quality RV opportunities across the state.

Ms. Muir presented the FY2026 grant projects in ranking order by each advisory committee.

FY2026 Recreation Vehicle Grants, the staff recommends that the Board approve the priority-ranking list, which will be used to fund projects in the ranked order.

Ms. Manning motioned for the Board to approve the FY2026 Recreation Vehicle Grants priority ranking list, which will be used to fund the projects in the ranked order which does exclude any projects that are under a score of 60. Chairman Beckley seconded the motion. The Vice Chairman asked for further discussion, hearing none, the voice vote was in favor, and the motion carried unanimously.

FY2026 Waterways Improvement Fund (WIF) Grants, the staff recommends that the Board approve the

priority-ranking list, which will be used to fund projects in the ranked order. Ms. Manning motioned for the Board to approve the priority ranking list for the Waterways Improvement Fund Grants which will be used to fund projects in the ranking order and to reach out to the city of Sandpoint to see if we can accommodate partial funding for their project. Chairman Beckley seconded the motion. The Vice Chairman asked for further discussion, hearing none, the voice vote was in favor, and the amended motion carried unanimously.

FY2026 Cutthroat Plate Fund Grants, the staff recommends that the Board approve the priority-ranking list, which will be used to fund projects in the ranked order. Mr. Cooke motioned for the Board to approve funding for the Cutthroat Plate Fund Grants. Ms. Manning seconded the motion. The Vice Chairman asked for further discussion, hearing none, the voice vote was in favor, and the motion carried unanimously.

FY2026 Off-Road Motor Vehicle (ORMV) Grants, the staff recommends that the Board approve the priority-ranking list, which will be used to fund projects in the ranked order. Ms. Manning motioned for the Board to approve the priority ranking list for the 2026 Off-Road Motor Vehicle Grants used to fund the projects in their ranked order to the funding line. Chairman Beckley seconded the motion. The Vice Chairman asked for further discussion, hearing none, the voice vote was in favor, and the motion carried unanimously.

FY2026 Motorbike (MB) Grants, the staff recommends that the Board approve the priority-ranking list, which will be used to fund projects in the ranked order. Mr. Cooke motioned for the Board to approve the Caribou-Targhee National Forest Motorbike Grants request and upon further amendment and improvements, the Salmon-Challis National Forest grant be approved. Mr. Liddiard seconded the motion. The Vice Chairman asked for further discussion, hearing none, the amended motion in favor, carried unanimously.

FY2026 Recreation Trails Program (RTP) Grants, the staff recommends that the Board approve the priority-ranking list, which will be used to fund projects in the ranked order. Chairman Beckley motioned for the Board to approve the Recreation Trails Program Grants priority ranking list which will be used to fund projects in the ranked order. Mr. Cooke seconded the motion. The Vice Chairman asked for further discussion, hearing none, the voice vote was in favor, and the motion carried unanimously.

FY2026 Mountain Bike Plate (BK) Grants, the staff recommends that the Board approve the priority-ranking list, which will be used to fund projects in the ranked order. Chairman Beckley motioned for the Board to approve the top three projects in FY2026 Mountain Bike Plate Grants list. Mr. Keating seconded the motion. The Vice Chairman asked for further discussion, hearing none, the voice vote was in favor, and the motion carried unanimously.

FY2026 Road and Bridge Fund Grants, the staff recommends that the Board approve the priority-ranking list, which will be used to fund projects in the ranked order. Chairman Beckley moved the Board to approve the FY2026 Road and Bridge Fund. Mr. Cooke seconded the motion. The Vice Chairman asked for further discussion, hearing none, the voice vote was in favor, and the motion carried unanimously.

#### Strategic Plan Approval - Action Item

Adam Zaragoza presented the Strategic Plan update for FY2026 to FY2029 to be summitted in early July. The recommendations from the staff are approving the Strategic Plan with any amendments or edits the Board or staff may deem reasonable prior to the early July deadline. Mr. Zaragoza touched on tasks 1, 2, 5, 6, and 7.

Chairman Beckley motioned the Board approve the Strategic Plan with amendments and edits the staff recommended. Mr. Keating second the motion. The Vice Chairman asked for further discussion, hearing none, the voice vote was in favor, and the amended motion carried unanimously.

#### **IDL Land Use Agreements – Action Item**

Adam Zaragoza provided information regarding the Development and Management plans for East Fork Rock Creek, a subunit of Massacre Rocks State Park, and Henry's Lake. Both projects highlights include IDPR building and maintaining facilities and IDL setting a specific fee for each site on a per night basis. The Board had shared concerns about lease termination clauses and rate-setting discretion. Motion to approve subject to further legal and staff review passed.

Mr. Keating motioned the Board to authorize the director to sign the final plan with the Idaho Department of Lands for development and management of endowment land recreational facilities at East Fork Rock Creek, to be managed by IDPR as a subunit of Massacre Rocks State Park, and to resolve language discussed here today consistent with the Director's final approval and guidance. Chairman Beckley seconded the motion. The Vice Chairman called for a roll call vote.

- Vice Chairman Roady Yes
- Chairman Beckley Yes
- Board Member Cooke Yes
- Board Member Keating Yes
- Board Member Manning Absent for roll call
- Board Member Liddiard Yes

Motion carried.

Mr. Keating motioned the Board to authorize the director to sign the final plan with the Idaho Department of Lands for development and management of endowment land recreational facilities at Henry's Lake State Park, consistent with the final resolution of language by the Director of IDPR. Chairman Beckley seconded the motion. The Vice Chairman called for a roll call vote.

- Vice Chairman Roady Yes
- Chairman Beckley Yes
- Board Member Cooke Yes
- Board Member Keating Yes
- Board Member Manning Yes
- Board Member Liddiard Yes

Motion carried.

#### Nez Perce-Clearwater National Forests – Information Only

The Board amended the agenda to allow guests from the Nez Perce-Clearwater National Forests speak before the Draft FY27 Budget agenda item. Jon Word, the Nez Perce Clearwater National Forest Supervisor, Sara Alberts, Good Neighbor Authority Coordinator for the Nez Perce-Clearwater and Idaho

Panhandle National Forests, and Angie Edwards, Partnership Coordinator for the Nez Perce-Clearwater National Forests. Ms. Alberts gave an overview of the Good Neighbor Authority and updates on the EXPLORE ACT. The USFS staff answered questions from the Board and Ms. Edwards shared that the USFS is working to find where partnering agencies and the USFS have overlapping missions for recreation in those areas.

#### <u>Draft FY27 Budget – Information Only</u>

Steve Martin presented the financial report, the unobligated fund balance, and the comparison of the FY 2025 and FY 2026 appropriated budgets to the FY 2027 budget draft proposal. The FY 2027 budget draft proposal assumes increases in employee health insurance costs of \$509,200, a 40% increase from FY 2025 to Fy 2027, and CEC of \$501,700.

#### <u>America 250 – Information Only</u>

Director Buxton discussed the status of the America 250 campaign and shared potential America 250 celebrations IDPR may host in the next year.

#### Theresa Perry's Retirement - Information Only

Director Buxton shared Theresa Perry's career timeline with IDPR. Director Buxton expressed the important role Ms. Perry has played in the agency. Ms. Perry shared positive remarks on her career. Ms. Perry's contributions to IDPR and the citizens of Idaho is appreciated and everyone thanks her for her service and wishes her a wonderful retirement.

#### <u>Director's Report – Information Only</u>

Director Buxton reported on changes in employee compensation, interpretive/educational programs, deferred maintenance, capital projects, trail maintenance and park use, and Foster Families in the State Parks events with the Department of Health and Welfare. Director Buxton gave an update on the meetings she attended this quarter.

#### **Staff Reports**

#### **Development**

Melanie Schuster presented Development's quarterly report. Ms. Schuster provided a list of ARPA and Surplus project tracking sheets.

#### **Fiscal**

Steve Martin gave a brief overview of fiscal's quarterly report.

#### **Human Resources**

Jennifer Quinno-Miller discussed personnel costs increases and the potential for employee compensation increases with CEC and proposed FY 2026 budget.

#### **Management Services**

Adam Zaragoza touched on the city of McCall's annexation of Ponderosa State Park for the utility lines only, the Almo School House, and the Chatcolet Marina projects.

#### **Operations Administrator**

Troy Elmore reported on meetings and projects completed during the quarter.

#### **Recreation Bureau**

David Claycomb reported the Recreation Bureau completed various trainings in preparation for the summer and shared the trail crew has expanded with a cost-sharing agreements with the USFS.

#### **North Region**

David White discussed the North Region's activities and challenges.

#### **South Region**

Theresa Perry discussed the South Region's activities and challenges.

#### **East Region**

Ryan Buffington discussed the East Region's activities and challenges

#### **Old/New Business**

Vice Chairman Roady received a letter from Laura Wolf, Coeur d'Alene resident and IDFG employee, advocating that 60%-80% of all campsites should go to Idaho residents. Director Buxton was pleased to receive such a high compliment from a Idaho Fish and Game employee because of the way we manage our parks. Director Buxton explained that IDPR cannot discriminate based on state of residency due to LWCF funds used to develop parks, other than charging non-residents more in certain circumstances. IDPR is a dedicated funds agency and generating revenue to operate our facilities is a priority.

#### **Public Comment**

None

#### **Executive Session**

At 2:08 P.M. Mr. Cooke motioned that the Board convene in executive session Under authority of Idaho Code 74-206. Executive sessions -- When authorized. (1) An executive session at which members of the public are excluded may be held, but only for the purposes and only in the manner set forth in this section. The motion to go into executive session shall identify the specific subsections of this section that authorize the executive session. There shall be a roll call vote on the motion and the vote shall be recorded in the minutes. An executive session shall be authorized by a two-thirds (2/3) vote of the governing body. An executive session may be held:

- (b) "To consider the evaluation, dismissal or disciplining of or to hear complaints or charges brought against a public officer, employee, staff member or individual agent or public-school student."
- (c) "To acquire an interest in real property not owned by a public agency."
- (f) "To communicate with legal counsel for the public agency to discuss the legal ramifications of and legal options for pending litigation, or controversies not yet being litigated but imminently likely to be litigated. The mere presence of legal counsel at an executive session does not satisfy this requirement." Chairman Beckley seconded the motion. The Vice Chairman called for a roll call vote on the motion.
- Vice Chairman Roady Yes
- Chairman Beckley Yes
- o Board Member Cooke Yes
- Board Member Keating Yes
- Board Member Liddiard Yes
- Board Member Manning Yes

Motion carried. No decisions were made, and the Board ended the executive session at 3:20 P.M.

#### <u>ADJOURN</u>

The meeting was adjourned at approximately 3:30 P.M.

Chairman Brian Beckley
Idaho Parks and Recreation Board

Susan E. Buxton, Director Idaho Department of Parks and Recreation

□ IDAPA RULE	□ IDAPA FEE	<b>⊠BOARD ACTION REQUIRED</b>
☐ BOARD POLICY		NFO ONLY, NO ACTION REQUIRED

AGENDA ITEM
Idaho Parks and Recreation Quarterly Board Meeting
September 16, 2025
Lava Hot Springs Community Center
150 N. Center Street
Lava Hot Springs, ID

AGENDA ITEM: Grant Advisory Committee Appointments

ACTION REQUIRED: Board Action Required

PRESENTER: Kathy Muir, Grant Manager

#### **PRESENTATION**

#### **BACKGROUND INFORMATION:**

The Department has nine (9) citizen advisory committee positions to appoint. Land & Water Conservation Fund Committee positions need to be realigned.

Open Positions include: two Recreational Vehicle Fund positions, two Waterways Improvement Fund position, two Off-Road Motor Vehicle Fund position, and three Recreational Trails Program Fund positions.

Following this agenda item is a summary of the candidates and staff recommendations as well as the application forms from each applicant with pertinent registration information for the equipment the potential applicant owns.

#### **STAFF RECOMMENDATIONS:**

Staff recommends that the Board nominate and appoint committee members to the appropriate committees from the applicant list provided. Staff also recommends current LWCF Committee members' terms be extended to the end of 2026.

The Department has nine (9) citizens advisory committee positions expiring this year.

Positions to be appointed include:

- Two (2) Recreational Vehicle Fund
- Two (2) Waterways Improvement Fund
- Two (2) Off-Road Motor Vehicle Fund
- Three (3) Recreational Trails Program
- Land & Water Conservation Fund request to extend current members and discussion for Board appointed member

#### **Recreational Vehicle Fund Advisory Committee**

IDPR needs to fill the Recreational Vehicle Fund positions for Districts IV and VI. IDPR staff received three (3) applications. The candidates meet the minimum criteria and are eligible for appointment.

#### **District IV**

**John Howard** is the current member eligible for reappointment. John resides in Twin Falls and has been active in OHV and RV activities for 30+ years. He's an avid hunter and fisherman involved in multiple organizations. **Equipment:** 2015 Evergreen Tesla 5<sup>th</sup> Wheel - On File & Current (2025).

#### **District VI**

**KayLyn Lovell** is employed by Bonneville County and has applied for IDPR grants in the past. *Equipment:* 2017 Aspen Trail 30' Trailer. On File & Current (2025).

**George Vander Meer** is an insurance agent who specializes in the campground industry. He's a previous city council member and involved in the county search and rescue. George is also involved with off-road organizations. *Equipment:* 2020 Keystone Raptor Toy Hauler. On File & Current (2025).

#### **Recommendation:**

IDPR staff recommends appointing **John Howard** to District IV and **George Vander Meer** to District VI on the Recreational Vehicle Fund Advisory Committee.

#### Waterways Improvement Fund Advisory Committee

IDPR needs to fill the Waterways Improvement Fund positions for District V and District VI. IDPR staff received two (2) applications. The candidates meet the minimum criteria and are eligible for appointment.

#### **District V**

**Bryan Jorgensen** is a retired law enforcement officer for Bingham County and an avid boater. Because he was a marine deputy, he is very familiar with the waterways in District V. *Equipment:* 1977 Alumaweld Jet Boat - On File & Current (2024).

#### **District VI**

**Kent Bateman** currently serves on the Waterways Improvement Fund Advisory Committee and is applying for a second term. Having served on multiple committees, he's a veteran of this process. Kent has been recreating for 30+ years in not only boating, but ATV/UTV and camping. **Equipment:** 1987 Glastron SSV199 - On File & Current (2025).

#### **Recommendation:**

IDPR staff recommends appointing **Bryan Jorgensen** to District V and reappointing **Kent Bateman** to District VI, on the Waterways Improvement Fund Advisory Committee.

#### Off-Road Motor Vehicle Advisory Committee

IDPR needs to fill the Off-Road Motor Vehicle positions for Districts III & IV (Motorbike/ATV) and Districts III & IV (Snowmobiling). IDPR staff received five (5) applications. Four (4) of the candidates meet the minimum criteria and are eligible for the appointment. One applicant is not from the correct district.

#### District I & II Motorbike/ATV

**Shannon Taylor** is an avid recreationist from Twin Falls who teaches OHV riding courses throughout the summer. He travels all over Idaho to ride new areas. *Equipment:* 2004 Yamaha Kodiak 450; 2019 Can-Am Maverick Trial 1000; 2025 Beta 400 - On File & Current (2025).

**Darron Brown** is an avid recreationist from Twin Falls who has been a safety instructor for 15 years. He has also applied for IDPR grants. He feels law enforcement should be a focus. *Equipment:* 2008 Polaris RXR; 2023 Polaris RZR;2014 Polaris RZR; Honda 4trax ATV; Eton 80 ATV; Yamaha Grizzly 400 ATV – One on File & Current (2025).

**Sierra Posey** is from Jerome and active in many ATV club projects to maintain and improve trails. She feels there should be more user education on good stewardship. *Equipment:* 2024 BETA XTRAINER; 2021 Honda Talon; 2018 KTM SXF 450; 1982 Honda 110 Trail - On File & Current (2025).

Earl F Vicory is from Orofino, which is not in the district we are recruiting for at this time.

#### **District III & IV Snowmobile**

**Rick Dolphus** currently serves on the Off-Road Motor Vehicle Advisory Committee as the District III & IV Snowmobile representative. He has over 40 years of experience riding OHV's. **Equipment:** 2018 Polaris Pro- On File & Current (2025).

#### Recommendation:

IDPR staff recommends appointing **Shannon Taylor** to District III & IV Motorbike/ATV position and reappointing **Rick Dolphus** to District III & IV Snowmobiling position on the Off-Road Motor Vehicle Fund Advisory Committee.

#### Recreational Trails Program Advisory Committee

IDPR needs to fill three (3) Recreational Trails Program for Bicycling, Equestrian, and 4-Wheel Drive. IDPR staff received eight (8) applications. The candidates meet the minimum criteria and are eligible for appointment.

#### **Bicycling**

**Stacey Sorensen** is from Soda Springs and the current bicycling representative on the RTP Committee. She participates in many non-motorized activities and encourages kids to participate as well. Stacey also volunteers for Forest Service maintenance projects.

**Patrick Cusick** is from Boise and a member of the Southwest Idaho Mountain Biking Association (SWIMBA). He has worked for the Forest Service and been involved in trail building and maintenance.

#### **Equestrian**

**Dan Waugh** is from Emmett and works with pack trail crews from across the state. He's a member of the Back Country Horseman of Idaho, the Idaho Horse Council, Idaho Horse Board, and Idaho Recreation Council.

#### **4-Wheel Drive**

**Larry Ballard** is from Pocatello and is the current Idaho State 4x4 Association Director. He's a member of multiple clubs and would like to be involved in ways to encourage people to recreate in Idaho. He owns a 2011 Jeep Grand Cherokee.

**Bruce Hadley** is from Boise and leads the largest Jeep club in the Pacific Northwest. He runs a campaign to raise money for off-road recreation projects and law enforcement support. Bruce owns a 2017 Jeep and two ATV's.

**Nathan White** is from Star and is the president of the High Desert Off Road club. He was previously the Second Director of the Idaho State 4x4 Association. Nathan owns a 1987 and 1993 Jeep.

**Kristina Schmid** is from Kuna and is the Vice President of the Mountain West Recreation Alliance. She advocates for access to full-size trails and works with a variety of recreation users. He owns a 2022 Toyota Tundra.

**Alexandria Lewis** is from Idaho Falls and a founding member of the Mountain West Recreation Alliance. She owns a 2016 Toyota 4-Runner.

#### **Recommendation**:

IDPR staff recommends appointing **Stacy Sorensen** to represent Bicycling, **Dan Waugh** to represent Equestrian, and **Larry Ballard** to represent 4-Wheel Drive. With this recommendation, this committee meets the Board Policy that not more than two individuals service in any one Board District.

### Land & Water Conservation Fund Advisory Committee Current LWCF Committee members include:

- Jennifer Stevens (State/Federal)
- Ted Koch (State/Federal)
- Kaye Orme (State/Federal)
- Dave Prouty (Communities over 5,000 population)
- Wendy Walter (Communities under 5,000 population)
- Tedd Holcomb (Elderly) HAS STEPPED DOWN
- Sherri Boelter (Disabled)
- Shasha Rojas Zaragoza (Minorities) TERM EXPIRES 2027
- Mike Roch (Park Board) NO LONGER ON BOARD

#### Recommendation:

IDPR staff recommends that terms expiring in August 2026 be extended to December 31, 2026, to accommodate the application cycle in that calendar year. Staff also recommends recruiting and appointing the Elderly position and the Board position to secure new members before the next application cycle.

