

# STAR GAZE AT THE BRUNEAU DUNES STATE PARK OBSERVATORY!

Friday & Saturday evenings 2026 (March 13<sup>th</sup> - October 17<sup>th</sup>)

You're invited to star gaze at the Bruneau Dunes Observatory!  
View planets, nebulae, or a galaxy through our 27.5" & 25" telescopes.  
Our newest observatory is also a planetarium!

Observatory tours, planetarium programs and solar viewing (through a solar telescope) are available in the evening before the sun goes down.

There will be two 25-minute astronomy presentations inside the Steele-Reese Education Center followed by a viewing of the heavens through the Observatory's collection of telescopes.
