6. Another tab should open with this message. (If the tab does not open you will need to turn off your pop-up blocker)

Processing Report

Your report will appear in this window when ready to view.

Please do not close this window

7. The Daily Sales Activity Report should then open in Excel. If it is in Protected View you will need to Enable Editing before making any adjustments.

PROTECTED VIEW Be careful—files from the Internet can contain viruses. Unless you need to edit, it's safer to stay in Protected View.