#### Question 1-

I bring a well-rounded perspective and hands-on experience in both trail development and multi-user recreation management. As a founding member of the Mountain West Recreation Alliance, I've collaborated with land managers and agencies across Idaho to plan, fund, and execute sustainable trail projects—including bridge construction, trail signage, and habitat restoration. My work has given me a broad view of the needs and challenges faced by trail users statewide.

In addition to my leadership with MWRA, I currently serve on the boards of the Snake River Trails Alliance and the Targhee National Forest Collaborative, where I advocate for inclusive, sustainable access for diverse user groups, including motorized and non-motorized communities. These roles have deepened my experience in coordination, land use planning, and policy development across public lands.

I'm also a Tread Lightly Master Tread Trainer, which means I actively promote responsible recreation and trail ethics—especially critical as trail use increases across Idaho. I regularly teach principles of environmental stewardship and user etiquette, helping to minimize impact and reduce conflict on shared-use trails.

Finally, as a Wilderness First Responder, I understand the importance of trail safety, access planning, and emergency preparedness—especially in remote backcountry settings. My background uniquely positions me to offer insight on trail maintenance priorities, signage needs, and risk mitigation strategies that benefit all trail users.

Together, these experiences give me a strong foundation to contribute meaningfully to the RTP advisory committee and to help ensure Idaho's trail systems are safe, equitable, and resilient for years to come.

### Question 4-

In my opinion, the Recreational Trails Program (RTP) has made great strides in supporting trail infrastructure across Idaho. However, one area where I see room for improvement is in broadening community engagement and communication across user groups. While the program does a solid job of funding and supporting projects, many groups—especially in rural and underserved areas—aren't always aware of funding opportunities, trail updates, or how to get involved in stewardship efforts.

Additionally, I believe the program could benefit from even stronger inter-agency collaboration and consistency in trail signage, maintenance standards, and multi-use access. As trail usage increases, especially with motorized and mixed-use recreation, clear expectations and education around shared trail etiquette are essential to preventing user conflict and environmental degradation.

Lastly, there is an opportunity to make the application process for grants and partnerships more approachable for grassroots groups. Many local organizations have the passion and manpower to support trail work but may be discouraged by administrative hurdles or lack of technical support when applying for RTP funds.

By focusing on transparency, accessibility, and strategic partnerships, the program can further enhance its impact and help ensure that Idaho's trail systems are inclusive, sustainable, and well-supported for the future.

#### **AGENDA ITEM**

Idaho Parks and Recreation Quarterly Board Meeting September 16, 2025 Lava Hot Springs Community Center 150 N. Center Street Lava Hot Springs, ID

**AGENDA ITEM:** 

Electrical Line Right-of-Way (ROW) easement with Kootenai

**Electric Cooperative for Service to Farragut Group Camp** 

ACTION REQUIRED:

Approve Electrical Right-of-Way agreement

PRESENTER:

Pamela Huck – Real Estate Manager/Contracts Officer

Adam Zaragoza- Management Services Administrator

### **PRESENTATION**

### **BACKGROUND INFORMATION:**

Kootenai Electric has requested a right-of-way across Farragut State Park to install electrical facilities that will provide service to the New Peterson Group Campground, currently being constructed. The proposed right-of-way will consist of lines that will service all campground amenities.

The right-of-way will be located per the survey attached and it is necessary to ensure reliable electrical service for all campsites. Granting this right-of-way does not affect public access to the property and will be subject to standard conditions There is no fiscal impact for granting this right-of-way.

### **STAFF RECOMMENDATIONS:**

Staff recommend the Board authorize the Director to sign the Right-of-Way Agreement to Kootenai Electric, for electrical services for the new Peterson Group Camp area at Farragut State Park

CC: Right of Way Agreement w/Exhibits
General map

SO #: 405666 Farragut State Park- Peterson

### **ELECTRIC LINE RIGHT OF WAY EASEMENT**

KNOWN ALL MEN BY THESE PRESENTS, that the undersigned, **Idaho Department of Parks and Recreation (IDPR)**, an agency organized and existing under the laws of the State of Idaho (hereinafter referred to as the "**Grantor**"), for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, does hereby grant unto **Kootenai Electric Cooperative, Inc.**, an Idaho nonprofit corporation (hereinafter referred to as the "**Cooperative**") whose mailing address is 9014 W. Lancaster Rd., Rathdrum, Idaho, 83858, and to its successors or assigns, an easement and right-of-way upon a portion of the Grantor's real property situated in the County of <u>Kootenai</u>, State of <u>Idaho</u>, Township 53 <u>North</u>, Range 2 <u>West</u>, Section 04, and more particularly described as follows:

SEE **EXHIBIT** "A" attached hereto and incorporated herein by reference (hereinafter referred to as the "Grantor's Property").

Furthermore, the easement area shall be fifteen (15) feet in width, centered over facilities as installed, and as further depicted on the "Easement Area Map" attached hereto as **EXHIBIT** "**B**" and incorporated herein by this reference.

Within the Easement Area, the Cooperative shall have the right to construct, operate and maintain an electric distribution line and/or system on or under the above-described real property; to inspect and make such repairs, changes, alterations, improvements, removals from, substitutions and additions to its facilities as Cooperative may from time to time deem advisable, including, by way of example and not by way of limitation, the right to increase or decrease the number or size of conduits, wires, cables, vaults, splice boxes, connection boxes, poles, transformers and transformer enclosures.

The Cooperative and its authorized contractors shall also have the right to cut, trim and control the growth by machinery, chemical means or otherwise, of trees and shrubbery located within fifteen (15) feet of the center of any said line or system that is located above ground or within seven and a half (7.5 feet) of the center of any said line or system that is located underground, or that may interfere with or threaten to endanger the operation, safety, efficiency, and maintenance of said line or system (including any control of the growth or other vegetation in the right-of-way which may incidentally and necessarily result from the means of control employed); to keep the Easement Area clear of all buildings, structures, or other obstructions; and to license, permit or otherwise agree to the joint use or occupancy of the lines, systems or, if any of said system is placed underground, of the trench and related underground facilities, by any other person, association or corporation.

The Cooperative shall have a general right of ingress and egress over and across Grantor's Property to and from the Easement Area for the purpose of constructing, maintaining, operating, inspecting, patrolling, surveying, repairing, replacing, adding, removing, or modifying the electric line and associated devices.

The undersigned agrees that all of the Cooperative's poles, wires, and all other equipment and facilities of any nature whatsoever, including but not limited to any main service entrance equipment, installed in, upon, or under the above-described real property shall remain as the Cooperative's sole property. All of such property shall be removable at the sole option of the Cooperative. KEC will make reasonable efforts to provide advanced notice to the landowner by phone, interactive voice response ("IVR"), or email prior to any non-emergency work.

The undersigned covenants that it is the owner of the above-described real property and that said real property is free and clear of encumbrances and liens of any nature whatsoever which would in any way frustrate or interfere with the easement rights granted to the Cooperative herein.

Idaho Parks and Recreation Quarterly Board Meeting
September 16, 2025
Lava Hot Springs Community Center
150 N. Center Street
Lava Hot Springs, ID

AGENDA ITEM: Moorage Fee Review

ACTION REQUIRED: Board Action Required

PRESENTER: Seth Hobbs, Reservation and Registration Program Manager

### **PRESENTATION**

### **BACKGROUND INFORMATION:**

In February 2023 the board approved the moorage fees updating the current market rate. These market rate adjustments were the first rate adjustments since 2010 when Board Policy 6090 directed a market rate review every five years. This re-evaluation will put us back on schedule with Board Policy 6090.

Staff conducted a moorage fee review using current use data, demand based upon waiting list numbers, comparable for Idaho marinas (attached), and historical charges and increases. Staff reviewed the information provided, the overall status of the marinas with respect to what was being provided, and challenges/issues with marina use and management.

Moorage fees have not kept up with fair market value of similar marinas and increases in attendance, wages, building material and traffic congestion have further impacted operations. An increase in base fees beyond the annual CPI is required to address these challenges.

### **HEYBURN STATE PARK:**

Over the next two years, Heyburn State Park will have two new marinas. The first is Chatcolet Marina. This new marina will offer 120, 10x25 covered slips and 14, 12x35 uncovered houseboat slips, all having power at each slip and central water available. This marina is scheduled to be completed in 2026.

The second is Rocky Point Marina. It is anticipated to have 116, 10x25 covered slips with power at each slip and central water available. This marina is scheduled to be completed in 2027.

After review, staff recommends setting the initial moorage fee to \$2,950 per slip for Chatcolet and Rocky Point marinas.

### **LUCKY PEAK STATE PARK:**

Lucky Peak State Park is the home of Spring Shores Marina. The marina currently has 3 different size moorage slips with an overall total of 296 slips. There are over 500 names on the waiting list.

Edgewater Resources, LLC was hired to conduct a marina replacement feasibility plan for Lucky Peak State Park and completed the study in February 2020. Part of the research included comparing fees among 12 similar marinas in the region. Results showed private marinas are charging approximately 2-3 times as much as IDPR marinas. The report further states: "IDPR could likely increase rates by 25%-50% and maintain 100% occupancy." (Edgewater Resources LLC page 21)

Number	Slip Size	<b>Estimated Wait</b>	Current	Increase	Proposed
of Slips		List	Fee	Amount	Fee
230	18' Slip (21' registered boat length maximum)	2-3 Years	\$745	\$200	\$945
61	24' Slips (27' registered boat length maximum)	9-11 Years	\$1,050	\$500	\$1,550
5	28' Slips (31' registered boat length maximum)	12+ Years	\$1,452	\$800	\$2,252

### **STAFF RECOMMENDATIONS:**

Staff recommend setting the seasonal moorage rate fee for Heyburn State Parks Chatcolet and Rocky Point Marinas at \$2,950 per slip.

Staff recommend setting the seasonal moorage market rate fee for Lucky Peak State Park, Spring Shores Marina to \$945 for the 18-foot slips; \$1,550 for the 24-foot slips; and \$2,252 for the 28-foot slips.

### August 22, 2025

Nate Blackburn Heyburn State Park Administration Idaho Department of Parks and Recreation

### Re: Opposition to Proposed Boat Slip Lottery and Support for Current Wait List System

Dear Mr. Blackburn and Heyburn State Park Officials,

We write as concerned community members regarding the Idaho Department of Parks and Recreation's (IDPR) consideration of implementing a lottery system for future boat slip assignments at Heyburn State Park.

### **The Current System Works**

For many years, the existing wait list system has served Heyburn State Park and its community well. It is widely recognized as a transparent and equitable method—consistent with practices across state and national parks, Idaho marinas, and marinas throughout the U.S. Our research confirms that wait lists are the most common and effective method for allocating boat slips.

At Heyburn, this system is respected and accepted: individuals join the list, wait their turn, and are eventually offered a slip. Once assigned, a lessee can renew their slip annually—providing predictability and reward for the wait. Importantly, this system has not resulted in unreasonably long wait times, and no substantial issues or complaints have been raised. In short, the current approach is working—so why change it?

### The Promise to Current Lessees

IDPR leadership has made clear—most recently at the February 2025 Board meeting—that former boat garage and boat slip lessees will be given a right of first refusal to secure a slip in the new marina. This commitment was integral to the plan for removing boat garages and modifying the marina. Therefore, any lottery would only apply to new applicants—not existing lessees or current wait list members.

We understand that the current wait list is shorter than the number of available slips, meaning the demand does not exceed the supply. As such, a lottery system is not only unnecessary—it's counterproductive.

### The Unique Needs of Heyburn Cabin Owners

Heyburn is unique among Idaho's state parks due to the presence of approximately 170 waterfront cabins, many of which rely on boats for regular access. Float home owners, in particular, cannot drive to their cabins and use slips for essential access and transport.

Switching from a wait list to a lottery introduces uncertainty and disruption for those who depend on moorage as a functional necessity—not just for recreation. This shift would likely lead to:

- Increased congestion in the parking and launch areas
- Insufficient trailer parking
- Overuse of boat launches
- Additional administrative burdens for park staff

These operational complications would arise despite the absence of any underlying problem with the current system.

### **Operational Burden of a Lottery**

A lottery system would create significant additional workload for park staff, who are already stretched thin. Unlike the current system, which allows for incremental lease renewals, a lottery would require annual reassignment of all 250+ slips—effectively resetting the system every year.

This means more lease transitions, more customer service issues, more administrative coordination, and greater confusion for both staff and users. In contrast, the wait list system offers consistency and efficiency without unnecessary strain on resources.

### **Instability for Boat Owners**

A lottery would introduce uncertainty for current and future users. Without a guaranteed slip year to year, cabin owners are left with difficult questions:

- Should we purchase a boat without assurance of moorage?
- Where can we store our boat if we lose our slip?
- Will there be enough launch and trailer parking for dozens of displaced boats?

Given that current infrastructure already struggles with parking, this would lead to chaos, especially during peak season.

### **Honoring Past Commitments & Preserving Fairness**

At the February 2025 Board meeting, IDPR Director Susan Buxton clearly stated that all former garage and slip lessees would be offered slips in the new marina. There was no mention of this being a one-year offer. To introduce a lottery after just a few years would undermine the spirit of those commitments and create frustration among long-standing community supporters.

### A Practical Path Forward

We respectfully propose the following course of action:

- 1. **Honor Commitments**: Offer boat slips to all former garage and slip lessees, as previously promised.
- 2. **Annual Renewal Rights**: Allow these lessees to renew annually via right of first refusal.
- 3. Clear the Wait List: Offer remaining slips to individuals on the existing wait list in order of their placement.
- 4. **Restart the Wait List**: Once cleared, reestablish a new wait list on a first-come, first-served basis.
- 5. **Ongoing Renewal Rights**: Allow any slip holder to renew annually. If declined, offer the slip to the next person on the list.
- 6. **Maintain Status Quo**: Continue the proven, low-conflict system that has served Heyburn so well.

This approach is fair, functional, and aligns with industry standards. It minimizes administrative burden, preserves the park's operational integrity, and honors commitments already made by IDPR leadership.

We appreciate your time and thoughtful consideration. Thank you for continuing to support the needs of the Heyburn State Park community.

Sincerely,

**Heyburn Leaseholders Association**

# AGENDA ITEM Idaho Parks and Recreation Quarterly Board Meeting September 16, 2025 Lava Hot Springs Community Center

150 N. Center Street Lava Hot Springs, ID

AGENDA ITEM: November Meeting Date & Locations

ACTION REQUIRED: Board Action Required

PRESENTER: Teresa Kraipowich, Executive Assistant

### **PRESENTATION**

### **BACKGROUND INFORMATION:**

The Board has historically set the upcoming November meeting dates and locations in October 2024. Attached is a list of suggested meeting locations based on development projects at nearby parks as well as past Board meeting locations. Staff are proposing to change locations.

### **STAFF RECOMMENDATIONS:**

Staff recommends the Board consider changing the November 2025 meeting location and dates from the (3<sup>rd</sup> and 4<sup>th</sup>) to the 4<sup>th</sup> and 5<sup>th</sup> and change the location from Almo, Idaho to Salmon, Idaho.

### **IDPR 2025 PROPOSED BOARD MEETING MONTHS & LOCATIONS**

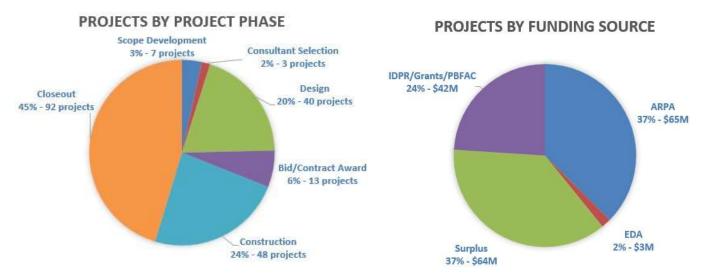

November 4 – 5, 2025	Move to	Salmon, Idaho

# April – May - June 2025 DEVELOPMENT BUREAU

Bureau Chief - Melanie Schuster

### **GENERAL UPDATE**

The Development Bureau is currently managing 203 active projects totaling over \$174 million. The charts below illustrate where projects currently are in the development process by project phase and funding source. While we are busy with multiple large-scale projects using ARPA and Surplus funding we are still getting smaller, also important projects taken care of. Design is proceeding on erosion control at Lucky Peak Discovery Park to allow a safe and accessible way for people to access the water to paddle board, kayak, and play with their dogs. The design will allow for two different access points as well as an accessible kayak dock. On the Trail of the Coeur d'Alenes we have just completed the installation of solar powered flashing pedestrian crossing signals at five locations to increase cyclist and pedestrian safety.

While a smaller park, Round Lake has a lot going on right now. Eagerly awaited construction has started on the two Treehouse Cabins as well as multiple infrastructure projects. Projects include electrical infrastructure upgrades to install transfer switches and new backup generators as well as water system upgrades. The campground is also being upgraded with work already done to enhance individual campsites with utility upgrades coming this fall. Also in the works is a partnership with IDL to install two walk-in cabins on IDL property which will provide a new secluded camping experience. Currently everyone in the Development Bureau is on deck full speed ahead to get through the busy summer construction season with many more construction projects to start after Labor Day.

### NORTH REGION

### **Project Number and Name**

Status

310132 - Priest Lake Replace Group Camp RR/Shower Building

Construction A Design-Build team was selected to deliver the

project in combination with the

Lionhead Entrance Station project. Construction is scheduled to start after Labor Day weekend. Vault Toilets have been installed at the Lionhead Campground and at the Group Camp as well as the new septic system for the host site at Lionhead Campground. ADA Parking for the vault toilet in the Lionhead campground is complete.

310141 – Priest Lake Lionhead Entrance Station Construction See project 310132.

3101242 – Priest Lake Campground and ADA Improvements (Surplus) Project is complete and in the closeout process.

Close Out

3101243 - Priest Lake New Day Use Areas (ARPA)

Eight new day use sites including ADA accessible sites were completed in May 2024. Project is in the close out process.

Troject is in the close out process.

Close Out

3101244 - Priest Lake Bunk House Repairs (Surplus)

The deteriorating deck was removed and replaced with a new concrete slab and access stairs. The project was completed in May 2024 and is in the close out process.

Close Out

310321 - Round Lake Campground Improvements

The project is underway with a Design-Build team. Defined camping pads have been installed in the lower loop (Sites 8-24). Parking spurs in the upper loop will be realigned as needed and camping pads will be installed when utilities are installed to those campsites in Fall 2025. See project 310332 for additional information.

Construction

310332 - Round Lake Electric & Water Upgrades

Design is complete and reviewed by DEQ. Electric and water will be provided to

sites 1, 2, 3, 5, 7, and 40-51. Construction will start fall 2025.

Bidding

### 310333 - Round Lake Treehouses (ARPA)

Construction

The project is underway with a Design-Build team including Nelson Treehouse. Construction of two new treehouses has started and is expected to be complete by Spring 2026.

Round Lake Treehouses

### 310341 – Round Lake Reroof Park Residence

Close Out

Project is complete. Roof replaced, heat tape added to roof, and additional insulation blown into the attic. Project is in the close out process.

### 3103242 - Round Lake Backup Generators

Construction

Design complete and generators have been ordered. Two generators have been installed and third will be installed this fall.

