AGENDA ITEM: Roots Forest School - Evening in the Pines Group Use Permit

ACTION REQUIRED: Approval of Group Use Permit for Evening in the Pines event

PRESENTER: Theresa Perry, South Region Manager

PRESENTATION

BACKGROUND INFORMATION:

Roots Forest School is Idaho’s first forest preschool and provides place-based/inquiry-based learning for children ages 18 months to 5 years. The School’s mission, through nature-based early childhood education, fosters curiosity, community, and imagination to inspire stewardship and empower life-long learners. Additional information about the organization can be found at: https://rootsforestschool.com/about/

The school’s activities are primarily located within Ponderosa State Park. Through a standard concession agreement, the Park and Roots Forest School have had a successful partnership for the past 5 years.

Ponderosa State Park has received a Group Use Permit from Roots Forest School to host an event at and around the park’s Activity Center. The event, Evening in the Pines, will provide a tour of the forest classroom with appetizers, beer, and wine to be followed by a catered dinner, desert, and auction.

The purpose of the event is to raise funds and awareness for the school. The vendors, that are providing the beer and wine, will ensure legal drinking age and appropriate servings protocols are adhered to. As alcoholic beverages will be sold, Park Board approval for this Group Use Permit Application is required.

The event is scheduled for August 20, 2022, from 6pm-10pm and approximately 75-100 participants are expected to attend. The profits from this event will go to Roots Forest School, which is a 501(c)3 non-profit organization. Park staff support hosting this event.

STAFF RECOMMENDATIONS:
Staff recommends the Board authorize the Chairman to approve the event with the conditions on the permit application.

Idaho State Parks Board:

We are so grateful for your consideration to allow Roots Forest School to host this important fundraising event in Ponderosa State Park. This event has been years in the making and we are thrilled that this year it will culminate into reality and we hope it will continue for years to come.

We truly value your generosity and partnership as we’ve worked so hard to strengthen and grow the Roots program. We’re now serving over 70 families and we couldn’t have done it without our special and magical home base in the park. We think the fundraiser will be extremely unique, as we’re hoping to be able to host our donors and attendees right in and around our forest classroom and help give them a peek into the daily magic that unfolds in our preschool programs.

In planning this event, we have prioritized preserving the park and forest area that we will utilize and making sure it is in the same or better condition after the event as it was prior to. Stewardship of the natural area around us is a founding belief of our organization.

We appreciate your time as you consider allowing us to use the park space. Please let me know if you have any questions or concerns, I’m more than happy to provide as much information as possible.

Gratefully,

Katie Morell

Additional Information for Permit Application

Description of Program, Displays, and Concession Booths to be installed (cont.)
We will be setting up tables in the forest classroom area for appetizers, beer and wine. We will also be setting up tables and chairs to seat guests for dinner in the grassy area surrounding the Activity Center. We plan to provide guests with receptacles for trash, food scraps and compostables. Additional tables may be setup for vendors to organize what they need. We also plan to hang some lights in the trees in the forest classroom and Activity Center. We will have a small area setup for a jazz group, The Merchants of Groove (no vocalist) to play soft instrumental jazz throughout the event. We will be very conscious of not being too loud and disrupting others in the park. We plan to make use of a projector and screen and may have a minimally amplified microphone for the presentation, auction, and speakers to use during the dessert/presentation portion of our event.

Alcohol
We have generously been donated a keg of beer from Salmon River Brewery and may purchase one additional, depending on the number of guests attending the event. An employee from Salmon River has generously offered to donate his time to pour beer during the event and make sure all regulations, including pouring appropriate servings, checking ID’s, etc. will be strictly adhered to. Scoria Vineyards is also providing an employee to pour wine for the event with the same strict adherence to serving protocols.

Additional
It looks like we may be exempt from providing the food license information for our caterer since we are a non-profit and it is a one day event, but please let me know if you’d like that information. I’m
