Administrative Rules for Post-Sine Die – Anna Canning Action Item

Ms. Canning presented a brief description of this agenda item and stated that she is asking for a motion from the Board to approve the presented rules. Board and staff discussion followed pertaining to what the specific changes were in the rules being presented today.

Mr. Eastwood moved that the Board adopt as temporary rules to be effective sine die of the 2020 session of the Idaho Legislature, the rules of the Idaho Park and Recreation Board and the Idaho Department of Parks and Recreation as set forth in Attachments IDPR Omnibus Fee Temporary and IDPR Omnibus Non-Fee Temporary of the Department's memo. This approval and adoption is conditional and the Board would like the time to review how the initial cap was put into place. Mr. Eastwood then inquired of Ms. Canning how he should continue the motion.

Board and staff discussion followed regarding the process of Negotiated Rule Making and what the timeframe might be if the Board decided to change a rule such as the 30% cap on the WIF grant? Comments were made that the Board has not decided to change anything regarding the 30% cap, only that they want to take a good look at it and not rush into anything. Director Langhorst stated that the 30% WIF item is on the agenda for the February 2020 meeting as an action item and this gives the Board the most options. They can choose to take a vote or decide to take more time to consider.

Mr. Eastwood withdrew his previous motion and moved to adopt as temporary rules to be effective sine die of the 2020 session of the Idaho Legislature, the rules of the Idaho Park and Recreation Board and the Idaho Department of Parks and Recreation as set forth in Attachments IDPR Omnibus Fee Temporary and IDPR Omnibus Non-Fee Temporary of the Department's memo.

This approval and the adoption is conditional and will only become effective if the rules previously adopted by this Board as pending rules currently before the Idaho Legislature are not otherwise effective upon sine die pursuant to the Idaho Code sections 67-5291 and 67-5292. Mr. Fatkin seconded the motion. The Chairman asked for further discussion. Hearing none, the Chairman called for a vote on the motion. Motion carried unanimously.

Mr. Fatkin moved to adjourn the meeting. Motion was seconded by Ms. Roach. Meeting was adjourned at 2:06 P.M.