### ${\tt 3103243-Round\ Lake\ Equipment\ Building\ Replacement.}$

Close Out

Construction has been completed and the project is in the close out process.

### 3103244 - Round Lake Well Upgrades

Design

The pump has been replaced with the rest of the water system in design.

Project	Number	and N	ame
1101666	Number	anu n	anıc

**Status** 

### 3103251 - IDL Cabins (ORFAC-ARPA)

Design

The cabins will be tiny houses on wheels due to permitting agency restrictions. Working with designer for layout. Electric and road work will occur in Spring 2026 with cabin installation following.

310412 - Trail of CDA Land Acquisition & Construct Maintenance Shop Project is complete and the park has moved into the shop and duplex.

Close Out

3103243 - Round Lake Equipment Building Replacement.

Close Out

Construction has been completed and the project is in the close out process.

3103244 - Round Lake Well Upgrades

Design

The pump has been replaced with the rest of the water system in design.

3103251 - IDL Cabins (ORFAC-ARPA)

Design

The cabins will be tiny houses on wheels due to permitting agency restrictions. Working with designer for layout. Electric and road work will occur in Spring 2026 with cabin installation following.

310412 - Trail of CDA Land Acquisition & Construct Maintenance Shop Project is complete and the park has moved into the shop and duplex.

Close Out

310413 - Trail of CDA Bike-In Campsites (ARPA)

Construction

Construction of the campground is nearly complete. Paving will occur in late August and the project will be completed in Fall 2025.

310414 - Trail of CDA SurveyTrail Boundaries (Surplus)

Design

The surveyor is under contract to survey the trail heading west from the shop ten miles to the county line. Survey has been received for review.

3104241 - Trail of CDA Install Crosswalk Indicator Signs Project is complete and in the close out process.

Close out

**TOC Crosswalk Indicators** 

3104251 – Trail of CDA Replace Trailhead Posts & Chains The project is complete and pending closeout.

Close Out

310531 - Farragut Peterson Campground (ARPA)

Construction

Contractor has installed water and sewer infrastructure; and cabin, shelter, and shower house construction is ongoing. If weather cooperates, paving should occur in late fall. Construction is expected to be completed in winter 2025/2026.

Peterson Campground Restroom/Shower Building

310532 – Farragut Buttonhook Bay Infrastructure Improvement (Surplus) Design The Design-Build team has completed the programming phase. Design work is complete and fabrication has begun for the marine work projects: repairing the Eagle Cove Breakwater, Buttonhook Bay dock, and replacement of the gangways and piers at Higgens Point. Road construction for Eagle Cove Boat Launch will begin Fall 2025.

310541 - Farragut Connect VC & Brig to Fiber Optic

Construction

Due to extremely high monthly costs for fiber service the park has opted to procure Starlink to provide internet service to the Brig and Shop. Equipment is being purchased.

310542 – Farragut Staff Housing 2 Remodel Project is complete and in the closeout phase.

Close Out

3105251 – Farragut Roundabout Design is 95% complete.

Design

Project Number and Name	Status
310611 – Old Mission Church Porch Repair, Path Repair & Lift Replacement Construction has been completed, and the project is in closeout.	Close Out
3106251 – Old Mission Security Camera Upgrades Project completed and ready to close out.	Close Out
310731- Mowry New Campground (ARPA) Construction of staff duplex and new well has started. Work on the new campground will start in August and work on the Mowry house will start as soon as the staff duplex is complete. Road to future staff housing is cleared and home site cleared.	Construction
310741 – Mowry House Siding and Foundation Repairs See project 310731	Design
310816 – Heyburn Lodge Remodel (Surplus & ARPA) Interior and exterior construction complete. Working through permitting issues with IDOPL and ongoing bat mitigation.	Construction
310824 – Heyburn Rocky Point Fuel Dispenser Replacement The project will be incorporated into the marina replacement project. The fueling station will be moved to the Chatcolet Marina. Design is complete and the new pad for the tank has been installed.	Construction
310831 – Heyburn Wastewater Facility Repairs (ARPA) Construction of the nine lift stations is now complete. Rock filters have been installed for Storage Ponds 1 and 2. Modifications to the headworks building are complete. Design for repairs to the transfer pump facility will be completed Fall 2025 and construction is expected to begin Winter 2025.	Construction
310832 – Heyburn Rocky Point Dock Replacement (ARPA) 95% design drawings are complete, and the Rocky Point Boat garages have been removed. Rocky Point Marina will be constructed in 2026.	Design
3108242 – Heyburn Plummer Creek Pedestrian Bridge Removal (Surplus) Project complete. The bridge has been removed and the site restored.	Close Out
3108251 – Heyburn Rocky Point Staff House Reroof (Surplus) Reroof has been completed and the project is in closeout.	Close Out

### 3108243 - Heyburn Replace Chatcolet Docks (ARPA)

Construction

Design is complete, and construction has started. Plate anchors for the new breakwater are installed, the new docks and breakwater are being manufactured, infrastructure work for the new parking lot is almost complete, and the parking lot is expected to be paved in September. The new marina will be completed in Spring 2026.

Replacing Chatcolet Docks

DPW 23833 – Heyburn Rocky Point Cottage Upgrades North Region DPW Deferred Maintenance Design Build team are gathering bids for Electrical, plumbing and HVAC upgrades. **Bidding** 

DPW 26542 – Heyburn SP Rocky Point Shoreline ADA Access Working with DPW to define scope for project delivery and design.

Scoping

3109251 – CDA Parkway Higgens Point Dock Improvements (Surplus) The dock work will be included in the Farragut Improvements project. The design is complete and fabrication has begun.

Construction

320181- McCroskey Redtail Primitive Campground& Shelters

Design Design is complete. University of Idaho has presented their findings regarding site impact and public opinion. Project on hold. Waiting for input from park before proceeding.

320141- McCroskey Develop Group Shelter, Toilet, Parking See Project 320181.

Design

300040 – North Region Vault Toilets (ARPA) New CXT's have been installed and clean-up work will be finished in the spring. Construction

320215 – Dworshak Replace Freeman Creek Water Lines (ARPA)

Construction

 $Construction \ of \ the \ waterline \ is \ complete \ and \ hydroseeding \ will \ be \ done \ in \ September.$ 

320233 – Dworshak Surface Water Intake Replacement (Surplus) The Preliminary Engineering report (PER) has been approved by DEQ. Final design is complete. Waiting Army Corp approval.

Design

320242 - Dworshak Big Eddy VC Deck Replacement (Surplus)

Closeout

Project is complete. Engineering and DOPL have made their final inspections. Project is in the close out process.

Dworshak Big Eddy VC Deck Replacement (Surplus)

3202243 - Dworshak Wastewater Upgrades

Design

The Design-Build team is proceeding with wastewater system evaluation and recommendations for Freeman Creek and Three Meadows. The evaluation is waiting for USACE test pit approval.

3202244 – Dworshak Volunteer Site Expansion (Surplus) The design is complete and we are awaiting USACE approval.

Design

3202245 – Dworshak Drift Creek Culvert Repair (Surplus)
The project was completed in January 2025 and is in the close out process.

Close Out

320321 – Hells Gate Sewer System & Facility Upgrade

Design

The Design-Build team is proceeding with non-ground disturbing activities while the design has been finalized and submitted to DEQ and USACE. USACE permit has been submitted, and we are waiting for approval.

350333 – Bear Lake East Beach Renovation (ARPA) Construction is underway with early winter 2025 anticipated completion.	Construction
3503241 – Bear Lake N. Beach Boat Ramp Replacement The design phase is at 90% to repair the boat ramp and improve the circulation.	Design

3503243 – Bear Lake Insurance Replacement Vault Toilet Close Out The project is complete and in close out. We were able to save the other vault toilet and place it down the parking lot and install a new vault next to the Boat Ramp.

3503244 – Bear Lake North Beach Dock Repair Construction Repairs are under way and will be completed Fall 2025.

3503251 – Bear Lake Permanent Staff Housing

An initial concept has been proposed for a duplex to be built behind the shop and Visitor

Center. Anticipated construction is Spring/Summer 2026.

360102 – Harriman Scovel Center Winterization Construction Grading is complete; decking is 100% installed with winter grates and pier caps have been finished. New HVAC has been installed and is functioning well. Fire suppression repairs being installed. Remaining HVAC units being installed August 2025.

360131 – Harriman Historic Ranch Office Rehabilitation

Project is under construction. Reroof, log repair, deck, and painting have been completed. Work is mostly complete on the interior with remaining work including bathroom windows and tile work.

Harriman Historic Ranch Office Rehabilitation

### 360132 - Harriman Water & Septic System Upgrades (ARPA)

Construction

The Contractor is on site, and the project is underway. Water service valves and stop and waste valves have been installed at the Railroad Ranch houses. New sewer line is installed from Honeymoon Hotel to the Scovel Center and to the new tanks and LSAS system. Wells have been drilled and well houses are being built. LSAS system is being installed.

Harriman Water & Septic Upgrades LSAL Control Building

### 360133 - Harriman Fishpond Campground (Surplus)

Scope Development

Due to the time needed to analyze the area and coordinate with outside agencies this project will be transitioned from ARPA funding to Surplus funding.

### 360134 – Harriman Historic Reroofs (Surplus)

Close Out

All reroofs have been completed. Additional bat boxes have been installed to help keep bats out of the newly cleaned and sealed buildings. Chimney repairs and structural upgrade have been completed. The project is in closeout.

### 360135 – Harriman HVAC Upgrades (Surplus)

Close Out

The project will remove existing underground oil tanks and replace HVAC systems with propane. Construction has been completed and in the closeout phase.

#### **AGENDA ITEM**

Idaho Park and Recreation Board Quarterly Meeting September 16 – 17, 2025 Lava Hot Springs Community Center 150 N. Center Street Lava Hot Springs, ID 83246

AGENDA ITEM: FY 2025 4th Quarter Financial Reports

**ACTION REQUIRED: Information Only** 

PRESENTER: Steve Martin

### **PRESENTATION**

Attached are the year-end financial reports for fiscal year (FY) 2025. The transition to Luma continues to impact our financial reporting but we have made every effort to show accurate comparisons to prior fiscal year(s). The information presented reflects our best effort to show our customary reports including an overview of the department's revenues, expenditures, and cash balances along with a summary of the Passport Program. Additionally for this quarter, I have included the Budget Form B-12 that was prepared as part of our FY 2027 budget request. It encompasses detailed cash flow statements and projections for all our funds.

- Page 2 FY 2025 Financial Statement / Budget Status as of 06/30/2025
- Pages 3-6 FY 2025 Y-T-D Park Operations Revenues / Expenditures
- Page 7 FY 2025 Cash Balances as of 06/30/2025
- Page 8 FY 2025 Y-T-D Passport Program Revenue
- Appendix FY 2027 Budget Form B-12

Park revenue ended the year up very slightly at \$81,600 (0.5%) versus FY 2024. Considering all the significant disruptions; Brandt implementation, price increases, and construction closures and delays to name a few, this is very positive outcome.

Passport revenue is up \$364,000 (8.1%) versus FY 2024, slightly exceeding budgeted projections.

Year-to-date expenditures are up consistent with increases in our budget appropriation. Overall, our ongoing base budget for personnel and operating costs is \$1.2 million (5.5%) higher than FY 2024. Additionally, there are significant one-time capital outlay expenditures in the east region for their maintenance crew.

### STAFF RECOMMENDATIONS

This item is for information only.

# Human Resources Report September 2025 Board Meeting

# <u> Jennifer Quinno-Miller – Human Resource Officer</u>

We began this year with five (5) new positions approved in the FY26 budget request. Thanks to early planning, all positions were created, recruited, and are now filled.

# New Human Resource Business Partner I – Jeremy Trent

Our team recently welcomed **Jeremy Trent**, Human Resource Business Partner I, to fill our vacant team position. Jeremy joins us from the Department of Environmental Quality, where he was already performing many of the responsibilities aligned with this role. Because of his prior experience, he has been able to hit the ground running and has quickly become a valuable and productive member of the team. Jeremy's primary focus areas will include payroll, managing all front-line communications (HR email and phone line), employee onboarding and offboarding, Luma actions and entries, and a variety of additional HR duties. He is a strong fit for our team, and we are already enjoying working with him. Welcome, Jeremy!

# **Employee Engagement Survey**

The State recently launched its second annual employee engagement survey, and we are just beginning to review the results. Participation this year was outstanding and our response rate increased from 71% last year to 85% this year. Despite summer being our busiest season, 151 staff members completed the survey and provided valuable feedback for the agency. From here, the leadership team will analyze the results and develop an action plan of initiatives based on the feedback received. This survey continues to be an excellent tool for gaining employee insights and provides the critical data needed to shape meaningful goals and improvements.

# Lupe Arteaga - HR Business Partner III

Below are the recent hires made. You will notice that some employees are highlighted in different colors. This is to emphasize the mobility within our agency, illustrating that commitment and dedication to IDPR can lead to growth opportunities, whether through seasonal or permanent roles.

Those highlighted in yellow are seasonal employees who were promoted to permanent, classified positions.

Those highlighted in green are permanent, classified employees promoted to other positions. Those highlighted in blue are permanent, classified employees who laterally transferred or accepted a voluntary demotion to other locations.

# Patricia Hendrickson, Volunteer Services Coordinator

The volunteer program has onboarded 236 host volunteers for the 2025 season and we currently have only 8 unfilled positions, all because of early departures.

In our recruitment efforts, the volunteer program continues to effectively utilize our partnership with workcamper.com and the fantastic relationships the parks have fostered with past volunteers and via use of social media to increase our ranks continues to make volunteerism an unmatched asset to IDPR.

- In 2024 2,103 volunteers contributed 74,105 hours to IDPR services and projects
- According to independent sector.org, the 2024 monetary value per hour for volunteers in Idaho was \$32.48, making the total economic value of our volunteer hours \$2,406,930 for 2024.
- We currently have had 607 volunteers commit 30,233 reported hours so far for the 2025 season, while more time sheets continue to come in every day.

# **Workcamper.com Promoting IDPR Volunteer Program**

Because of the success of our volunteer program, Workamper.com approached us for an exclusive article highlighting volunteering with IDPR. The feature helped generate excitement and boost recruitment efforts. Following that, I, along with two of our volunteers, participated in a podcast where we shared positive, firsthand experiences about the quality of our program.

The Workcamper.com podcast can be found here: <u>In Episode 342, learn about opportunities with Idaho</u> State Parks and Recreation - The Workamper Show Podcast

# **Smartsheets Digital Paperwork Automation**

The volunteer program has introduced a streamlined online form to modernize onboarding. This tool has proven effective in ensuring accurate information collection while making the process easy for volunteers to use. Feedback has been overwhelmingly positive.

As always, the Volunteer Services Office continues to provide numerous contacts for individuals seeking more information about volunteering with IDPR. This has led to many positive placements that volunteers are excited to undertake, and many are already inquiring about opportunities for 2026.

## **Park Volunteer Highlights**

# **Lucky Peak**

We had a group of moorage customers that came out before the annual moorage meeting to "Spruce up Spring Shores" for the season! They planted flowers, weeded, and cleaned up the walkways.

We also were visited by a class that is centered around service learning for students that come from a disadvantaged background. The class weeded a large hillside in the Discovery unit and then planted native plants.

## **Eagle Island**

We have the first ever Eagle Island Invitational cross-country event coming up on Sept 19-20, during which 2500 runners and spectators are expected to visit the park. There will be 50-100 volunteers working this event. Our campground also opens August 28<sup>th</sup>, and we will have our first ever campground host working in the park (Cathi Wilson)!

# Communications Report September 2025 Quarterly Board Meeting Susan Buxton, Director

The Communications Manager took a leave of absence at the end of May. Multiple staff members took on additional roles to manage public record requests, media inquiries, website updates, press releases, social media, and supporting IDPR staff with communication needs.

#### Social Media

Park staff currently manage their own park-specific social media pages. However, there is a growing need for additional support in areas such as content creation, social media strategy development, and training resources. With numerous development projects underway across the parks, enhanced public communication is essential. To improve public awareness, collaboration has begun between park staff, construction managers, and IDPR Communications Team to share updates on current construction projects. To support these efforts, a seasonal communications specialist was hired at the end of June.

#### Website

The Information Technology Services (ITS) team has launched a new website for IDPR that aligns with ADA accessibility standards. This redesign is part of an ongoing process, with IDPR staff working closely alongside ITS to refine functionality. A new workflow is also in development to enable park and recreation staff to independently update their events and park-specific news, allowing for more timely and efficient public communication.

# Media Relations/Press Releases

In alignment with the Governor's Office directives, all media interviews and press releases require prior approval before any commitments or distribution. The Communications Team is actively coordinating with the Governor's Office to ensure this approval process runs smoothly and in compliance with established protocols.

# **Interpretation Team**

The Interpretation Team continues to partner with the Friends of IDPR to acquire educational materials for youth programs through available grant funding. Interpretive rangers have remained active in delivering educational programming and hosting events across the park system, further enhancing visitor engagement and learning opportunities.

# RESERVATION & REGISTRATION (R&R) PROGRAM QUARTERLY REPORT April – May – June '25

# RESERVATION & REGISTRATION PROGRAM – SETH HOBBS

# Mission

The R&R program proudly supports IDPR's customers. The program's scope of responsibility includes oversight of IDPR's camping resources, statewide retail sales, including permits, and the department's recreational registration program for snowmobiles, boats, and off-highway vehicles. The program also distributes registration funds to communities and other agencies statewide to develop and maintain trails, facilities, and programs for motorized recreation.

# Reservation Memorial Day - Labor Day, Year-Over-Year Comparison

IDPR saw a 5.18% decrease in number of reservations made during the peak-season of 2025 from the same period last year. This resulted in 9,614 fewer camping nights stayed, a reduction of 7.34%.

Between 2024 and 2025, our largest decrease in camping nights came from domestic non-residents, accounting for 6,787 fewer camping nights, a reduction of 13.49%. This was followed closely with international non-residents accounting for 3,641 fewer camping nights, a reduction of 65.43%. Our resident camping nights increased slightly by 814 camping nights, an increase of 1.08%.

# Reservation Breakdown, Memorial Day-Labor Day

Reservations Total		YoY % Change	Camping Nights Total	YoY % Change
2021	56,556	N/A	139,258	N/A
2022	51,641	8.69%	129,342	7.12%
2023	53,738	4.06%	135,011	4.38%
2024	51,306	4.52%	130,839	3.09%
2025	48,648	5.18%	121,225	7.34%

	Reservations					
	Resident	YoY % Change	Nonresident	YoY % Change	International	YoY % Change
2021	27,485	N/A	29,025	N/A	46	N/A
2022	27,839	1.28%	22,662	21.92%	1,140	2378.26%

2023	29,814	7.09%	22,393	1.18%	1,531	34.29%
2024	28,575	4.15%	20,828	6.98%	1,903	24.29%
2025	29,730	4.04%	18,276	12.25%	642	66.26%

Camping Nights						
	Resident	YoY % Change	Nonresident	YoY % Change	International	% Change
2021	68,878	N/A	70,271	N/A	109	N/A
2022	71,595	3.94%	53,983	23.17%	3,764	3353.21%
2023	76,532	6.89%	53,812	0.31%	4,667	23.99%
2024	74,984	2.02%	50,291	6.54%	5,564	19.22%
2025	75,798	1.08%	43,504	13.49%	1,923	65.43%

# **Impacts on Reservations for 2025**

Impacts on reservations this year include new reservation system implementation, price increases, Harriman State Park closures for water and sewer upgrades. Dworshak State Park electric loops closed for maintenance upgrades. Heyburn State Park construction closed Chatcolet boat ramp and noise interference at campground. Thousand Springs campground opening 50 sites; Eagle Island campground opening 50 sites. Eagle Island sites opened on August 28<sup>th</sup>, allowing five days in the reporting period.

# **Recreational Management System Conversion**

R&R staff continue to work with our new contractor to resolve system issues. Working to refine the product is occupying a majority or our staff time.

# **Group Camp Lottery**

IDPR held a lottery for three group camp sites for the 2025 season. These sites were Lionhead Group camp at Priest Lake State Park and Group Camp 100 and 101 at Bear Lakes State Park. This was done to give customers a fair chance of obtaining a reservation during our peak season at our most popular group camps. Below are the process and results.

# **Application Process:**

- Customers applied online
- Customers could apply as many times as they wanted
- One location per application.
- Provided a first choice and a second choice

- o Decided to let customers pick their dates instead of going with a fixed date range.
- o Application period was open for about a month.
- Decided to have a 7 night maximum instead of the standard 14 night.

# Results:

## · Lionhead:

- o 22 successful applicants
- o 235 unsuccessful applications
- o 23 customers applied with between 2 and 8 applications.

## Bear Lake 100

- o 19 successful applicants
- o 53 unsuccessful applications
- o 2 customers applied with 2 and 6 applications

# • Bear Lake 101

- o 17 successful applicants
- o 36 unsuccessful applications
- o 3 customers applied with between 2 and 6 applications

# Lessons Learned:

# Consider doing fixed dates and only 1 round of selections.

- With customer given date ranges, there was a lot of time spent checking availability for each customer and then having to contact customers to fill gaps.
- Have 1 application per location instead of by site.
  - o For Bear Lake 100 and Bear Lake 101 many customers applied to both and while selecting winners we had to determine if they wanted both or just a single location
- **Encourage groups to have 1 customer apply multiple times.** 
  - o When contacting customers, we were often calling multiple people in the same group.
- Have the window open as early as possible in the season.
  - o Customers were booking spots at the campground to "have a spot", taking up spots for other customers.

# Peak Season Occupancy, Year-Over-Year, Memorial Day - Labor Day

# NATURAL RESOURCE MANAGEMENT PROGRAM – KEITH JONES

# Mission

Help protect and enhance the natural resources of Idaho State Parks.

# **Goals**

- Assist parks with forest and/or land management activities that promote resource health and safety, while meeting the objectives of the park.
- Assist parks with weed control efforts.
- Help parks with wildfire hazard mitigation.
- Develop a working network with natural resource professionals, partner agencies, and organizations that will benefit IDPR.

# **Quarterly Program Report**

- Setting up a minor maintenance project to finish clean-up of logging debris and stumps in the Lionhead unit at Priest Lake state Park. This project removed 90% of the decadent and rotting overstory in the campground and around the shop that posed a significant risk to visitors and staff.
- Working with Harriman Park management and the grazing contractor for the Sheridan unit at Harriman State Park to improve the grazing lease on the unit, to include enhancing forage and habitat on the site.
- Met with staff at Ponderosa state Park and the USFS fuels manager to explore potential forest service funding opportunities for hazard fuels reduction / forest restoration work at the park.
- Working with IDL to set up a timber sale at Heyburn State Park to address an
  overstocked and overmature stand that is exhibiting extensive root rot. This
  will be a 125-acre project to improve stand resilience and durability, removing
  root rot susceptible species and freeing up resources favoring the Larch,
  Ponderosa Pine and Western white pine on the site.
- Completed and extensive herbicide treatment at Eagle Island State Park to address the proliferation of Poison hemlock. We plan to release biological controls (bugs) next spring to help slow the spread of several other particularly invasive terrestrial species in the park.
- Working with development and Farragut Park staff to set up a timber sale to remove trees for the Hwy 54 crossing project and new central entrance footprint into the Park.
- Continuing to work with Ponderosa state park staff on updating the natural resource management project planning in the park for the next decade.

- Update for the Ponderosa pine restoration project in Ponderosa State Park: Residual slash piles will be burned next fall ('25) by Park staff, and sub merchantable Grand fir will be cut and excessive in woods slash will be piled this spring with money from a grant from IDL. This project addressed the overstocked and grand fir dominated stand to the north of the water tower. This project treated approximately 65 acres with the same prescription as the adjacent MeadowMarsh II sale in the park, removing most of the shade tolerant Grand fir, and restoring the stand to its historic, pre fire suppressed stand composition of Ponderosa Pine, Larch, and Douglas fir.
- Working with Dworshak State Park staff and the ACOE to address creating fuel breaks, defensible space, and road clearance in and around the Freeman Creek unit. We will also put together a vegetation management plan for the Three Meadows unit in the park.
- In cooperation with IDL, IDFG, and Winchester Lake state park staff, we are continuing to conduct hazard fuel treatments along the trail system and pre commercial thinning in previously treated stands in the park to facilitate prescribed fire projects this fall.
- This fall, park staff and I will be burning slash piles from a forest resilience project at Farragut. In addition to addressing density concerns, this project helped to facilitate the new forestry contest stations and open a new day use opportunity for Farragut State Park. The project removed approximately 500,000 board feet of overstocked mostly shade tolerant trees, creating a more open stand that will support seral species in a less competitive environment, promoting vigor and resilience of the remaining trees.
- Continue working with the Parks to create their top five natural resource project priorities. This will be in alignment with the development process and will help maximize collaboration, identify, and allocate potential alternative funding sources for projects, minimize any duplication of efforts, and create complete projects that are turnkey for the Parks and public to enjoy (from design/construction to restoration and re vegetation).
- I was asked to be a member on the Idaho Emerald Ash Borer (EAB) preparedness committee. This committee will is tasked with creating the Idaho EAB response plan.
- Facilitated the first virtual meeting of the IDPR training committee.

# **Summer is Survey Season**

This summer the Parks and Recreation Lab took the show on the road. Dr. Zajchowski supported the **Harriman State Park** Trail Design and Operations project through coordinating and intern wrangling an on-site survey conducted by Washington & Lee University, Friends of Harriman State Park, and Idaho Master Naturalists. Big thanks to Jess, Joe, and Kyle for supporting this work and project leadership from Brett at CRO Planning and Design.

Brey, Natalia, Nate, and Dr. Zajchowski sampled on the USGS Salmon River Basin project at Idaho, Valley, Lemhi, and Custer County Fairs, as well as events in Riggins, Stanley, and Yellowpine. This project is funded by the U.S. Geological Survey and designed to understand how and where residents' and visitors' value natural resources in the Basin.

Five University of Idaho students from Dr. Zajchowski's NRS 385 course found gainful employment at Coeur d'Alene Old Mission, Round Lake, and Farragut State Park. As Olivia Howell '25, shared, "I'm absolutely loving it [working at Round Lake State Park]! SO much fun. Insane I'm getting paid to be here. And they taught me how to use a chainsaw, highlight of the job for sure." Sounds like an employee we should keep around.

# **Initiatives**

#### Life After Graduation...

Jacqueline Snow and
Anna Medlin, the first two
IDPR affiliated graduate
students, have landed
well. Jacqueline works in
communications for
Schweitzer Engineering
Labs, and Anna as
naturalist at Kona Cloud
Forest Sanctuary. Be sure
to book a tour with Anna
on your next Hawaiian
vacation.

# Outdoor Recreation and Leadership Certificate

College of Natural Resources is partnering with College of Education, Health, and Human Sciences (CEHHS) to create an interdisciplinary outdoor recreation certificate. The goal is to improve undergraduate education in recreation and respond to CEHHS' shift toward a sport focus. We're glad to partner with them to re-invest in recreation coursework at University of Idaho.

# **Outdoor Innovations**

 Director Buxton is slated to speak on 11/18 for the Fall semester Outdoor Innovations series. We look forward to her visit!

We're excited to welcome *Amber Hawes* and *Tyler Barron* to the Parks and Recreation Lab. Amber will be pursuing her PhD supporting IDPR's interpretive inventories. Tyler, a former IDPR ranger, will be continuing his M.S. work to use iNaturalist and citizen science to document species diversity in Idaho State Parks. We're lucky to have them both on the team!

# **Past and Upcoming Park Visits**

Park	Date
Museum at the Brig Re-Opening Farragut State Park	May 22 <sup>nd</sup>
Intercept Survey Kick-Off Harriman State Park	June 18 <sup>th</sup> - 22 <sup>nd</sup>
Survey Check-in and Master Naturalist Training Harriman State Park, Henrys Lake State Park	July 29 <sup>th</sup> – August 1 <sup>st</sup>
Interpretive Theme Inventory & Idaho County Fair Winchester State Park	August 21st –23rd
IDRP Board Meeting Lava Hot Springs and Bear Lake State Park	Sept. 16 – 17 <sup>th</sup>
NRS 1250 Class Visit Heyburn State Park	Sept. 27 <sup>th</sup>

#### **Summer Adventures**

Dr. Zajchowski is off contract from mid-May through mid-August, but the park visits don't stop. Hope you enjoy some shots from our family's summer adventures in Idaho and the Greater Yellowstone Ecosystem. Can guess all three locations?

Chris Zajchowski, Ph.D.
Assistant Professor of Parks, Tourism and Recreation Ecology czajchowski@uidaho.edu | 385-222-1055 www.uidahoprl.com

# **Initiatives**

# National Science Foundation CAREER Application

Dr. Zajchowski submitted a \$450K NSF CAREER application. He is proposing studying public health messaging for wildfire smoke during recreation events. If funded, research would occur on Moscow Mountain and Rinker Rock Creek Ranch trails. The odds are slim with funding cuts to NSF, but the grant writing experience has been invaluable.

# **Interpretive Theme Inventories**

With Amber on board, we will re-start interpretive theme inventories for Eagle Island, Lake Cascade, Three Island Crossing, Henrys Lake, Lake Walcott, Massacre Rocks, Farragut, Winchester, and Coeur d'Alene Old Mission in September. Interviews with park managers, staff, and park partners have already been completed. The next steps involve 1) park-selected contacts evaluating and ranking interpretive themes, 2) on-site inventory of all stationary media, and 3) a final focus group with park staff and partners. Reach out to us if you have questions about this process or want to see finalized reports from the first round of parks: Priest Lake, Dworshak, Hells Gate, Ponderosa, Lucky Peak, Thousand Springs, Bear Lake, Harriman and the Ashton-Tetonia Trail.

#### **George Wright Society Park Forum**

Amber, Brey, Natalia, Tyler, Nate, Drs. Engel and Zajchowski will head to the GWS conference in Missoula, MT October 21-23. This is also a great opportunity for park staff in the North or East regions to check out national and international presentations on park research and management innovations with a relatively short commute.

## MANAGEMENT SERVICES REPORT

April · May · June 2025

# Management Services Administrator Adam R. Zaragoza

#### **IDPR Mission**

Improve the quality of life in Idaho through outdoor recreation and resource stewardship.

# **Management Services Administrator Primary Functions**

- Provide management services staff with the necessary tools to succeed in their jobs and provide leadership and direction for registration, reservations, grants, fiscal and development programs.
- Work with Operations Administrator (Troy Elmore) to identify the needs of the operations staff and assist in meeting those needs.
- Proactively work to meet the Director and Board priorities, projects, concerns and implement the agency's strategic plan.

# **Administrative Duties**

- Focus on supporting the team members and providing them with the tools to do their jobs effectively and enjoy what they are doing.
- Continual review of agency policies, interpretations and where updates may be needed.
- Continual review of parks and where possible expansion opportunities exist.
- Continue to work on various projects for the agency.

# **MAJOR TASKS AND WEEKLY UPDATES**

# March 31st to April 4th

Met with IDFG Engineering Manager, IDPR's Construction Manager and legal staff to transition the construction contract from IDPR to IDFG. Flew to North Idaho, attended a meeting with Old Mission Park Manager, Pottsville 7, Board Member Roady regarding a day use area near Mullen that IDPR may have an interest in managing. Visited with the North Region office staff. The Director and I then toured the construction progress at Farragut. Returned home to Boise.

# April 7<sup>th</sup> to 11<sup>th</sup>

Continued work with our executive staff on strategic initiatives. Attended the IDL Land Board staff meeting in preparation for the Round Lake D&M plans to be presented to the land board the following work. Started working with the HR and Fiscal Officers regarding all agency change in compensation. General administrative duties and support as needed.

# April 14th to 18th

General administrative duties and support for our team. Attended the Land Board meeting with Director Buxton. Worked with IDL staff to finalize signatures for the Round Lake project.

# April 21st to 25th

Started on the strategic plan revisions and the next endowment land projects with IDL. Continued to work with executive staff on strategic initiatives and general administrative duties. Received notice from our Kokanee Cove engineering team that the McCall Planning and Zoning would be hearing the annexation (water line only) application.

# April 28th to May 2nd

Weekly executive staff briefings. Met with Director Buxton and our DFM analysts regarding the upcoming FY2027 capital requests. Flew to North Idaho. North Region Manager and I started reviewing and updating 2 major policies. Met with the Land Trust Manager for IDL. Attended the Chatcolet Marina preconstruction conference. Attended a meeting with IDL and the new Round Lake cabins to be constructed on endowment land. Met with Representative Sauter and our Natural Resources manager. We toured federal recreation areas along Lake Pend Oreille.

Barge at Heyburn State Park, Chatcolet Marina

Army Corp of Engineers Springy Point Recreation Area

# May 5th to May 9th

Executive staff briefings. Attended the Planning and Zoning hearing in McCall with the Ponderosa Park Manager. The agenda item was for Kokanee Cove. The South Region Construction Manager, Park Manager and I met with the General Contractor for Kokanee to discuss the finish out schedule thru the end of 2025. General administrative duties and support.

# May 12th to May 16th

Generally a light week with most of the executive staff attending the Association of Western State Parks Conference (AWSPC) in Vancouver, Washington. Updated the strategic plan for Board approval as well as work on the upcoming Board meeting items. General administrative duties and support for HQ.

# May 19th to 23rd

Executive staff briefing. Flew to North Idaho. Visited with the Priest Lake staff ahead of Memorial Day weekend. Looked at property with Board Member Roady on the Kootenai River. Attended with Brig Museum re-opening with Director Buxton and Park staff. End of school year and the kids are out!

# May 26th to 30th

Road trip with Director Buxton to eastern Idaho and potential park tours. Started in Almo, then to Soda Springs. Attended Capital for a Day in Shelley, Idaho. Stayed in Challis and toured property near Salmon, Idaho.

# June 2<sup>nd</sup> to 6<sup>th</sup>

Family Vacation Time

# June 9th to 13th

Attended the quarterly Board meeting in Orofino, Idaho. Had an excellent tour of Dworshak Dam with our Board, Army Corps of Engineers Staff and our team.

# June 16th to 20th

General administrative duties and support for our team. Continued negotiations for a potential new state park near Salmon, Idaho.

## June 23rd to 27th

General administrative duties and support for our team. Toured Ponderosa State Park with Manager Matt Linde and DFM analyst Lisa Herriot.

End of Report

# OPERATIONS DIVISION QUARTERLY REPORT APR-MAY-JUNE 2025

# OPERATIONS DIVISION - TROY ELMORE, ADMINISTRATOR

**Mission:** To improve the quality of life in Idaho through outdoor recreation and resource stewardship.

#### Goals:

- To provide leadership and direction for the ongoing daily operations of Idaho State Parks, the IDPR Recreation Bureau, and the Natural Resources Management Program.
- To leverage existing resources to provide staff with the necessary tools to accomplish the mission of the Idaho Department of Parks and Recreation.

# **Administrator's Report**

- Participated in Winchester State Park Manager Interviews. Hired Winchester Park Ranger Beth Simanek as Manager.
- Attended FERC scoping meeting for Lucky Peak Hydroelectric Project. It was an open house format where we provided comments as an agency during the scoping process. The proposed changes don't appear to impact park operations, and we said we support the status quo.
- Participated in initial Two Lights for Tomorrow Lantern Lighting Day for the America 250 celebration. I encouraged statewide participation. Many parks did participate, and the event was popular with the public.
- Worked with East Region Manager, support staff, and PIO to create a standardized process to get more consistent and frequent social media posts from our parks. The idea is to focus on the region and once implemented and successful, applying it statewide.
- Met with Director Buxton, U of I College of Natural Resources Dean Dennis Becker, Department of Education, and McCall Outdoor Science School (MOSS) to find ways to expand MOSS' footprint. Susan and I offered use of park facilities and staff if available to help local communities and MOSS engage in outdoor learning in nearby parks.
- Visited with participants and observed the IDPR OHV law enforcement training held at Boise headquarters office.

Rich Gummersall running part of the training

- Met with Theresa Perry and Johannes Giessen to discuss the winter snow hill concession at Eagle Island State Park. The decision was to negotiate a 3-year contract with the current concessionaire, assuming they are in good standing with the agency. The shorter term will allow the agency to evaluate and monitor the compatibility of winter recreational use and the new campground.
- Gave short oral presentation to the career exploration field trip east junior high students at headquarters.
- I attended the foster family passport kickoff event at Bruneau Dunes State Park. Helped with various stations from sun-gazing through telescopes, to the scavenger hunt. Great turnout and fun to see all the smiling faces.

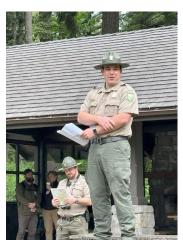

Beautiful day for the event

Scout leading the Jr Ranger Oath

Attended Association of Western State Parks Conference in Vancouver, Washington. Toured parks, met with vendors, networked with other state agency counterparts, and attended breakout sessions.

Stunning views, great team

- Participate in monthly region manager meetings.
- Participate in monthly region park manager meetings.
- Regular meetings with Recreation Bureau Chief and staff.

#### RECREATION RESOURCES BUREAU QUARTERLY REPORT: APRIL – JUNE 2025

# **Boating Program**

The following is a list of activities that have been recently completed by the Boating Program. This is in addition to the routine tasks of answering questions from the public and county marine deputies, grant administration, preparation for various training courses, attending county waterways committee meetings, and ordering of equipment and supplies.

- Hosted the annual Marine Law Enforcement Academy in April/May with 21 graduates.
- Provided outreach at boat launches around the state as part of National Safe Boating Week.
- Participated in the 2025 Hells Canyon Recreation Expo.
- Recruited for a new East Region Recreation Educator and welcomed Blake Service to IDPR to fill the role. Blake comes to us as an experienced OHV educator and swift water rescuer, we are thrilled to have him join the IDPR Recreation Bureau.
- 271 Students Successfully Completed the Boat Idaho Course from April-June.
- Successfully launched the new Boat Launch and Life Jacket Loaner station maps with photos and amenity details that we were not able to showcase on the legacy maps.

#### Non-Motorized Trails Program

The following is a list of activities that have been recently completed by the Non-Motorized Trails Program. These activities are in addition to the routine tasks of answering questions from the public and routine tasks around the office.

• Groomed the Idaho City area trail system and maintained the Idaho City Yurts.

Stargaze Yurt in May

Rocky Ridge Yurt in May

- Partnered with Caldwell High School students to build hitching rails for the Idaho City Yurts.
- Worked with the Development Bureau to plan construction of the new Petersen Yurt.
- Worked on a new mountain biking trail for Emmett National Interscholastic Cycling Association team.
- Worked with Idaho Trails Association and Idaho Power to scout Little Granite Trail #112 and Snake River National Recreation Trail #102 to plan advocacy and maintenance projects.

Historic Rock work on a closed trail along the Snake River

• Participated in a chainsaw and crosscut saw training in partnership with other agencies and non-profits in Stanley.

- Partnered with Idaho Conservation Corps to maintain Moose Trail outside of the Idaho City Yurts.
- Attended Idaho Backcountry Horsemen's packing clinic.
- The Idaho City Yurt Ranger attended Supervisory Academy.
- Presented to East Junior High students about career opportunities at IDPR in the Non-Motorized Trails program.
- Partnered with a class at Boise State University to start designing interpretive signage for the Idaho City Yurts.
- Participated in Highway 21, Boise Forest Coalition, and Greater Boise Recreationalists Collaborative meetings.
- Managed and audited the non-motorized trails layer of the Idaho Trails Map to ensure we are proving the most up-to-date information.
- Audited the official route of the Idaho Centennial Trail to identify trespasses and worked with landowners to address them.
- Worked with the Land Access Coordinator to write advocacy letters for non-motorized trails.
- Worked to have a more active presence on social media to share Idaho's beautiful trails, volunteer opportunities, and updates about the Idaho City Yurts.

## **Motorized Trails Program**

The following is a list of activities that have been recently completed by the Motorized Trails Program, including the Trail Ranger Program and OHV Education Program. This is in addition to the routine tasks of answering questions from the public and routine tasks around the office.

#### **OHV Education Program:**

- 111 OHV safety classes held
- 650 OHV students trained
- 5 OHV Train-the-Trainer courses held
- 13 OHV instructors trained
- 4,500 OHV in Idaho booklets distributed
- Updated OHV Law Enforcement Pocket Guide
- 631,073 Facebook post views (up 974%)
- 2,127 Facebook interactions (up 249%)

## Trail Ranger Program

 Despite loss of one ATV Trail Ranger and one Motorbike Trail Ranger early in the field season, most capacity has been covered with creative deployment of staff including Recreation Bureau Chief covering a shift as ATV Trail Ranger.

## Trails Specialist Reports by Region:

#### East

- Multiple trail reroute and tread restoration projects were completed in collaboration with US Forest Service
- o 7 Trail Ranger shifts completed (including July), shift total statistics:

MILES	NUMBER	TREAD	WATER	BRUSH WORK	ATV (MI)	MB (MI)
CLEARED	DOWNFALL	WORK (FT)	BARS	(FT)		
921.7	2,574	0	75	41,918	302.3	619.4

## South

- Scouted Broken Leg trail with BLM, in process NEPA redesignated from nonmotorized to motorized
- Attended Forest Service meetings to take on oversight of bridge replacement projects FS no longer has capacity to manage
- Specialist covered two Trail Rangers hitches due to staff attrition
- Specialist assisted ATV TR crew and Trail Cat crew in the South Hills to prepare for the ATV/UTV State ride
- o 2 Trail Ranger Shifts (May-June; staff-limited):

		<u>, , , , , , , , , , , , , , , , , , , </u>				
MILES	NUMBER	TREAD	WATER	BRUSH WORK	ATV (MI)	MB (MI)
CLEARED	DOWNFALL	WORK (FT)	BARS	(FT)		
65	897	90	47	3,330	0	65

#### North

- Operating at full seasonal and FT staff capacity and achieving early field season trail maintenance goals per requests from Forest Service Ranger Districts
- Developing new relationships with BLM Field Office staff toward fostering new trail access opportunities in the face of decades-long decline of BLM land access
- 4 Trail Ranger shifts completed (incl. July)

MILES	NUMBER	TREAD	WATER	BRUSH	ATV (MI)	MB (MI)
CLEARED	DOWNFALL	WORK (FT)	BARS	WORK (FT)		
141.70	1,227	275	5	5,154	11.90	129.80

#### ATV Trail Ranger Crew (Statewide)

- ATV Trail Rangers supported regional Trail Cat crews variously for April shoulder season transition to field season
- Most efforts were in South Zone supporting ISATVUTVA State Ride July 24-26:

ATV MILES	NUMBER	BRUSH WORK
CLEARED	DOWNFALL	(FT)
31.6	274	21,550

#### Land Access Program

For the **April-June 2025** quarterly reporting period, these were among the activities of the Lands Program pursued by the Land Access Coordinator:

• Twenty meetings and field trips were attended with Forest Restoration Collaboratives, State and Federal agencies, and recreation stakeholders.

# Policy Status Tracking, Project Analysis, and Official Comments

- For the reporting period, staff submitted formal written comments on behalf of the agency for eleven separate policymaking matters, mostly for NEPA project planning processes affecting recreational access from travel management changes. Comments were either direct-to-agency or communicated through "State Family" intermediaries, either Governor's Office of Species Conservation (OSC) or Office of Energy & Mineral Resources (OEMR).
- Typical of the routine and ongoing policy analysis process, several more minor NEPA projects were analyzed but determined not to require comment due to lack of application to recreation access.
- Numerous Executive Orders, and agency Policy changes and Directives out of Washington D.C., were monitored and analyzed for potential to impact Idaho citizens' interests in recreational access to federal public lands.

## Idaho Trails Mapping Applications (trails.idaho.gov)

- Summer Edition:
  - Over the reporting period, with collaborative assistance of Non-Motorized Trail Program staff, 3,953 route records received one or more updates to attributes (e.g. narrative trail information, names, seasonal-open dates) or centerline geometry (e.g. for trail reroutes; surface roads to trailheads added) to improve map quality and comprehensiveness.
  - Going into the Fire Season, *Idaho Trails* remains the only online map service available, focused specifically on Idaho, to merge accurate trail and recreational access road information with expeditious updates for area, road, and trail access restriction/closure information, along with automatically updated daily Fire Perimeter information from NIFC.

# NORTH REGION MONTHLY REPORT APRIL – MAY – JUNE 2025

**MISSION:** To serve North Idaho Park users and recreationists providing them with quality experiences that are safe and enjoyable while managing and protecting the public's investment and natural resources.

#### **GOALS:**

- Ensure that all facilities are kept clean and hazard-free.
- Utilize both paid and volunteer staff to man visitor centers and entrance booths to answer questions and sell park permits.
- Patrol parks ensuring user needs, user safety, and resource protection.
- Manage operations and opportunities to ensure quality experience and resources are provided and enhanced.

## **Primary Issues and Concerns**

- 1. Seasonal Staff Shortages
- 2. Minimal budgets with increased fixed costs, and higher use.
- 3. Aging facilities and equipment
- 4. Meeting ever-increasing use and opportunity demands insuring quality experiences.

## NORTH REGION SERVICE CENTER – DAVID WHITE, REGION MANAGER

- Participated in the NR Park Manager's monthly Team's Meetings; OPS Region Manager Team's Meetings; TOC Crossing Agreement discussion; Rule Change Impact to Park Enforcement discussion; and Chatcolet Marina IDPR /Tribe Agreement discussions.
- Met with Priest Lake and Hells Gate staff to review performance and operations.
- Coordinated and met with TOC managers to discuss requiring UPRR to resurface the trail.
- Reviewed Shoshone Park with staff.
- Attended the Association of Western State Parks Executive Conference (formerly RMSPEC) in Vancouver, Washington.
- Facilitated discussions about the sinking sailboat in Buttonhook Bay.
- Coordinated Park radio channel programming.
- Toured Kootenai River Property in Boundary County with staff as a possible state park.
- Attended the Farragut Museum at the Brig Re-Grand Opening; Scott Peterson, DEQ Silver Valley, retirement party in Kellogg; the Tami Johnson Memorial at Farragut State Park and June Board Meeting at Dworshak.
- Assisted with the Winchester Park Manager; North Region OS2, Winchester/Hells Gate Park Ranger, Farragut Maintenance Tech; and Round Lake AA1 interviews.

## NR MAINTENANCE CREW – LANNY NEIPERT, MAINTENANCE FOREMAN

## **CdA Parkway:**

• Spoke with Erin M. about story book trail. Need to wait until fall to repair

#### **Dworshak:**

- Drove to DWO and installed new doors on camper cabins
- Spoke with John about broken down vehicle and continuing water leak at Three Meadows

#### **Farragut:**

- Graded North Road
- Loaded backhoe and drove to Farragut, dug up grey water and replaced drainpipe

#### **Hells Gate:**

- Travelled to HG and repaired concessionaire dock and re-installed two sections to help with flotation
- Moved ecology blocks for Jeff before travelling back to CDA

#### **Heyburn:**

• Picked up backhoe and delivered to shop in Tekoa for repair

## **North Region Office:**

- Helped Keith change oil and flip the knives in the chipper
- Ground out cherry tree stumps in front of NR office with help from Keith Jones
- Unloaded R-31 from car hauler and tried to get it started. Replaced starter solenoid and still can't get it to run
- Air compressor froze up in NR Shop; removed old compressor, ordered and installed a new one
- Went over South Region resumes for Utility Craftsman Chris Re
- Dan from Advanced backflow tested sprinkler backflow device (passed)
- Went to Nesbitt property and did spring clean-up
- Designed and cut 2 retirement plaques for Theresa Perry with David's help
- Got building backflow tested (Passed)

## **Old Mission/TOC:**

- Graded and rolled roads at OM
- Drove to Shoshone park with Will, Keith and Lucas to look at property
- Helped Rob get sprinkler system working at Mission (found closed valve that wasn't supposed to be closed)
- Cut open mezzanine handrail in TOC shop and made it into a gate
- Helped will hang plywood behind workbench in TOC shop
- Put backers up for air compressor hose reel and electrical cord reel

#### **Round Lake:**

• Dropped off signs and picked up electric cart and brought it to Ballard's for repair, then returned upon repair completion

#### Winchester:

- Drove to WIN and looked at projects with Beth (Bridge deck, septic tank, and drinking fountain)
- Travelled to WIN and replaced bridge decking

#### NR OFFICE STAFF

- Front desk Office Specialist 2 training.
- Compile reports from parks for monthly and quarterly report
- Assisted with scheduling in-person and Zoom interviews for open Round Lake Admin position, Winchester State Park Ranger and Manager positions and NR OS2 position
- Worked with Erin from FAR to get CPR/First Aid bags ordered for NR Vehicles
- Had follow up meeting with Lori (IDFG) and representative from new janitorial company to do a building walk through and go over expectations to address areas not being cleaned
- Set up block of rooms with the hotel and arranged lunch for Interp training at Liz's request
- Worked with Amanda from Ponderosa to distribute Interp Wildlife Viewing Guides
- Ordered and ensured the new Criminal Code books were delivered to NR Parks
- Forwarded inquiries from the IDPR website to the appropriate Park Manager and/or provided answers to the questions myself
- Worked with Registration department to document and forward issues regarding registration numbers being assigned wrong on boat transfers
- Worked with Marcie to get several new vendors set up in Luma to process payments to them

- Working with Lucas, Melanie and park staff to get MM project contracts and documentation completed
  - Process documentation with Nadine to submit for payment to be made to the contractors once projects have been completed
- Complied responses from park managers and staff into condensed report for NR Manger on several quick turnaround suspense's.
  - o NR Parks Minor Maintenance Needs List Update
  - o FY 27 B-7 Requests and Enhancement Needs List
  - Radio Fleet Map
  - o Issues with BRANDT/Reservation system feedback from NR Parks

## COEUR D'ALENE LAKE PARKWAY – LIZ PALFINI, PARK MANAGER

## Customer Service

• The Parkway is running smoothly. When the weather is good, the visitation is good.

# Park/Program Usage

## Preservation of Natural, Cultural, and/or Historical Resources

• Regular maintenance ongoing

## **Staff Training**

• Staff attended the monthly safety meeting.

## Park Manager's Narrative

- Story walk trail improvements have begun but are not yet complete.
- Reservations for events and shelter rentals are steady for Higgins Point.

#### FARRAGUT STATE PARK – LIZ PALFINI, PARK MANAGER

## Customer Service

- Overall customer complaints are low. The complaints are generally about roads; how difficult it is to make a reservation and double pricing.
- Summer is in full swing. Campgrounds are busy but the park has fewer visitors than last year.

#### Park/Program Usage

• 52 permits (2 memorials, 10 weddings, 2 grad parties, 2 company picnic; 1 retirement party, 1 school campout, 5 church campouts, 2 company campout, 13 friend group camps, 1 girl scout troop, 2 disc golf tournament, 1 treasure hunters' group, 2 - 4H equine camps, 1 baby shower, 1 Forestry contest; 1 flyers group, 3 boy scout troops; 1 trail life group; 1 adventure club)

#### **Program Services**

Type of permit issued (after event)	No. of Permits	No. of Attendees
Group Use Permit	52	9,812
Special Use Permit		
Film Permit		
Other permits		

- Brig and Jr Ranger Station opened Friday before Memorial Day weekend
- 42 backpacks were lent, 15 fishing poles, 533 Badges, 139 patches, 429 guidebooks

Program Type	No. of Programs	No. of Attendees
Experiential Programming	6	437

Traditional Interpretation (Brig Tours)	39 days	4,669
Traditional Interpretation	21 days	976
Environmental Education		
Jr. Ranger Programming	28 days	1,980
School Programming	12	1,138
Special Events	1	1500
Special Events Held Off-Site	1	57

- Hazard trees were removed within campgrounds and along trails and roadways.
- Cleanup and burning for the IDL sale have paused.
- Keith has also been helping with the Peterson construction site addressing various natural resource issues during this initial excavation stage of construction.

## **Staff Training**

• Staff attended the monthly safety meeting.

## Park Manager's Narrative

- Annual appraisals were completed within Luma. It was a very time-intensive process; it took us approximately 1 hour per person to complete entry and start the approval process. All employees have been sent their appraisals for approval.
- We are working to figure out how we will communicate with the staff about campground turnover.
  - o Weekends are harder to plan without reports from the reservations system.
  - We had 145 departures with only 17 incoming campers, but without a list of who's coming in to where, hosts can't organize their work efficiently.
  - None of the limited reporting (which is essentially limited to printing screens) we have tried to come up with has been reasonable with 200-plus sites. So, we are winging it.
  - O At this point, we are focusing on managing the field frustration and making sure everyone can voice their frustrations and help where we can.
- The Bayview water tower was drained, and repair work began in late March. Farragut SP is currently providing water to the community of Bayview through the end of May as their repairs are completed. So far, the system has been able to keep up with the increased water demand. The new telemetry system is almost complete we had to remove some trees from the path between the water tower and the pump house for the antenna to work properly.
- We have mitigated all 4 of the sinkholes in the Sunrise Day-use area. David has approved money to help refill the material that settled during the mitigation.
- Phones are holding, we still have only one line and no extensions, no individual voicemail, but IT has put us on the VOIP list. We do not have an installation date as of today.
- The seasonal cleaning crew is doing very well. Not a single restroom complaint this season (I hope I didn't just jinx myself) They're work is justification for additional seasonal money.
- We hosted several orientations for both seasonal and volunteers, performed safety training for CPR first aid for those who needed it.
- Hosted a USDA insect disease training.
- Hired a new Maintenance Craftsmen position.
- Participated in a Wildlife Safety fair at Athol Community Center with Kootenai County Emergency Management
- We hosted a very well-attended Museum at the Brig reopening, legislators as well as our own Director and Deputy attended and welcomed many locals and veterans to a preview.
- I taught an Interp training class at North Region Office for 16 people and had a great training.
- Started attending the Foster Family event planning meetings on Fridays for the event planned for August 29

## DWORSHAK STATE PARK – JOHN SEELY, PARK MANAGER

#### Customer Service

- The Big Eddy office is open 9am-5pm 7 days a week for the month of June, as staff allows.
- The marina store is open Friday, Saturday, and Sunday beginning Memorial weekend.
  - o Fuel sales are now available 7 days a week.
- The Big Eddy Lodge is open for rentals. The Deck is now open to the public.
- The entry station at Freeman Creek is open 8-4:30 every day except Fridays. Friday hours are 8-8.

# Park/Program Usage

- The traffic count: Apr 768 / May 930 / Jun 1,150
  - Use is just below the 5-year average. These numbers are lower than they should be, due to site closures corresponding with the waterline project.

#### **Program Services**

• Annual Clearwater Archers marked yardage archery shoot

#### Preservation of Natural, Cultural, and/or Historical Resources

## **Staff Training**

#### Park Manager's Narrative

- The water line project is almost complete, hydroseeding is all that remains.
- The Annual Clearwater Archers marked yardage archery shoot took place at the end of April.
  - O Due to construction in the park there were only 10 sites and 4 cabins available. This event usually fills the park with campers. Most participants came in for the day and left due to the lack of available sites. We did utilize the gravel portion of the boat launch parking lot as camp sites, however, only 3 campers utilized them.
- Most of the sites in the campground were scheduled to open July 15th, but most sites were able to open on June 21st. Small mouth moorage opened a week later due to some system issues.
- People began making reservations for the July 4th weekend as soon as we announced the sites were opening early. We expect to be at least half full for the 4th weekend, which would be pretty good considering campers only had a 2 week heads up that the campground was going to be open.
- The IDPR board meeting was held in Orofino this month. We had a BBQ Tuesday evening at Big Eddy and a boat and dam tour on Thursday. The USACE provided a large boat to accommodate everyone and led us on a spectacular tour of the dam.

## COEUR D'ALENES OLD MISSION STATE PARK – WILL NISKA, MANAGER

## Customer Service

• Four seasonal employees working in the VC and three taking care of maintenance needs.

## Park/Program Usage

- The traffic count: Apr -2,330 /May -2,753 /Jun -3,865
- Easter Sunrise Service; Immaculate Conception; and the Anderson Wedding

#### Park Manager's Narrative

- Manager attended ACP inspection
- Manager attended Bunker Hill Rec Sites meeting
- Campground layout planning began
- Manager working on arranging Enaville Bridge inspection, to determine repairs needed.
- Manager attended two encroachment meetings, one in Osburn and the second in Mullan

## HELLS GATE STATE PARK – STEVE KUSKIE, PARK MANAGER

## Customer Service

- Lewis and Clark Discovery Center: open 9:00am 5:00pm, seven days a week, except holidays
- Marina store, operated by Snake River Adventures: opens last weekend in April
- Jack O'Connor Center: open on Tues-Saturday, 10:00am 4:00pm and Sunday, 1:00pm 4:00pm
- Traffic in the Discovery Center is consistent with visitors, registration sales and calls.
  - O Check-in time is busy. Having the movie on Bluetooth from a phone sure helps to keep those customers happy.
  - O You can start the movie from anywhere within the DC in seconds.
- This June was one of the driest in Lewiston on record. We received .08 inches of rain is all. But you wouldn't know it by the grounds at the park. We have taken the irrigation here to the next level and customers couldn't be happier. Over 250 heads have been replaced, and a mapping effort has connected zones with their control boxes. With this, we have started to restore the automated clocks running things.
- The camp loops have finally been dialed in as far as closures to water them, and interference with adjoining sites has been remedied.
- We are keeping up with ground maintenance and sprinkler repair well this season. We hope to have things dialed by the time the real heat comes.

## Park/Program Usage

- Marina: Apr-Closed /May-Closed /Jun-90% with folks yet to call back to confirm
  - o Marina opened mid-month, and folks had their boats in that first weekend.
  - We are filling in Phase I with the old contract holders and the waiting list.
  - We are likely to fill Phase I from the waiting list but will need to advertise Phase II once complete.

#### **Program Services**

Type of permit issued (after event)	No. of Permits	No. of Attendees

Special Events Held Off-Site		

## Preservation of Natural, Cultural, and/or Historical Resources

- Four cases of sprinkler heads were done before we charged the pumps and another two cases worth were replaced after.
- The North irrigation pump is still missing its Soft-Start but we have found a magic PSI to maintain and run it 24/7 to negate start-ups.
- The south pump had a power fault early, but the Corp got to it quickly
- The parking lots have been striped, hazard trees have been dealt with, and it is now on to mowing season.

# **Staff Training**

## Park Manager's Narrative

- Marina decking has been replaced, punch list from the installers and electricians have been complete. We have IDPR's final walk through then we should be able to open the marina.
- We are down a Ranger but have a plan in the works to fill it quickly. The busy season is upon us so filling this position soon will be great.

## HEYBURN STATE PARK – NATHAN BLACKBURN, PARK MANAGER

## <u>Customer Service</u>

- Customer service needs centered on assisting customers with camping, cottage and cabin rentals, day use, informing the public of maintenance projects, and educating customers on park rules.
- In the Visitor Center, the focus was on collecting and verifying customer insurance requirements, lease payments, OHV and boat registrations, and other customer needs.
- All campgrounds are open for the season.

## Park/Program Usage

- Compared to March, April usage went up by 50%, which is similar to the increase compared to last year. Usage is up about the same compared to April 2024 counts.
- Compared to April, May usage went up by 157%, which is similar to the increase compared to last year. Usage did decrease slightly by 3% compared to May 2024 counts. This is likely due to construction in the park.
- Compared to May, June usage went down by 2%. We typically have about a 10% increase between May and June; however I think this is due to the closing for construction of Chatcolet boat launch.

• The Pacific Northwest Field School, that was set to be hosted at Heyburn in September, has been cancelled.

#### **Staff Training**

- May 27th, Annabelle Johnson and Emily Hayden attended Interpretive Training at NRHQ.
- Ranger Tess Myhre completed her training for her Professional Applicator's License.
- Ranger Thunder Dixon is working on obtaining his license as well.

#### Park Manager's Narrative

• The wastewater project and Chatcolet Marina project are ongoing.

## MCCROSKEY STATE PARK – NATHAN BLACKBURN, PARK MANAGER

# <u>Customer Service</u>

- Customer service needs were focused on off-road vehicle information, trails, and camping.
- Questions were answered at Heyburn Visitor Center regarding 2025 use and most stemmed around whether Skyline Drive was passable.

#### Park/Program Usage

- The traffic count: Apr NA /May 760 /Jun 716
  - O Usage was at 716, which was a 6% decrease from May 2025. However, it is a 10% increase from June 2024.
- Maintenance crews have been making it to the park as often as they can, usually twice a week.

## **Staff Training**

## Manager's Narrative (not covered above)

- Courtney Davenport has been in touch with the White Pine Native Plant Society regarding the ongoing voucher garden project by Mission Mountain.
  - Native plants will be planted sometime this fall at the prepared garden area by the Mission Mountain pump house in the park.

## PRIEST LAKE STATE PARK – LONNIE JOHNSON, PARK MANAGER

# Customer Service

- The store remains open 5 days a week.
- With all staff hired and on both seasonals and volunteers, we are able to provide a better quality of service to the park visitors, in facilities and grounds maintenance, plus the store and its numerous flavors of ice cream.

## Park/Program Usage

• June visitation was slow in the beginning of the month, but after school ended the second week of June, we saw a much better increase in visitors. The weather being in the 90's also helped.

- Clean up continues at Lionhead campground from the hazard tree removal.
- Stumps being ground down, slash piles are being removed and campsites being cleared for use.

## **Staff Training**

- 2 staff attended the supervisory academy training in CDA on April 1-3.
- Seasonal orientation was held May 17th---12 attended.
- Volunteer orientation was held May 18th---8 attended.
- 1 staff member did a life flight training on June 2nd, which was held up at Priest Lake.
- Seasonal staff have participated and all, except for the new hires, have completed required trainings provided by HR.

## Park Manager's Narrative

- I worked with a local boy scout, Oliver, who needed a project to earn his eagle scout badge.
- The park was donated a boat called a Bateau, a 22-foot flat bottom boat used by loggers to break up log jams from Priest Lake, down the Priest River, to the Pend Oreille River in the 1940s.
  - Oliver received donated materials to stabilize the boat and enclose it under the current shelter that houses a replica of the log flume. He had numerous helpers and finished the installation in 2 days.
  - o It will serve as a wonderful exhibit of the history of logging days at Priest Lake.
- A mounted Bobcat was donated to the park and will be displayed in the Indian Creek visitor center.
- A float plane crashed in the lake on June 28th. Not far from Lionhead group camp. No injuries.
- A helicopter landed at Indian Creek on June 26th, Camper medical.
- June 16th at Indian Creek and Lionhead tree extensive damage was done by campers debarking trees, which citations were written for both.
- June 27–28, Department of Agriculture had staff at Indian Creek and Lionhead boat launches doing invasive species education.

## ROUND LAKE STATE PARK - MARY MCGRAW, PARK MANAGER

## Customer Service

- The visitor center hours were 11:00am to 6:00pm on Mondays and Tuesday, we don't have staff into the evening, 11:00am to 9:00pm Wednesdays through Sundays.
- Park staff provided regular updates to phone and web services to keep customers informed of operational changes for the current season.

# Park/Program Usage

- Park use was steady with day users, Dog walkers, & fisherman and there were lots of campers this quarter. We were full on the weekends and about 3/4 full during the week.
- Shelter reservations are being made for the summer months, with the reservation system not being able to make the reservation, it has been confusing for our customers.
  - We are handling these reservations at the park as much as possible.

# Preservation of Natural, Cultural, and/or Historical Resources

• Contractors have been working with the engineers to get DEQ approvals to continue the work in the campground and treehouse service (water, electric and sewer) in the ground.

## **Staff Training**

- AA1 and 2 seasonal staff attended the North Region Interpretive Training. (8 hrs. each)
- Manager attended training to maintain the water distribution license CEC (8 hrs.)

## Park Manager's Narrative

- The Manager attended meetings with Development regarding campground improvements, treehouses, and the water system upgrades.
  - Construction to install the infrastructure started in the area where the treehouses will be constructed
- The new ranger, Kaylynn Kotlar, started on April 22, 2025.
- The Manager worked to get the CEO team's responses to the CEO policy, The team will meet this month and provide suggestions and comments for CEO Policy updates.
- The Manager worked with HR to get a survey together for all CEO's regarding this past year's training. This should go out soon.
- The Manager met with Adam, Keith, Susan, David and Rep. Sauter regarding the A.C.E. campground shut down
- The Manager met with Adam, Keith, Lucas and IDL staff regarding the ORFAC project to construct back country cabins on IDL property.
- Dust control was applied to the park roads.
- The AA1 position was open for applicants, and a new Person was hired for the position, Norm Sommerfeld
- We are still working to get all seasonal staff hired and on board to be able to cover all shifts with the ranger on leave
- Replaced the second shower valve in green restroom, also during the Holiday weekend, the green bathroom had two malfunctions. One was resolved quickly, the other requires a plumber to fix and finding parts for the 40-year-old plumbing has been a challenge.
- We have been working with a local plumber to get the wall mount toilet fixed and the main water seal for the toilet failed. It was special order due to the age of the fixture 40 years old as well.
- The electric vehicle was taken in for service to the breaks and steering issues, The Land Master UTV was in for repairs.
- Winter equipment was put away for the season and summer equipment was inspected, serviced and ready for the season.
- One generator was installed for the drain field as a backup unit for power outages.
- The new AA1 continues the work with the reservation office to get the reservation system issues corrected.

- We continue to wait for the wireless CC readers to use the tablets.
- We received the Ranger computer and are now working with IT to get access to the park (ROU) email and to the park files.
- Work Continues to be done to remove dead timber from the shop area after the beetle infestation to the lodgepole pine trees.
  - o Hazard trees were removed in the Day use areas, campground and entrance area.
  - o With the help of the natural resource manager, we also removed hazard trees from the treehouse construction area.
  - Old MCH packets were removed from the trees in preparation to install new packets.
  - o We spent time burning piles of slash where the beetle infestation occurred.

## WINCHESTER LAKE STATE PARK – BETH SIMANEK, PARK MANAGER

## <u>Customer Service</u>

- This quarter was busy, with relatively good weather, which brought a lot of people to the park
- Groups are calling to reserve Ponderosa Point Shelter for the summer.
- Staff have been issuing quite a few GUPs. The shelter was booked most weekends.
- The kiosk is staffed every day to collect payment and orient visitors.
- Staff trained new seasonal staff.
- Staff continued the annual tradition of cleaning the docks of goose excrement.
- Staff worked on building the parade float for the early July, Winchester Days celebration.
- Madison has been ordering more retail for the store, focusing on new products from local and instate vendors.
- Staff held the Annual Spring Fishing Tournament on May 10, bringing in both day users and campers for the weekend.
- The North Region Maintenance crew came and completely re-decked the iconic Winchester bridge.

## Preservation of Natural, Cultural, and/or Historical Resources

- Staff have been spraying invasive species.
- We have been designing the sign frames for the "what not to burn signs" from the Nez Perce Tribe and installed them once they were finished.

- IDL assisted in removing some hazard trees from Bitterroot and Camas loops before we opened the campground.
- IDL submitted the official burn plan for 2025 and has continued to thin along Lakeshore Trail.
  - o Park staff have been collecting rounds for firewood use.

## **Staff Training**

- Lauren held defensive driving and ladder safety meetings for seasonal staff and volunteers.
- Beth attended an Interpretive Team meeting at Ponderosa State Park.
- Lauren conducted Campground Host training and orientation.
- Seasonal staff have received periodic safety training as they are onboarded.

# Park Manager's Narrative

- June was a busy month, but the staff is keeping up well.
- David White, Beth Simanek, Steve Kuskie and John Seely conducted interviews for the WLSP Park Ranger position, a new Ranger was hired and will start in July.
- IDFG will be conducting core sample drilling near the dam to aid in engineering for the new dam/dam improvements.

# SOUTH REGION QUARTERLY REPORT APR – MAY – JUNE 2025

**MISSION**: To provide a safe and unique experience while preserving, protecting, and enhancing recreation. We interpret natural, cultural, and historic values and maintain park infrastructure for visitor services and programs, while looking for new opportunities.

#### GOALS:

- Ensure that all facilities are kept clean and hazard free.
- Utilize both paid and volunteer staff to staff visitor centers and entrance booths.
- Patrol parks ensure user needs, user safety, and resource protection.
- Assess operations and opportunities to ensure quality experiences are provided.

## SOUTH REGION SERVICE CENTER - VACANT, SOUTH REGION BUREAU CHIEF

- Theresa Perry, the South Region Bureau Chief, retired in June.
- Park managers met monthly with Theresa Perry and Troy Elmore.
- Evaluations were completed and submitted to Luma in April.
- Staff worked effectively to complete tasks before the fiscal year closed out.
- Bruneau Dunes hosted the Foster Family Passport kick-off event on May 3, partnering with Department of Health and Welfare.
- Meetings with the Bureau of Reclamation and Tamarack Resort continued regarding the Tamarack Marina proposal.
- The parks promoted Two Lights for Tomorrow in commemoration of Paul Revere's ride as part of the America 250 campaign on April 18. Some parks hosted a service day on April 19.
- Park staff worked diligently as the summer started with a new reservation system in place.

# BRUNEAU DUNES - BRYCE BEALBA, PARK MANAGER

# Customer Service

- The visitor center had 2,825 visitors in April, 2,627 visitors in May, and 2,045 visitors in June.
- The park reused old well casing to weld new hitching rails for the Equestrian Campground.
- Eagle Cove campground landscaping upgrades are almost finished.
- Painting and exterior repairs for the rental cabins and the Big Dune shelter began.
- Funding for the main intern who would be co-managing the BSU internship program through AmeriCorps was eliminated and BSU is attempting to fund the position through other sources.
- Repairs to the original observatory are almost complete with outdoor lighting being the main task to finish. The contractor has donated and installed exterior power pedestals for future "Tunes in the Dunes" events as public demand for this event continued to grow.

## Park/Program Usage

- Car counter numbers were 3,340 in April, 4,230 in May, and 3,575 in June.
- There were 381 sandboard rentals in April, 370 rentals in May, and 409 rentals in June.
- Visitation reflected the heat of the summer temperatures, but the observatory shows remained popular.

Special Events Held Off-Site		

## Preservation of Natural, Cultural, and/or Historical Resources

- The lakes are getting quite full. The river pump was turned off on May 15.
- The Broken Wheel host site septic drain field has been replaced.
- The domestic system has likely failed and will need to be replaced. Water testing continued.
- The park received a much-needed new zero-turn lawn mower.
- Invasive weed mitigation continued as the weeds remained an issue.
- Ranger Myrick cleared the area that was once a swim beach of a significant amount of brush and trees. This will make a nice picnic area in the short term while we develop plans for a viewing and fishing platform down the road.
- Park staff cleared large portions of the trails and day use areas to improve access.
- The park added a new irrigation system to the visitor center island to plant shade trees for the parking lot.

## **Staff Training**

- Ranger Myrick attended Swift Water Rescue training.
- All staff attended Reservations training.

## Manager's Narrative

- KTVB did a story on the park including Manager Bealba and Astronomer Harman.
- The new observatory had several hidden and unplanned operating costs including the need for software upgrades, maintenance contracts, training contracts, as well as costs associated with taking the observatory "online" for remote operation and research.
- The housing being constructed at the Steele-Reese dormitory will be used for 1-2 interns, but additional seasonal housing will be needed.

# EAGLE ISLAND - JOHANNES GIESSEN, PARK MANAGER

#### Customer Service

• Seasonal hires did an excellent job grooming the park's features for public use.

- The water in the park was turned off during April and May. Porta potties were made available to visitors.
- Park staff continued to monitor trespassing on construction zones and closed areas of the park. They fielded questions about the construction and the status of the zipline.
- Visitors with horse trailers increased for the summer compared to 2024 and our seasonal kiosk staff alerted them to updates of the horse trailer parking lot.
- Eagle Police have increased their patrols of the park to multiple times a week.
- The visitor center saw an increase in use with more retail items carried.

## Park/Program Usage

- Park visitation for this quarter was up 11% compared to 2024.
- Traffic count for 8,446 for April, 11,175 for May, and 13,538 for June.
- The park's concessionaire Wild Beginnings Nature School concluded in May and the other concessionaires, Paddleboard Idaho and Shaved Ice, began operations for the summer.
- Summer was in full swing, and park visitors used our recreation area for swimming, fishing, and playing on the playground. Shelter reservations increased as the summer continued.

# Preservation of Natural, Cultural, and/or Historical Resources

- The natural resource concessionaire flooded irrigating the fields, and the county has been out several times this month treating the flooded fields for mosquito larvae.
- Park staff and Hart Davis staff continued to patrol the ditches weekly to alleviate any obstructions in the dam.
- A group of kids from Wild Beginnings Nature School worked with a ranger to install four more bird boxes throughout the park.
- After Gateway moved their property out of the east side, park staff noticed most of the trees on were damaged and some sprinkler heads were broken.

- Park staff found a visitor nailed honey boxes to the trees. The visitor took them down.
- Park staff rented a lift in May and trimmed dead limbs off trees in the recreation area.
- A local trapper set live snare-style traps around the main pond and relocated a beaver.
- Seasonals worked to manually remove poison hemlock from the disc golf course.
- Irrigation issues around the park were a concern as grass in recreation areas continued to die.
- Veritas did preparation for their renovations at the historic calf barns.
- A court-ordered volunteer began service time in the park and has been helpful with pruning trees around the recreation area and taking down old, rotting fences.

# **Staff Training**

- Our office admin, one ranger, and one camp host attended the additional Brandt training.
- Two separate First Aid / CPR classes were held at the park in June
- Rich Gummersall held an OHV safety course at Eagle Island in June, during which two of our seasonal employees got certified.

# Manager's Narrative

- Problems with the construction of the campground continued, but park staff worked persistently with HQ staff and the contractors to alleviate as much as possible.
- Park staff continued to notify the public as the Hatchery entrance opened and reclosed.
- The park received notice from the cross-country organizer that he will move his events out of the park. Another organizer has been working with IDPR to continue similar events.
- A contractor has been removing the water slide this quarter.
- Gateway Parks received a notice of default in May for failure of payment.
- The park hired a ranger who transferred from Lucky Peak State Park.

## LAKE CASCADE – ZACK GROGAN, PARK MANAGER

# Customer Service

- Park staff de-winterized all water systems and worked to fix water line breaks.
- Park staff continued snow removal through April.
- All campgrounds were opened, and boat ramps were installed in May.
- Camp hosts cleaned campsites and removed pine needles to prepare for camping.
- Staff put swim lines at Van Wyck and Boulder Creek.
- Park rangers started working night shifts to help with compliance and questions in campgrounds.
- Park staff worked on managing noxious weeds throughout the park as they begin to sprout and before they bloom.

# Park/Program Usage

- Park staff assisted the Mountain Community School with a Trout in the Classroom Program.
- Park usage increased considerably with water cooperating and campgrounds opening after the ice broke up in April, which minimized the use of the lake and day use areas.

Type of permit issued (after event)	No. of Permits	No. of Attendees

- Water tests were turned in and all water in park units is potable.
- Park staff continued to monitor unauthorized motorized access into closed units throughout the park to ensure that resource damage is not occurring.
- Park staff continued working with BOR to reorganize the BOR shop space.
- Park staff trimmed trees in the campgrounds along the roads and camping spurs as prior to opening and marked hazard trees throughout campgrounds
- Park staff noted shoreline erosion occurrences for future projects.
- Park staff began replacing Van Wyck water line

# **Staff Training**

- Two rangers attended the North-Region Ranger Roundup.
- Park staff attended reservation training.
- All employees attended First Aid and CPR training at Lucky Peak State Park.

## Manager's Narrative

- Seasonal crews were filled in May.
- The park staff accomplished equipment and vehicle maintenance, routine building maintenance, reviewed host applications, recruitment of volunteer and seasonal staff, cleaning restrooms and other facilities, compliance enforcement, fee collection and revenue processing this quarter.
- Valley County Waterways, Tamarack Marina construction meetings, and Chamber of Commerce meetings were attended this quarter.
- There were zero IRS reports submitted this quarter. A variety of issues were documented within the park's patrol logs related to camping payment and reservations, paying the MVEF, and paying the overnight parking fee. There has been a learning curve with the new reservation system.
- Ranger Cardona accepted a position with Three Island State Park and a new ranger was promoted from a seasonal position.

## LUCKY PEAK - SURAT NICOL, PARK MANAGER

#### **Customer Service**

- Administrative Assistant Radar updated social media and announced park events.
- The disc golf course was removed, and all facilities were opened for the season in May.
- Pets are no longer permitted at Sandy Point and required to be on leash at Spring Shores and Discovery until October 1.
- Staff maintained the pond at Sandy Point and the lake has been at full pool.

• The annual moorage meeting was held at Spring Shores. This was the first day customers could check in and pick up keys and stickers. It was also an opportunity to inform everyone about projects, projections, and changes for the 2025 season.

#### Park/Program Usage

- Attendance fluctuated with the weather.
- Idaho Coalition for Motorcycle Safety (ICMS) held their annual safety rally and ride at Sandy Point. Approximately 250 riders staged at Sandy point to start a safety awareness ride to the capital. Sandy Point has been hosting for over 20 years.
- Sandy Point hosted the Boise River Greenbelt Marathon with approximately 250 runners. Participants started and looped back to the finish line at Sandy Point.

Type of permit issued (after event)	No. of Permits	No. of Attendees

## Preservation of Natural, Cultural, and/or Historical Resources

- Administrative Assistant Radar set up a work project for seven volunteers at Discovery where volunteers weeded, cleared the ground, and planted sagebrush seeds.
- Spring Shores irrigation pump project continued to make slow progress.
- A moorage customer helped organize a marina cleanup day at Spring Shores.

#### Staff Training

- Park Manager Nicol attended Luma Performance Appraisal Training.
- Park Ranger Bailey completed Supervisory Academy training.
- Administrative Assistant Radar attended interpretation training.
- Park Manager Nicol attended training on the upcoming Hells Angels conference in Boise.
- Park Manager Nicol conducted Verbal Defense and Influence class for interns and seasonals including Eagle Island staff.

## Manager's Narrative

- Administrative Assistant Radar and Park Ranger Bailey attended Hunter Elementary School STEM night.
- Park staff have been operating the store at Spring Shores without a concessionaire as the RFP only had one respondent who did not meet the minimum qualifications.
- Assistant Manager Sabin completed interviews for two internship positions at Lucky Peak and hired most of the regular seasonal staff.
- Park Ranger Barney participated in a mentorship program through Boise State University.
- The first boat of the season sank on Mother's Day at the marina. The boat belonged to the USACE, and staff assisted with the recovery and removal of the vessel with USACE and Ada County Sheriff's Office.
- USACE conducted an annual inspection of Spring Shores and Sandy Point and park staff attended the USACE sponsored potluck.
- Ada County Parks, Trails, and Waterways sponsored the annual Lucky Peak Partnership meeting at Spring Shores.
- Coast Guard Auxiliary member Scott Prestel spent 2 days at Discovery Park handing out safety items and information to non-motorized boaters.

#### PONDEROSA – MATT LINDE, PARK MANAGER

## Customer Service

- With our new administrative assistant and seasonals in training, the visitor center and kiosks were less staffed than typical in April and May.
- The visitor center was open 7 days a week as well as the entrance station in June.

#### Park/Program Usage

- April saw lower park usage aside from Roots Forest School then visitation increased in May with trails reopening for the season.
- In June, camping was the highest use with day users a close second. Boaters, hikers, riders, and huckleberry pickers rounded out the day users in the park.
- The park saw high visitation for Father's Day weekend.

Type of permit issued (after event)	No. of Permits	No. of Attendees

- Work continued on the water tower 2 restoration cut, actively keeping the noxious weeds at bay as well as picking up logs that can be salvaged for firewood.
- Park staff started cutting the water tower 1 restoration.

# **Staff Training**

- Ranger Kolsky attended the interpretation training at Farragut State Park in May.
- Three rangers attend basic fire school.
- Three staff members attended saw training school.

## Manager's Narrative

- A new ranger and administrative assistant were hired.
- The park finalized the Roots permit for the 2025-2026 school year.
- ITS put in Wi-Fi for campers to make reservations at that campground.
- The park was able to bring on some seasonals and hosts with needed areas of expertise.
- A cabin cleaning service contract started in June, and it has helped park staff greatly.
- Kokanee Cove development continued and there is shared excitement about these facilities.

# THOUSAND SPRINGS - DAVID LANDRUM, PARK MANAGER

## Customer Service

- The park continued to see an increase in visitors in all park units.
- The Rock House, Yellow House, and Pink House on Ritter Island remain one of Thousand Springs Hot Spots.
- The campground is proving to be a success with all sites booked every weekend in May and June.
- The visitor center averaged 81 visitors a day in April, 130 in May, and 189 in June.

#### Park/Program Usage

- The park participated in the Two Lights for Tomorrow celebration and held a flag retiring ceremony at Malad Gorge and a coloring contest with fourth graders.
- Visitation at the Billingsley Creek visitor's center has had several record-breaking days this quarter compared to the last two years' visitation.
- Visitors enjoyed walking/biking the bike path at Billingsley Creek connecting to the City of Hagerman.
- The riding arena at Billingsley Creek experienced an increase of horseback riders.
- The park hosted South Idaho Mountain Men at Malad Gorge and the Horse and Mule association on Ritter Island in June.

• The visitor center at Billingsley Creek has been open for almost 3 years with temporary interpretive exhibits. We have started working with NFusion, a company based on the west coast, to come up with a schematic design for the visitor center in collaboration with NPS.

## **Staff Training**

- All staff participated in weekly safety training meetings.
- Park management attended monthly manager meetings.

#### Manager's Narrative

- The two new camp hosts have been a great help.
- The completion of the campground and the success of the launch has been a huge encouragement for park staff as staff have been working through start-up problems.

# THREE ISLAND - NITA MOSES, PARK MANAGER

# Customer Service

- The Oregon Trail History & Education Center (OTHEC) operated from 9am to 4pm Tuesday through Saturday in April and May and was open every day in June with the same hours.
- The park had positive online comments about facilities.

# Park/Program Usage

- The OTHEC served 1,076 visitors for the month of April, 1,974 visitors in May, and 1,922 visitors in June.
- The traffic counter read 3,877 vehicles in April, 4,324 vehicles in May, and 4,552 vehicles in June.
- The Northwest Garrison held their re-enactment on May 23-24.
- Idaho Plant Society had their annual gathering at the park with special guest speakers.
- Visitors to the OTHEC came from many different states and 5 different countries.

Special Events		
Special Events Held Off-Site		

- Staff continued spreading compost and turf seeds to bare spots throughout the park.
- Staff continued to locate and address invasive species in the park both manually and chemically.

#### **Staff Training**

- Staff completed the online defensive driving training.
- Seasonal staff onboard training hosted via Teams by HQ.

#### Manager's Narrative

- All trash cans were removed from the day use area and a dumpster was added in place.
- The Trailside Loop vacuum breakers were failing due to pressure and staff worked to fix them.
- The irrigation system was started in April.
- Many camp hosts returned for the season.
- Staff utilized the Surplus Minor Maintenance fund to remodel of the Trailbreak Cabin for ranger housing.
- Park Ranger Fossen was interviewed for a podcast by Dr. Leif Tapanila from the Idaho Museum of Natural History.
- Ranger Cardona was hired from Lake Cascade State Park as Ranger Barron left in April.
- Park staff continued to plan the OTHEC 25<sup>th</sup> Anniversary in collaboration with Idaho State Historical Society for this event to be part of the America 250 campaign.

## SOUTH REGION MAINTENANCE CREW - CHRISTOPHER RE, FOREMAN

#### Bruneau Dunes

• Installed 600' of mainline for Eagle Cove irrigation to ensure project success.

## Eagle Island

• Removed pieces of the water slide.

## EAST REGION QUARTERLY REPORT APR-MAY-JUN 2025

**MISSION:** To provide a safe and unique experience while preserving, protecting, and enhancing recreation. We interpret natural, cultural, and historic values. To maintain park infrastructure for visitor services and programs, while looking for new opportunities.

## **GOALS:**

- Ensure that all facilities are kept clean and hazard-free.
- Utilize both paid and volunteer staff to staff visitor centers and entrance booths to answer questions and sell park permits.
- Patrol parks ensuring user needs, user safety, and resource protection.
- Assess operations and opportunities to ensure quality experiences are provided.

# <u>EAST REGION SERVICE CENTER – RYAN BUFFINGTON, EAST REGION BUREAU CHIEF</u> Staffing Updates

# Harriman State Park

- The Administrative Assistant 1 (AA1) position was vacated by Nicole early in the quarter. After a one-month trial, it was determined she was not a good fit. We quickly filled the vacancy with Kami, who brings 20 years of front desk experience from the medical field and has integrated well with the team.
- The **Ranger** vacancy left by Mariah was filled by **Dusty**. Dusty has a strong maintenance background and a positive attitude. He has quickly become a valuable team member, proactively identifying and completing needed projects.
- The park added two new positions in mid-June. Timothy was hired as a Ranger to oversee the park's trails program. He brings a great attitude and work ethic. Timothy previously worked at the Grizzly and Wolf Discovery Center in West Yellowstone maintaining animal habitats. Jenny, who has served as a seasonal housekeeper for several years, was selected for the new Housekeeper position. Her deep understanding of the park's needs and strong organizational skills make her an excellent fit.

## City of Rocks/Castle Rocks

- Carrolyn filled the Ranger position vacated by Sam. In addition to general ranger duties, Carrolyn will manage the park's trails program, which includes supervising seasonal crews and coordinating with NPS-funded conservation corps. Raised in a local ranching family, she has a strong work ethic and is also a lead EMT for the Oakley QRU.
- The new **Housekeeper** position was filled by **Michelle**. Michelle previously served as the park's Maintenance Foreman for two years but determined this position was a better fit. Prior to that, she was the Maintenance Lead, where she largely oversaw housekeeping and restroom operations. She is an ideal fit for this role.
- With Michelle's departure, we posted the **Maintenance Foreman** position but were initially unable to offer housing, as it had been allocated to the Ranger vacancy. The first applicant pool was insufficient, leading us to repost the position. We now anticipate a better turnout in this second round of recruitment, as we can offer housing since the Ranger position was filled by a local candidate.

#### Land of the Yankee Fork

• **Nina** resigned from her **Ranger** position after four years, following many years as a dedicated seasonal trails employee. Nina had a passion for engaging with the public and often led

interpretive tours at the Bayhorse ghost town. This vacancy is still open, but we have a strong pool of candidates and are scheduling interviews. We hope to fill this position soon.

#### Ashton Tetonia Trail/Bear Lake

- Jason was approved for a lateral transfer to the Ranger vacancy at the Ashton Tetonia Trail (ATT). Jason is excited about the new challenges and brings fresh ideas and a strong work ethic to this growing unit.
- Unfortunately, this move has left a vacancy at **Bear Lake**. This position has been open for multiple rounds, and a candidate has not yet been selected. The lack of local, qualified candidates combined with a lack of housing is a significant challenge. However, we anticipate a new housing option will be available soon. A staff duplex is slated for construction as part of the East Side campground project, and we hope it will be operational for next season.

#### **Eastern Regional Office**

- Both front desk seasonal positions at the ERO were refilled with two excellent candidates, **Toby** and **Tina**. They have quickly adapted to assisting customers with registrations and permits, supporting social media efforts, and providing general administrative and technical help.
- The **Eastern Regional Crew** hired two seasonal employees, **Landen** and **Kolton**, to help with the heavy workload. They assist Brad and Robert, allowing them to split into teams and cover more ground.

#### **Operations**

- The regional office has begun assisting parks with their social media presence. In collaboration with the Communications Department, we met with each park manager to develop a list of unique themes and events. We used these lists to build posting schedules and began crafting and scheduling content for each park. The goal is to produce two to three posts per week per park, with a focus on light and fun content. This program is off to a strong start and supplements the work of parks that already have good social media programs.
- I attended the quarterly Idaho State Historical Society meeting at the Sacajawea Center in Salmon, where I made valuable contacts to enhance our operations at the Land of the Yankee Fork sites.
- We have begun implementing plans to keep staff at Henry's Lake through the winter, which includes working with ITD on road maintenance and addressing facility deficiencies before the cold weather arrives.
- I made regular visits to each East Region unit to meet with staff and provide assistance with operations, funding, and ongoing projects. This year has presented unique challenges with expansive construction efforts, and the new reservation system. Despite these challenges, staff morale is high, and they are excited to see so many infrastructure improvements throughout the region.

## BEAR LAKE - ANDREW STOKES, PARK MANAGER

## Customer Service

• We launched the group camp lottery, which ran through April 15. While somewhat successful, it required significant staff time to confirm winners, send GUPs, and collect fees. Many canceled due to conflicts or duplicate bookings, so we filled spots from the waitlist. Feedback was mixed, with both complaints and useful suggestions.

## Park/Program Usage

• A few campers enjoyed the park in April, and some anglers used the park for access as well.

- Warm weather in May drove high visitation, with nearly \$100,000 in revenue and \$20,000 in MVEF. June saw strong numbers too, with \$257,849 in net sales, including \$85,729 from presold North Beach permits and high GUPs for shelters and group camps 100 and 101.
- In June we sold 6,018 non-resident MVEF for a total of \$79,494.94 and 768 self-collect for \$10,145.28. We sold 1,130 resident MVEF for a total of \$7,439.94 and 747 self-collect for \$4,916.06.
- We saw roughly 20,000 vehicles for the month of June and an estimated 95,000 or so people visit the park.

Type of permit issued (after event)	No. of Permits	No. of Attendees

#### Park Sponsored Program or Event

- The park hosted a Jr. Ranger event in May with the local US Forest Service to teach kids about invasive plants and aquatic species, featuring Scout and Smokey Bear.
- Hosted Cops and Bobbers in June with officers from ISP, MPD, IDFG, and BLCSO; 95 attendees participated. Each year the support grows, and we ended up with a great crowd. The support of IDFG and their local officers has been wonderful.

School Programming		
Special Events	1	95
Special Events Held Off-Site		

# Preservation of Natural, Cultural, and/or Historical Resources

- Attended the Bear Lake Preservation Advisory Committee meeting in Logan to discuss strategies for protecting Bear Lake.
- Attended Bear Lakes State of the Fish meeting in Garden City. Both Utah DWR and IDFG reported on activities to promote healthy fish populations and how we compare with other years.
- Jason attended our May Highlands Cooperative Weed Management Area meeting and signed up for training.
- Completed sand removal at North Beach to prevent road issues. The county provided free equipment and hauling; the east region crew took several loads, and a contractor removed the rest at no cost. Barrier rock was added to the improved boat prep area.
- Park staff worked to enforce IDL's new rule requiring vehicles to park 100 ft from the water, but limited beach space and lack of enforcement by a neighboring landowner made compliance difficult.

# **Staff Training**

- Staff attended Bear Lake Sheriff's office boat safety course.
- Held CPR training for staff.
- Amy and Jason completed their pack test (3 miles, 45 lbs. pack, under 45 minutes) for their Red Card (wildland firefighter certification).

- Held a park orientation for seasonal staff, including CPR certification.
- Amy attended NUWET training over at Rendezvous Beach with several of our local and federal fire departments.
- Jason attended an herbicide application training and testing.

# Manager's Narrative

- In preparation for the fall upper ramp project, Rivers West installed a new restroom at North Beach and relocated the one obstructing the boat prep area.
- Work on the new campground began with clearing the area and creating a haul road east of the parking lot to protect the asphalt from their large haul trucks.
- Met with representatives of IDFG and ITD in April to discuss Dingle Pond as a day-use area for Bear Lake that would provide better fishing opportunities for our patrons.
- Met with the local BLM office to discuss developing an OHV trail within the park that would connect to their existing trail system. The project would require constructing a new trail segment across BLM-managed land.
- Also had a discussion with BLM concerning Formation Springs and issues associated with charging MVEF on the BLM property for parking.
- We had a team meeting with Ryan and Joyce on topics for social media. Topics that will cover our natural, cultural, and historical resources.
- Our ranger Jason accepted a job at the Ashton Tetonia Trail so we will be looking for a replacement as soon as possible; however, we are concerned with our housing options.
- Our 40-year-old irrigation system needed early-season repairs, including replacing a mouse-damaged timer. Once fixed, the system was operational again.
- We started reserving our day use shelters at North Beach for the first time ever. We had 42 reservations made in June and made \$3,150.
- I was able to get a bridge system set up at Sage Springs that provides an internet connection to our kiosk and up to our maintenance shop. This allowed our kiosk to be able to start accepting credit cards.

## CITY OF ROCKS -TRENTON DURFEE, PARK MANAGER

#### Customer Service

• We get a lot of great feedback from visitors about how clean the bathrooms and park are. Big thanks to our staff for doing such an awesome job keeping things looking good!

## Park/Program Usage

- Campgrounds April 975, May 2,138, June 2,615.
- Ranch House April 11 nights, May -11 nights, June 21 nights.
- Glamping Yurt April 7 nights, May 19 nights June 14 nights.
- Cottage April 5 nights, May 10 nights, June 15 nights.
- Visitor center attendance April 1,174, May 2,737, June 3,532.
- Video Attendance: 1,264.

#### Preservation of Natural, Cultural, and/or Historical Resources

- Removed Rocky Mountain Junipers and cleared debris at Eagle Rock Grove.
- Began invasive weed and insect treatments in the admin complex.
- Replaced the railing at the former campsite 15 to help reduce traffic and support natural restoration efforts (RIM DCP).
- Staff conducted a controlled burn to clear overgrowth for a potential event tent area northwest of the Willow Glamping Yurt in Castle Rock.

### **Staff Training**

- Training in April included East Region Reservation & Reservation training: 5 hours, Grasshopper/Mormon Cricket workshop 1 ½ hours (Phill), OHV certification to be a trainer 3 hours (Bryce), CEO refresher 20 Hours (Trenton, Austin, Michelle, Bryce Phil, Sophia, Sam, and Laci).
- In May training included UTV training in May for staff, and Life Flight training (3 hours).
- In June Sophia attended DHR: Virtual Class- Getting Things Done: 9 hours.

# Manager's Narrative

- Austin updated the Raptor and Wildlife Camera Survey protocols, collaborated with ICC staff to
  host their spring member training for trail and fence projects, and helped develop and carry out
  this year's All Employee Orientation.
- Michelle continued moving campground plans forward and coordinated with the National Park Service on a 491-acre land acquisition. A Letter of No Objection was sent to Cassia County, with a response expected next week before submission to the Governor's Office. Repairs at Radicle's staging area are progressing well, thanks to support from SCA and ICC.
- Progress continues on the Graham Creek acquisition in coordination with NPS and IDPR. A new cattle guard is scheduled for installation this year, and Pamela Huck has initiated the bidding process for the Environmental Assessment, which is expected to be completed within the year.
- Bryce built new corrals at CRSP with the Back Country Horsman group.
- YCC poured concrete at the VC.
- Sophia continues recording weather data for NOAA and submitting it through their website. She also attended a meeting with the Hispanic Chamber, planned and carried out the Two Lights for

- Tomorrow Easter Egg Hunt, and participated in the Mini-Cassia STEM Night and the Earth Day Fair in Pocatello.
- Phillip redesigned the parking area for campsites #34–36 by relocating posts and adding parking stops to clearly define designated spaces. He also decommissioned several campsites by removing tent pads, fire rings, and picnic tables.

Site 18 Before and after by a local Scout Troop:

Orientation: Life Flight

# <u>HARRIMAN/HENRYS/ASHTON TETONIA TRAIL - JESS BRUMFIELD, PARK MANAGER</u> <u>Customer Service</u>

- The park's rental facilities saw minimal use in April, allowing staff to prepare them for the upcoming construction closure.
- Visitation rose slightly in May as warmer weather kicked off the season for hiking, biking, and horseback riding.
- On April 15, staff posted trail closure signs along the Henrys Fork River to protect nesting migratory birds.

- The park began to see an increase of visitation with the river opening to fly fishing on June 15 and with most schools now being on summer break.
- All overnight rentals with water and sewer are closed for upgrades, but the park's four yurts remain open with moderate occupancy.

Traditional Interpretation	49	420
Environmental Education	9	139
Jr. Ranger Programming	7	30
School Programming	14	711
Special Events	1	4
Special Events Held Off-Site	2	0

- With the changing seasons, April focused on visiting local schools and preparing for upcoming school visits to and from the park in May. Staff visited Island Park Charter School for the first time, with two visits completed and a third scheduled for the end of May.
- Harriman was a stop on a national tour in April by pianist Ben Cosgrove, a traveling composerperformer whose music explores themes of landscape, place, and environment.
- Ten school programs given were a mix of going to the schools for Park in the Classroom and schools being able to visit the park. They ranged from 15-110 in each group.
- With help from the Idaho Master Naturalists, we had a successful introduction to fishing at the Harriman Fishpond on the statewide Free Fishing Day in June. The visitor center has loaner spin fishing poles and supplies for families to sign out for the day.
- Tours began in the historic buildings on the Friday, May 23rd. Guided tours will run until September on Fri, Sat, Sun, Mon, and Weds at 11am and 3pm. The houses now are open on those days of the week from 11 am to 4pm.
- The June Bat Program drew over 50 attendees. At dusk, handheld equipment identified five bat species emerging from bat boxes and trees. Several bat condos are now occupied, reducing use of nearby historic houses. The program is a collaboration with Idaho Falls Zoo's Bat Night, BYUI, and INL.
- The park is finalizing a new Harriman SP-specific Jr. Ranger book, with hopes of printing and implementing this in July.
- To finish off their school year, 300 students from Farnsworth Elementary School in Rigby came to visit Harriman and went for a hike to and from Golden Lake.
- BYUI brought their communications class out for a discussion and tour of the buildings to learn more about the history and programs at the park available to students and the public.

## Preservation of Natural, Cultural, and/or Historical Resources

 Construction continues to have positive impacts at the Ranch Office with a complete interior overhaul.

## **Staff Training**

- Staff participated in the all-day reservation and registration training in Idaho Falls.
- All staff completed Red Cross CPR training led by the Idaho Falls Nordic Ski Patrol. They also participated in two EMS scenarios: one involved locating medical supplies and responding to a simulated bike accident; the other focused on using mapping programs to find GPS coordinates and assisting an injured horseback rider.

## Manager's Narrative

- Maintenance Ranger Dusty joined our team in April.
- The park manager drafted a Request for Proposals (RFP) for the 10-year horseback riding concession, which is now moving forward.
- IDPR staff Pam Huck and Keith Jones met with park management and cattle grazers, to discuss a rotational grazing plan on the park's Sheridan unit. The outcome was favorable, with a split grazing area being planned to start next year.
- The park manager gave a presentation to the Henrys Fork Watershed Council on updates at Harriman, Henrys Lake and ATT.
- Construction continues in the park with a new well being drilled near the park shop area.
- Further progress was made toward the park's trail management plan, seeing visitor use surveying being conducted by FHSP interns in pre-determined locations throughout the park.
- An in-person meeting was held to discuss the design of the new visitor center, along with further discussion about the location of the center.
- The park successfully recruited three new full-time permanent staff members. An Office Administrative Assistant 1, a Trail Ranger, and a Custodial Housekeeping position.
- Staff members conducted two highway clean up events.
- Grazers began to move cattle through the park onto the USFS portion of the Wildlife Refuge, along with grazers moving cattle onto the Sheridan Unit.
- A Youth Employment Program (YEP) crew arrived and began working on pulling out cattails downstream from the Silver Lake spillway, along with conducting trail maintenance up on the Ridge trail/Overlook portion.

### ASHTON TETONIA TRAIL

### Customer Service

- With the snow melt in April and more local attractions being open, visitation started to pick up on the trail
- The visitor center is now open 7 days a week, as the summer seasonal staff, summer volunteer and new ranger have all started.
- The dump station is open for the summer and already busy.

### Preservation of Natural, Cultural, and/or Historical Resources

- Spring projects began in April with work on the Bitch Creek Trestle and the Ashton Visitor Center, where doors were painted and parking lot bollards installed.
- The dump station was opened by the City of Ashton in mid-May, enabling RVs to dump septic and refill water.
- Gates are closed to prevent vehicle traffic on the trail.

### **Staff Training**

• Seasonal Park Aide Rhonda and summer volunteer Dave attended a CPR training at Harriman in June. They were both certified following the training day.

### Manager's Narrative

• Ranger Jason started his new post in mid-June. He has begun training and orientating to the new park and area. He's off to a great start!

#### HENRYS LAKE

### Customer Service

• The fish cleaning station closed on June 9 due to sewage disposal issues. While Melaleuca does not accept the waste, the county dump may be an option. Additionally, a vendor in Buhl may haul the waste for organic farming at an estimated cost of \$1,000.

## Park/Program Usage

- There was one camper in the park during April, and we had a vehicle count of 1,114.
- May occupancy decreased by over seven sites per night in 2025 compared to 2024, but day use visitation increased, possibly due to higher site prices. June occupancy decreased by 14.9 sites per night in 2025 compared to 2024 and day use visitation decreased by 212 vehicles.
- May's vehicle count was 6,940, an increase of 969 from 2024's 5,971. June's vehicle count was 13,869, a decrease from 2024's 14,081.
- Fishing in June started strong, especially along the shore, but gradually slowed as the month progressed, which is typical for this time of year. By month's end, Targhee Creek emerged as the lake's top fishing spot.

#### Preservation of Natural, Cultural, and/or Historical Resources

• On June 14<sup>th,</sup> the swans had 5 cygnets in the slough.

# **Staff Training**

- April 11 Reservation & Registration Training in Idaho Falls, (5 hours).
- June 5- staff went to Harriman for the American Red Cross CPR training. (5 hours)
- Seasonal orientation was given in June by the department HR Office Staff. (2.5 hours)
- Each seasonal was assigned a group of trainings amounting to about an hour of online class. Defensive driving, the use of Luma, etc.

### Manager's Narrative

- April's revenue was \$32,851, May was \$29,513, and June \$44,688.
- Henrys Lake was 100% full and the Upper Snake River system was 89% full at the end of May.
- ITD brought jersey barriers to put around the propane tanks at the shop and house to make them compliant with what the Fire Marshal requested.
- The park had 11,000 gallons of sewage removed before opening this year. 8,000 of it was from the Caddis Loop which was pumped for the first time since use started in July of 2014. The cost was \$6,270.00.
- On June 25, staff was notified by development that High Output Construction would begin work on the Damsel Loop after July 4.
- The fish cleaning station closed on June 9 due to sewage disposal issues. While Melaleuca does not accept the waste, the county dump may be an option. Additionally, a vendor in Buhl may haul the waste for organic farming at an estimated cost of \$1,000.
- We learned that the park may have to test for micro-plastics in both wells starting this year. The cost would be about \$400 each and can only be processed in Moscow, Idaho.
- The cabin upgrades have been completed.

### LAKE WALCOTT - KIRSTEN MARCH, PARK MANAGER

## Customer Service

- Lake Walcott opened for watercraft on April 1.
- Potable water was turned on in the campground and bathrooms on April 16. With nice weather, the campground saw more RVs and occasional tent campers. Staff turned on water once nighttime temperatures were above freezing, nearly two weeks earlier than usual startup for the campground.
- The Minidoka County Sheriff's Department held free boat inspections at Lake Walcott State Park on May 17. The park entrance fee was waived for the day to encourage people to come out and get their boats inspected. The weather was very rainy and windy, so they only saw 12 boats for the day.
- The visitor center at Lake Walcott is now open seven days a week from 9:00 a.m. to 5:00 p.m. to assist visitors and campers. This will be the first full summer with the 9-5 shift.

### Park/Program Usage

- The Snake River Disc Golfers club nights started on April 16. The club meets every Wednesday and Friday at Lake Walcott to play the 21-hole disc golf course. Members of the club also volunteer at the park by picking up trash and helping to keep the course clean.
- On Earth Day, Mountain View Elementary came to Lake Walcott for a field trip. Park staff and Fish & Wildlife staff provided the students with the opportunity to learn about pollinators and to plant pollinator friendly native seeds to take home.
- June saw 9,382 vehicle entries, boosted by a disc golf tournament, a large combat society event, and construction activity at the wildlife refuge headquarters.
- Chaos Wars was held in June with approximately 235 attendees.

Type of permit issued (after event)	No. of Permits	No. of Attendees

Preservation of Natural, Cultural, and/or Historical Resources

- We had someone from Mini-Cassia misdemeanor probation complete 10 community service hours. He removed leaves and branches from the Lakeview Campground.
- In May, the WILD juvenile probation crew contributed 52 hours of park cleanup over two visits. In June, the Work In Lieu of Detention (WILD) Crew returned for a service day, with 9 participants providing a total of 49.5 volunteer hours.

## **Staff Training**

Kylee, Kirsten, Rolando attended the East Region Reservation and Registration Training in April
 — 18 hours total.

## Manager's Narrative

- Park rangers from Lake Walcott, Massacre Rocks, and Castle Rocks State Parks ran a booth at the Portneuf Valley Environmental Fair.
- The region crew spent several days at Lake Walcott striping the parking lots and painting pavement markings. The park has received a facelift with the new paint and looks amazing.
- On April 23, PMT visited the park to plan fiber installation to the Fish & Wildlife HQ, entrance kiosk, visitor center, park house, and host site. Engineers are drafting plans for Bureau of Reclamation approval.
- Lake Walcott kicked off the summer with high visitation over Memorial Day weekend, followed by a full campground during the Mad Pelican Disc Golf Tournament. On May 31, the park saw 677 vehicles—surpassing the holiday weekend peak of 553. Summer is off to a strong start!
- With the Bureau of Reclamation closing its Heyburn office and the dam manager now also overseeing Palisades Dam, dam tours have been put on hold. As a result, more schools requested park presentations at Lake Walcott throughout May.
- The Minidoka Refuge faced layoffs but is now the only fully staffed refuge in southeastern Idaho, stretching to support neighboring sites. We've stepped in to assist our federal partners during this staffing shortage.
- The Bureau of Reclamation conducted a survey for Lake Walcott's upcoming water and electrical upgrades. Cultural and NEPA reviews are underway and expected to finish by summer's end.
- The Minidoka National Wildlife Refuge held a public scoping meeting for their draft comprehensive conservation plan. The scoping period was open from April 21 until May 20 for public comment.
- Development Manager Nathan Powers met with the park manager and Minidoka Dam officials plan to preemptively replace grinder pumps at Lift Station 2, following past failures at Stations 1 and 3. An informal backup plan was discussed, and the project will be included in the O&M grant renewal for Reclamation funding.
- Construction at the Minidoka National Wildlife Refuge headquarters continues. They have finished demolition and are beginning to build the framework of their new facilities. Construction is expected to continue until September.

### LAND OF THE YANKEE FORK- BLAKE PACKER, PARK MANAGER

#### Customer Service

- Challis Hot Springs pool visitation held steady in April, with monthly passholders rising to 365 from 303 in March. In May, overall visitation increased, though pass holders dropped to 285.
- Boat registrations remained steady in both months, supported by favorable weather and the start of boating season.
- Starting on May 23<sup>rd</sup>, the Challis Hot Springs Pools and Visitor Center transitioned to being open from 8:30am-4:30pm on Monday, 8:30am-8:30pm on Tuesday-Thursday and on Sunday, 8:30am-10:00pm on Friday-Saturday.
- Bayhorse opened for the season on May 15, staffed by a volunteer and a Seasonal Interpretive Ranger to assist visitors and share historical and park information. The ranger has been an asset, leading interpretive tours for groups of all sizes.

- OHV Idaho State Passport sales rose in May and June due to increased enforcement of the MVEF (Motor Vehicle Entrance Fee) for off-highway vehicles at Challis Hot Springs.
- The park is expanding its social media presence with support from the East Region office. This initiative is part of a region-wide effort to boost park visitation and expand IDPR's social media reach both within and outside Idaho.

## Park/Program Usage

- The Visitor/Interpretive Center visitation in April was 599, May was 822, and June was 1,362.
- The historical film was shown 14 times to 92 visitors in April; 43 times to 180 visitors in May; 61 times to 213 visitors in June.
- The park hosted a school field trip with 20 participants in April, with more planned for May and
- The Bayhorse Ghost Townsite traffic counter data was 812 during the month of May and 2,337 during the month of June. Bayhorse has experienced a significant amount of visitation since opening in mid-May.
- With the opening of the Challis Hot Springs Campground, dump stations, and the transition to spring operating hours for the pools and visitor center, the park has seen a substantial increase in visitation. This rise is partly due to favorable weather and the start of peak camping season.
- On June 14, the park hosted the 11th Annual "River of No Return Endurance Run" at Bayhorse, featuring 32k, 55k, and 108k races through the Salmon-Challis National Forest. Bayhorse served as the 32k start and a checkpoint for longer races, drawing over 300 participants, spectators, and staff.

#### Preservation of Natural, Cultural, and/or Historical Resources

- Park staff worked diligently to address noxious plants throughout the park during spring.
- Park staff evaluated the structures at the Ramshorn and Skylark Mines. Park staff will meet with IDPR Development Bureau staff and contractors to determine the best action to stabilize and preserve these historic structures on July 17.

#### **Staff Training**

Nina completed the North Region Ranger Round-Up on April 15 and 16.

- Blake Packer attended IDPR Trails training with the IDPR Recreation Bureau on May 19 through the 21 in Boise, Idaho.
- Park staff completed First Aid/CPR/AED training in June.
- June 9-10: The seasonal trail rangers completed U.S. Forest Service S-212 Developing Thinking Sawyers training in June.
- Park staff completed IDPR ATV or IDPR Motorbike training in May and June.

## Strategic Plan Actions

- Park staff, IDPR, and contractors are working to update the Challis Hot Springs Master Plan, with an emphasis on infrastructure improvements and phased development. After exploring a potential city utility connection, IDPR chose to pursue alternative solutions following a January 27 meeting with city officials. Sewer test pits were completed on June 18 to support health department permitting.
- Park staff and IDPR Development Bureau identified needed repairs on the Challis Hot Springs entrance road, with ARPA funds secured for the project. Rivers West Construction began work in late April under a service contract, with completion expected by the end of July.

## Manager's Narrative

- The parks Seasonal Trail Ranger Crew has completed a significant amount of work on trails throughout the Land of the Yankee Fork Historic Area throughout the months of May and June.
- Patrol logs documented various issues related to MVEF payment and staying within designated
  parking areas—particularly at Challis Hot Springs. These challenges are expected to continue
  until campsite spurs are developed and site boundaries are clearly marked with barricades or other
  methods.

## MASSACRE ROCKS - TRAVIS TAYLOR, PARK MANAGER

#### Customer Service

- We started getting some reservations in the new Canyonview area in April.
- Water was turned on the earliest I ever seen either here or at Walcott. We chanced it and turned on the upper and lower loops on April 15.

## Park/Program Usage

- April was busy, with campgrounds nearly full on the weekends. Bass fishing was excellent in May, and the park was fully booked over Memorial Day weekend, including Canyon View. June stayed active, with higher retail sales and increased weekday camping.
- Camping was a major attraction in June. Oddly, we are seeing as many arrivals on Wednesday and Thursday as we are on Friday. Historically, those have been our slowest days.
- Bass fishing was great, and the boat ramp has been extremely popular.
- Shore fishing has also been very popular, pretty much everywhere you can cast to the river has seen fishing.

### Preservation of Natural, Cultural, and/or Historical Resources

• Mowing fire lines as needed.

## Staff Training

- East Fork is a GO!!!! Met with Ryan, Nathan and Paul Scoresby (Engineer) at East Fork in June. We walked through the entire area and feel that we have some great ideas for improvements.
- We were notified that we received our Cutthroat grant to replace the destroyed fishing docks at the Fishing Access area. We will start that project in July.
- We are working towards joining the local irrigation district to avoid future curtailments.

#### Manager's Narrative

- Met with Ryan and Joyce in April and have been trying to implement some new ideas for the park's social medias.
- PreCon for the Septic Project at the East Region Maintenance Garage was held on May 21, with work beginning a week later.
- Adam and rangers from City of Rocks and Walcott attended the Portneuf Valley Environmental Fair on April 26.
- We had a car go off a cliff near the Wagon Rut Trail on May 7. Occupant survived and Travis has been working with Power County Sheriffs Office on it. See IRS report for more details.
- Working with retired ISP officer, Ed Gygli on opening some park property for a non-motorized mountain bike trail in some previously closed parts of the park.
- We gave the entrance kiosk a much-needed facelift with new paint inside and outside.
- We received notice of a groundwater curtailment that will affect irrigation at Register Rock. We are working on solutions currently.

### EAST REGION MAINTENANCE CREW - BRAD GILMER, FOREMAN

East Region Crew tasks:

- Delivered four dump trailers of sand from Bear Lake to the ERC garage at Massacre for future use, with five more loads reserved for transport during line painting at their park.
- Gathered/ordered the supplies for the Henry's Lake lodge project.
- Went to Coulee Dam, Washington and picked up two bathrooms for City of Rocks and delivered them to Almo.
- Robert received his CDL license in June.
- Brad toured Twin Peaks with Ryan and assessed some of the maintenance needs.
- We hired our two summer seasonals for the year (Kolton, Landen).
- Brad attended a meeting about Rock Creek and discussed some potential designs.

#### **Ashton Tetonia Trail**

• Un-covered the shed pad to let it start drying out so we can pour the concrete pad in the next month or two.

#### **Bear Lake State Park**

- I had Rivers West Construction show me how they handled new CXT sites and prepped them for installation in preparation for doing the CXT site at City / Castles this fall.
- Delivered the Skid Steer to Bear Lake for them to remove sand out of the median.
- Striped all lake parking areas where the asphalt was in suitable condition.

### Castle Rocks State Park / City of Rocks State Park

• Striped the parking areas around both parks.

### Harriman State Park

- Inspected Harriman canals after their first use since last fall's maintenance to confirm proper flow and function.
- Striped everything we could at Harriman. There was one parking lot we couldn't do because of the construction occurring in the park.

### Henry's Lake State Park

- Trained Joe on running the Skid steer with the snowblower and blew the snow into the cabin and in front of the garage/shed.
- Installed the cabinets, countertops, and sink in the cabin.
- Swept the chimney in the cabin and installed the fireplace in the cabin
- Picked up the new fridge for the Henrys Lake cabin.
- Striped all of Henrys Lake and numbered all the campsites.

### **Lake Walcott State Park**

- Finished line striping at Lake Walcott and need to go back and do the stencils for campground numbers.
- Numbered the campsites in the campground.
- Delivered dirt to Lake Walcott to fill holes left by tree removal.

#### Land of the Yankee Fork State Park

- Striped the parking areas around the parks.
- Visited the mill with Nathan and discussed upcoming projects planned for the site.
- Dug test pits for the new proposed septic system for Challis Hot Springs.

## **Massacre Rocks State Park**

• Striped the parking areas around the park.
